

William Arthur Monaco, O.D., MEd, Ph.D.
31987 Mardelle Pl., Wesley Chapel, Florida, 33543
(302) 598-3698 (cell)
flvingorb16@gmail.com

A visionary team leader extensive leadership experience in military, academic and corporate settings. Distinguished award recipient for lifetime achievement in healthcare settings.

Leadership Positions

2018-Present – Research Optometrist, Brain Injury Vision Assessment and Rehabilitation/Polytrauma Optometry, James A. Haley Veterans' Hospital, Tampa FL

2016-Present – Courtesy Professor, School of Aging Studies, University of South Florida, Supervising and directing faculty research efforts

2014-2016 – Associate Dean, Biomedical Sciences Program, Salus University, implemented a worldwide distance learning program

2008 – 2016 – Associate Director of MPH Program and Special Assistant for Program Development, Office of Academic Affairs, Salus University. Responsible for the development and implementation of six major university programs.

1986 – Present – Professor, Salus University, Pennsylvania College of Optometry

2016-Sept-October – Interim Chair, Department of Optometry, Qassim University, Saudi Arabia, served as chair of the program for accreditation preparation and review.

2008 – 2015 – Adjunct Professor, University of Delaware, Nursing Program

2008 – 2015 – Faculty, Acadia University, Physician Assistant's Program

2000 – 2015 – Private Practice – Aviation & General Practice Optometry, Wilmington, DE. International vision expert in aviation and consultant to the Federal Air Surgeon in Washington DC

2002 – 2015 – President, Caring Vision, Inc., Practice limited to nursing home eye care. Grew the largest nursing home practice in Delaware.

2004 – 2009 – Research Optometrist, U.S. Army Research Laboratory, Aberdeen, MD. Research dedicated to Warfighter human performance.

2003 – Present – Special Consultant to the Federal Air Surgeon, Washington, D.C.

1999 – 2005 – Pennsylvania College of Optometry, Clinical Faculty, Professor

1997 – 1999 – Veterans Health Administration – Director, Optometry Service, Washington, D.C. Responsible for 277 optometrists nationwide in 177 VA hospital facilities.

1992 – 1997 – Northeastern State University – Dean, College of Optometry, Tahlequah, Oklahoma. Built the finest clinical program for optometrists in the country. Worked cooperatively with the Cherokee Nation to create a Rural Eye Program that continues today, to benefit the Native Americans while advancing the educational experience of our students.

1991 – 1997 – Tenured Professor, Anatomy, Physiological Optics, and Environmental Vision, Northeastern State University, College of Optometry, Tahlequah, Oklahoma.

1990 – 1991 – St. Vincent's Medical Center – Research Director, Heart and Lung Institute, Jacksonville, Fl. Responsible for creating and implementing a center of excellence in Heart and Lung research.

1968 – 1990 – United States Navy – Clinical Optometrist, Research Director, Residency Research Director. Responsible for Residency research for 877 residents in 13 states along the Atlantic seaboard.

Professional Preparation

Doctor of Philosophy, University of Houston Areas of study: Physiological Optics, Cell Biology.

Master of Science in Education, University of Southern California.

Doctor of Optometry, Southern California College of Optometry.

Papers, Thesis and Dissertations Mentored:

Hoyer, S, Bachman, R -"There is a UV protective effect from pterygium formation in patients who wear Acuvue Oasys contact lenses over conventional spectacle lenses, September 2013. (International Student Report)

Andrew Hardison, "The Relationship Between Alcohol Abuse in Men and Women in the Military and Stressors from a Military Work Environment: An Intervention Strategy", May 2014 (MPH)

Manikandan Rajapa, "Last name vs. "Date of Birth" in Electronic Health Record Systems", May 2014 (MPH)

Pamela Di Mattina, "The Preventable Tragedy of Suicide in Elderly Males," November 2015 (MPH)

Robert Andersson "Justifying the Need for Mandated Comprehensive Eye Care in Nursing Homes," May 2018 (Dissertation PhD Biomedicine)

Naganathan Muthuramalingam "The Effect of Climate Change on Eye Health" May 2018 (MPH)

Sally Dang "A Veterans Administration Model for Eye Care Delivery," May 2018 (MPH)

Publications – Chapters and Books

- 1982 "Retrolental Fibroplasia: Efficacy of Vitamin E in a Double-Blind Clinical Study of Pre-Term Infants," Hittner, H.M., Godio, L.B., Rudolph, A.J., Adams, J.M., Garcia-Pratz, J.A., Friedman, Z., Kautz, J.A., and Monaco, W.A., Special Ross Laboratories (Booklet).

Service – Military and Government

1968 – 1990 Active Duty U.S. Navy, Retired as Full Commander.

1970 – Present – Armed Forces Optometric Society.

1982 – 1986 – Navy Sponsor Representative, National Research Council, Committee on Vision.

1997 – 2000 – Member, VA Association of Military Surgeons of the United States.

1998 – 1999 - VA National Advisory Group on Managed Care; Chair, Provider Management Subgroup.

1997 – 1999 - Chair, Prosthetic Benefits Management (PBM) Medical Advisory Group – Optometry/Ophthalmology.

1997 – 1999 - Member, Advisory Group, National Eye Health Education Partnership, National Institutes of Health.

1997 – 2002 – Member, Rehabilitation Research and Development Service Scientific Merit Review Board.

1999 – 2002 – Rehabilitation R&D Scientific Review and Evaluations Board, Department of Veterans Affairs, Washington, D.C.

2002 – Present – Special Consultant to the Federal Air Surgeon for Vision Physiology & Optometry, Washington, D.C.

2004 – 2009 – Department of Defense, U.S. Army Medical Research and Materiel Command, Peer Reviewed Medical Research Program, Reviewer for vision research.

Academia

1991 – 1997 – Sigma Xi, Scientific Research Society.

1992 – 1997 – Member, Board of Directors, Association of Schools and Colleges of Optometry.

1993 – 2009 – The Prentice Society.

1995 – 1997 – Chair, Residency Affairs Committee, Association of Schools and Colleges of Optometry.

2001 – 2011 – Clinical Examiner, National Board of Optometry.

2005 – 2007 Health Resources and Services Administration, OAT Grant, Pennsylvania College Optometry faculty site coordinator.

2017-2018 USF-WellCare of Florida Caregiver Support Training Program Grant, University of South Florida, Consultant

2019-2021 Ed and Ethel Moore Alzheimer's Disease Research award #9AZ28, University of South Florida, Consultant

Professional Activities

1997 – 2014 – Member, Board of Directors, InFOCUS Program.

1990 – Present – American Public Health Association.

1984 – 2012 – Aerospace Medical Research Association, Associate Fellow.

1981 – Present – Diplomate, American Academy of Optometry.

1972 – Present – American Optometric Association.

1970 – Present – Armed Forces Optometric Society.

2012 – Distinguished Scholar and Fellow, National Academies of Practice

2004 – 2005 – Chairman, Vision Care Section, American Public Health Association.

1992 – 1996 – Action Board Representative, American Public Health Association.

1996 – 1997 – Chair, Rural Health Project Team, American Optometric Association.

1996 – 1997 – Chair, Council on Research, American Optometric Association.

1997 – 1999 – Section Council, American Public Health Association.

1998 – 1999 - Rural Health Policy Board Representative, National Rural Health Association.

2015 – 2016 - Salus University Presidential Appointment, Middle States Commission on Higher Education Periodic Review Report (MSCHE-PRR) Committee

2020 - Present - International Journal of Current Research and Review (IJCRR)
Editorial Board Member

Community

1993 – 1997 – Board of Directors, Oklahoma Rural Health Care Authority.

1995 – 1996 – Member, Board of Directors, Chamber of Commerce, Tahlequah, Oklahoma.

1992 – 1997 – Oklahoma Area Health Education Center, Board of Directors.

2003 – Present – Member, The American Legion, Delaware Chapter

Life Member – The Retired Officer's Association, Northeastern Chapter

Life Member – Charter Member, Armed Forces Optometric Society

Awards

- 1981 – Diplomate – Public Health and Environmental Optometry, American Academy of Optometry.
- 1988 – Navy Achievement Medal, Distinguished Service as Regional Research Administrator Southeastern Region.
- 1989 – Commendation Medal, Distinguished Service, Research Director.
- 1990 – Publisher's Award, Professional Pilot Magazine, "Year's Most Popular Article."
- 1997 – Louis Gorin Award for Outstanding Achievement in Rural Health Care, National Rural Health Association.
- 1997 – Presidential Award for Outstanding Contributions to the Profession, Oklahoma Optometric Association.
- 1998 – Citation of Congratulations for Exceptional Service to Northeastern State University and the Citizens of the State of Oklahoma, Presented by the Oklahoma State Legislature.
- 1998 – Certificate of Special U.S. Congressional Recognition from Representative Tom Coburn for Service on the Congressional Medicare/Social Security Advisory Committee.
- 2015- Orion Award, for lifetime of contributions to the Armed Forces Optometric Society.
- 2018 – Meritorious Service Award, Salus University.

U.S. Government

- 1999 – Commendation from the Under Secretary of Health, Department of Veterans Affairs for outstanding contributions as Director, Optometry Service.
- 2009 – Certificate of Appreciation, Department of the Army, U.S. Army Research Laboratory, for Service from 2004 – 2009.

Teaching and Consultantships

- 1975 – 2000 Airman Certificate, Flight Instructor – Instruments.
- 1994 – 1997 – Consultant, State Political Education and Statutory Scope Committee, American Optometric Association.
- 1999 – 2007 – Adjunct Research Professor – Pennsylvania College of Optometry, Philadelphia, PA.
- 1981 – Present - Federal Aviation Agency – Vision Standards Consultant.

1986 – 1992 – Faculty, Aircraft Owners and Pilots Association – Air Safety Foundation, Flight Instructor Lecture Team.

1981 –1986 – National Science Foundation – Committee on Vision.

1986 – 1990 – Helicopter Association International – Medical and Safety Lecture Series.

2003 – Present – Scientific Reviewer for the American Institute of Biological Sciences.

2006 –2009 Union Pacific Railroad Consultant for Vision Standards

2009-2013 – Adjunct Associate Professor – University of Delaware, School of Nursing

2009-Present-Full Professor, Salus University

2016-Present-Courtesy Professor, University of South Florida

2018-Present – Research Optometrist, James Haley Veterans Hospital, Tampa Florida

Licenses and Privileges Optometric

1987 Pennsylvania
1999 IAB – Parts I, II and TMOD
2000 Delaware

Staff Privileges

2000 – 2012 – Delaware State Hospitals, full optometric privileges.
2020-present - James Haley Veterans Hospital, Tampa Florida

Conference Presentations – Academia

1980 – The Association for Research in Vision and Ophthalmology. "A Clinical and Histological Evaluation of the Effects of Vitamin E on Retinopathy of Prematurity."

1981 – Special Ross Laboratories Conference on Retinopathy of Prematurity. "Retrolental Fibroplasia: Efficacy of Vitamin E in a Double-Blind Clinical Study of Pre-Term Infants."

1981 – American Academy of Optometry. "The Efficacy of Vitamin E in Reducing the Severity of Retrolental Fibroplasia."

1984 – New York Academy of Sciences. "Vitamin E and RLF: Ultrastructural Support of Clinical Efficacy."

1984 – American Aging Association, Fourteenth Annual Meeting, New York. "The Effects of Aerobic Fitness on Visual Performance."

1987 – 1992 Federal Aviation Agency. "Collision Avoidance Seminar Series," Presented Seminars Throughout Northeastern United States.

- 1988 – Society for Research Administrators, Boston, Massachusetts. "U.S. Navy Clinical Investigation Program."
- 1991 – American Optometric Association Conference, Nashville, Tennessee. "Computer Generated Mid-Air Collision Avoidance Scenarios and Carrier Landings."
- 1992 – Laser Technology Course, Northeastern State University College of Optometry, Tahlequah, Oklahoma. "Laser Hazards."
- 1992 – Subcommittee on Common Education, Missouri Southern State College, Joplin, Missouri. "Cardiovascular Disease."
- 1994 – University Therapeutics Course, Northeastern State University College of Optometry, Tahlequah, Oklahoma. "Herpes Simplex: Diagnosis, Management, and Treatment."
- 1994 – University Therapeutics Course, Northeastern State University College of Optometry, Tahlequah, Oklahoma. "Punctal Plugs."
- 1994 – American Optometric Association, State Legislative Conference, St. Louis, Missouri. "About Optometric Education."
- 1994 – 1997 – American Academy of Optometry. "Cornea-Copia: Debridement, Anterior Stromal Puncture, and Morgan Lens."
- 1995 – 1997 American Optometric Association Congress, "Aviation Vision: How to Care for Aviation-Oriented Patients."
- 1998 – Meeting of the VA Advisory Committee on Prosthetics and Special Disabilities Programs, Washington, D.C. "Eye Care."
- 2006 – Morgan State University, Industrial Engineering Graduate Program, "Auditory and Visual Issues in Human Factors."
- 2008 – 2009 Arcadia University Physician Assistants Program, "Medical Management of Ocular Disease."
- 2009 – American Public Health Association, Annual Meeting, "Vision Care Access and Quality of Life in Nursing Homes."
- 2015- American Academy of Optometry, Annual Meeting "A New Algorithm for Measuring Visual Acuity."
- 2016 – American Academy of Optometry, Annual Meeting "Effective Snellen Fraction as the Standard Visual Acuity Score: "One-to-All" Algorithm."
- 2019 – American Academy of Optometry, Annual Meeting "Vision Loss Among Delaware Nursing Home Residents."
- 2019 – Gerontological Society of America, Annual Meeting "A Music and Mindfulness Intervention for Persons with Dementia and Their Family Caregivers."

- 2020 - Gerontological Society of America Annual meeting “Brief Mindfulness Intervention for Family Caregivers of Persons with Dementia: A Pilot Study, Hongdao Meng, Debra Dobbs, Punam Risal, Lindsay Peterson, Britney Veal, William Monaco
- 2020 “Prevalence of Vision Loss and Associations with Age-Related Eye Diseases Among Nursing Home Residents Aged ≥ 65 ” Monaco, W, Crews, J, American Medical Directors Association National Meeting.

Invited Presentations

- 1980 – Naval Medical Research Laboratory – Pensacola. "How Methods of Evaluating Cytological Destruction in Newborns Can Be Related to Applied Problems in Adults."
- 1984 – Tri-Service Aeromedical Research Panel Fall Technical Meeting. "Air-to-Air Target Detection.”
- 1994 – Armed Forces Optometric Society Conference, Pensacola, Florida. "Diabetes: Current Classification and Management."
- 1999 – Federal Aviation Administration, Flight Safety Seminar, Ocean City, Maryland. "How to Survive the Aviation Medical - New Technology for Pilots Vision."
- 2003 -Army Research Laboratory, Visual and Auditory Processes Branch, “Vision and Target Acquisition Performance."
- 2017- Finnish Association of Optometry, Annual Meeting, Nae2017 Keynote Speaker “International Development of Optometry-Shared Care Responsibilities.”
- 2017- Finnish Contact Lens Association, Annual Meeting Nae2017 Keynote Speaker “Aging Vision and How This Affects Eye Care Standard of Care.”
- 2018 – American Health Innovations Winter Optometry Seminar, “Aging Demographics and Optometric Services in Nursing Homes.”
- 2018- First Educational Day of Optometry in Qassim Conference (Keynote Speaker), “World Aging and the Practice of Optometry in Saudi Arabia-The Future”
- 2018- USF, Geriatric Workforce Enhancement Symposium, “What You See is What You Get.”
