## Getting Support This Fall

The fall semester is underway and we welcomed students back to campus this week! USF Career Services on the Tampa campus has reopened with limited in-office hours. Currently, we're providing limited access to help protect our students and those who are on-campus to support them.

Our office will have modified hours for in-person operations from 10 a.m. until 2 p.m. (EDT). If you have a need to visit the USF Tampa campus in-person, you **must** call ahead to arrange your visit. Face coverings will be required at all times inside all buildings.

Please remember that we're still here to support you virtually! Send us an email at [RecruitUSF@usf.edu](mailto:RecruitUSF@usf.edu) for virtual assistance from our Employer Relations and Marketing teams.
