

RECRUIT AT USF

September 8, 2020

Looking For Help with Virtual Fairs?

If you need help as you're setting up your schedules, connecting your job postings, testing your videos, or otherwise preparing for the virtual fairs, [join Handshake's Virtual Fair Daily Office Hours](#).

Bulls Connect Deadlines

WEDNESDAY, SEPTEMBER 9 - FINALIZE YOUR FAIR SCHEDULES

[Click here for detailed information about how to set up and claim a schedule](#). You will also find a link to the recording of a recent *Tune In* session, where we walked through the scheduling process. ***Students will not be able to join your sessions if you don't have a schedule.***

FRIDAY, OCTOBER 16 - PAYMENT DUE

Fees must be paid in full within 30 days after the fair date. Organizations who fail to pay their balance due by this due date may lose access to their ability to post positions and register for events until their balance is paid in full. Organizations who are experiencing difficulty with paying their balance are encouraged to reach out to us at RecruitUSF@usf.edu for assistance.

Get Prepared for the Fairs

As you prepare for the fairs next week, now is a great time to make sure your technology is working appropriately and that you'll be ready to go on the day of the fair. Follow these guidelines to ensure a seamless virtual career fair experience:

Test Your Video with Handshake's Video Tool

Handshake has recommended that employers [take a few moments to test video performance](#) before the fairs to make sure that your device and browser will function well on the day of the fair. The Google Chrome and Mozilla Firefox browsers work best with Handshake's video tool. [This Handshake Help article offers a complete list of video requirements as well as troubleshooting information.](#)

Link Your Positions to Your Fair Registration

To help drive students to your virtual booth, we highly recommend connecting the positions you're recruiting for to your fair registration. Students are making decisions about which employers they want to spend their time speaking with, and being able to easily see your positions can help them make the decision to sign up for your session. [View this Handshake Help article for information about how to link your posting to your registration.](#)

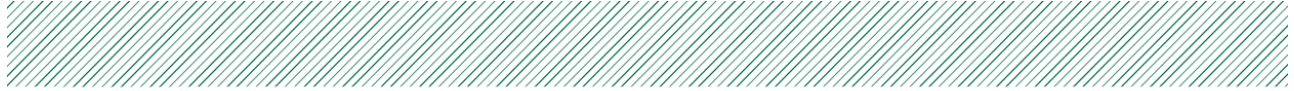

This Week on Tune In ...

Meet the members of our Career Planning Team in this Friday's **Tune In** session! Our Career Planning Team meets with our students to help them navigate their career journeys as they move from our classrooms to your workspaces. Establishing a relationship with the Career Consultant related to the areas you recruit within can help you build brand awareness on campus and connect with our students more effectively.

[Join us Friday, September 11](#) at 1 p.m. (EDT) to meet the Career

Consultants, and at 1:30 p.m. (EDT) for the question and answer portion of our **Tune In** session.

[Visit our website](#) to view recordings of our earlier webcasts and to access PDFs of our previous newsletters.

WE ARE OPEN

Getting Support This Fall

USF Career Services on the Tampa campus has reopened with limited in-office hours. Currently, we're providing limited access to help protect our students and those who are on-campus to support them.

Our office will have modified hours for in-person operations from 10 a.m. until 2 p.m. (EDT). If you have a need to visit the USF Tampa campus in-person, you **must** call ahead to arrange your visit. Face coverings will be required at all times inside all buildings.

Please remember that we're still here to support you virtually! Send us an email at RecruitUSF@usf.edu for virtual assistance from our Employer Relations and Marketing teams.
