

RECRUIT AT USF

September 30, 2020

This Week on Tune In ...

Meet the members of our Internships & Career Readiness Team in this Friday's **Tune In** session! Our Internships & Career Readiness Team helps our students gain career-related experiences through part-time employment and internship and Cooperative Education (Co-op) opportunities. Establishing a relationship with our Internship & Career Readiness team can help you develop attractive experiential learning programs that benefit both your organization and the students you hire.

Join us Friday, October 2 at 1 p.m. (EDT) to meet the Internships and Career Readiness Team, followed by time for questions and answers.

Miss our session about USF's Co-op Program? Visit our website to view recordings of our earlier webcasts and to access PDFs of our previous newsletters.

Getting Support This Fall

USF Career Services on the Tampa campus has reopened with limited in-office hours. Currently, we're providing limited access to help protect our students and those who are on-campus to support them.

Our office will have modified hours for in-person operations from 10 a.m. until 2 p.m. (EDT). If you have a need to visit the USF Tampa

campus in-person, you **must** call ahead to arrange your visit. Face coverings will be required at all times inside all buildings.

Please remember that we're still here to support you virtually! Send us an email at RecruitUSF@usf.edu for virtual assistance from our Employer Relations and Marketing teams.
