

GET THE JOB

WORKSHOP SERIES

Are you ready to Get The Job?

Join Career Services and the USF Libraries for an exciting workshop series to guide you step-by-step in the job search process - including creating a standout resume, discovering opportunities, gaining career-related experience, exploring your career options, connecting with employers, and successfully completing an interview! We show you the tools to market yourself and feel confident in your job search! You'll be that much closer to hearing those sweet words **"You're Hired!"**
