# **RECRUIT AT USF**

September 14, 2020

### **Wishing you a great recruiting week!**

We want to extend best wishes for a successful recruiting week as the Bulls Connect Career Fairs begin tomorrow! **THANK YOU** to all of the participating employers who are helping our students and alumni continue on their paths for lifelong career success; we couldn't do this without you! Go Bulls!

### **Looking For Help During this Week's Bulls Connect Virtual Fairs?**

If you are participating in this week's Bulls Connect virtual career fairs and need assistance, we have set-up a Microsoft Teams meeting that you can join.

**Daily:** Tuesday thru Friday

**Hours:** 8:00 a.m. until 4:00 p.m. (EST)

### **Test Your Video with Handshake's Video Tool**

Handshake has recommended that employers **take a few moments to test video performance** before the fairs to make sure that your device and browser will function well on the day of the fair. The Google Chrome and Mozilla Firefox browsers work best with

Handshake's video tool. [This Handshake Help article offers a complete list of video requirements as well as troubleshooting information.](#)

### **This Week On Tune In ...**

This Friday, September 18, there will be no **Tune In** session as we support our employer partners during the Bulls Connect Careers In Accounting fair!

Join us on [Friday, September 25](#) at 1 p.m. (EST) for our next episode and meet our Internships and Career Readiness Team. This team works with students to help them find and get the most out of their internship experiences. The team also works with departments, colleges, and employers on the development and successful implementation of internship programs.

[Visit our website](#) to view recordings of earlier **Tune In** webcasts and to access PDFs of previous **Recruit at USF** newsletters.

### **Recruiting Trends Survey Invitation**

We invite our employer partners to participate in [the annual Recruiting Trends Survey](#). This is your chance to share your insights on the current conditions graduating students will encounter as they begin their job searches. Each year, Recruiting Trends provides the most current, accurate and comprehensive report to guide both students and employers in their decision-making.

**Even if you will not be hiring college graduates during the 2020 – 2021 academic year**, we encourage you to [complete those portions of the survey](#) that remain relevant. The full survey takes about 20 minutes to complete.

Please [complete the survey](#) by September 21.
