Claim Your Bulls Connect Schedules!

If your organization is registered for the [Bulls Connect Career Fairs](#), taking place September 15 - September 18, **now** is the time to create and claim your schedules!

[Click here for detailed information about how to set up and claim a schedule](#). You will also find a link to the recording of last week's *Tune In* session, where we walked through the scheduling process.

As a reminder, ***students will not be able to join your sessions if you don't have a schedule***. Make sure that each of the recruiters that is planning to attend the fair has claimed their schedule so that your organization can meet with as many USF students and alumni as possible during the event.

Please note that the fair registrant must set up the schedules for each representative, after which attending representatives will be able to claim their individual schedules.

Still Need to Register?

Due to employer demand, [we have extended registration for one more week](#), until 11:59 p.m. (EDT) on Friday, September 4. This will allow both your organization and our students time for planning and scheduling before the fair.

Please note that we will waive the late fee for this week. Spaces are

limited and we encourage you to [register today!](#) Any requests to register after Friday will be considered on a case-by-case basis and may be subject to late registration fees.

This Week on Tune In ...

This Friday, we've devoted the full hour of **Tune In** for your questions and answers about the upcoming Bulls Connect Career Fairs. Whether you want help linking open job or internship postings, need assistance uploading your group and one-on-one sessions, or just have questions about how it's all going to work, our team will be on-hand to answer them all.

[Join us Friday, September 4](#) anytime between 1:00 and 2:00 p.m. (EDT) to meet with members of our Employer Relations and Marketing Communications teams!

[Visit our website](#) to view recordings of our earlier webcasts and to access PDFs of our previous newsletters.

Getting Support This Fall

USF Career Services on the Tampa campus has reopened with limited in-office hours. Currently, we're providing limited access to help protect our students and those who are on-campus to support them.

Our office will have modified hours for in-person operations from 10 a.m. until 2 p.m. (EDT). If you have a need to visit the USF Tampa campus in-person, you **must** call ahead to arrange your visit. Face

coverings will be required at all times inside all buildings.

Please remember that we're still here to support you virtually! Send us an email at RecruitUSF@usf.edu for virtual assistance from our Employer Relations and Marketing teams.
