

## Bachelor of Arts/Science in English Education w/ESOL Endorsement

English Education is a field of study that includes the teaching and learning of the English language arts. This includes the preparation of teachers who, in turn, prepare middle and secondary school students to be creative, literate individuals who contribute to the cultural, social, and economic health of their communities. The objective of the program is to provide prospective teachers with the skills required to teach 6-12 students to critically read, write, speak, listen, and view, using literature and language as the vehicle for learning.
