B.S. University of Florida, Major in Psychology, Minor in Spanish, May 2018
RBT Behavior Analysis Certification Board, 2017, ID Number BACB373445

RESEARCH EXPERIENCE

Thesis, University of South Florida, Tampa, FL, May 2019 to present.

Faculty Advisor: Raymond Miltenberger, PhD, BCBA-D

Comparing the effects verbal feedback and video feedback on the performance of dance skills.

Co-author, University of South Florida, Tampa, FL, September 2019 to present.

Principle Investigator: Jennifer Cook, PhD

The peculiarities of runners: A survey of runners' behavior and factors influencing running.

Responsibilities include categorizing survey data, collecting interobserver agreement data, and checking for errors during data collection.

Research Assistant, University of South Florida, Tampa, FL, September 2018 to December 2018.

Principle Investigator: Merritt Schnek, PhD

Evaluating the effects of video self-evaluation and video feedback on the performance of a golf swing.

Responsibilities included assisting with data collection during session, collecting interobserver agreement data, and calculating treatment integrity.

Undergraduate Research Assistant, University of Florida, Gainesville, FL, August 2015 to May 2018.

Principle Investigator: Dr. Brian Iwata, PhD

Supervisor: Leah Koehler, PhD, BCAB-D

Responsibilities included conducting current research protocols on functional analysis methodology, conducting preference assessments, serving as a lead therapist, collecting and managing data, and training incoming research assistants on various procedures.

Undergraduate Research Assistant, University of Florida, Gainesville, FL, August 2016 to May 2018.

Principle Investigator: Timothy Vollmer, PhD, BCBA-D

Supervisor: Meghan Deshais, PhD, BCBA

Responsibilities included preparing materials for research sessions, collecting accurate and reliable data for grooming, variable-interval FA, and trial-based FA protocols, and participating as a lead therapist in an imitation protocol. Other tasks include conducting literature reviews.

CLINICAL EXPERIENCE

Manager, ABA Sports Innovations, Tampa, FL, May 2019 to present.

Owner: Mallory Quinn, PhD, BCBA

Duties include creating behavior analytic content for social media, writing and editing papers for publication, conducting clinical sessions, and developing POINTE program training materials.

Behavior Therapist, Achieve Behavior Partners, Tampa, FL, January 2019 to present.

Partners: Jessica Shea, M.S., BCBA and Karen Austin, Ed.S., BCBA

Duties include following current behavior plans for problem behavior, creating protocols to address problem behavior, collecting data on target behavior, communicating with teachers in school, facilitating social interactions between client and peers.

Instructor, Precision Teaching Learning Center, Wesley Chapel, FL, October 2018 to July 2019.

Clinical Director: Kerri Milyko, PhD, BCBA-D

Duties included implementing precision teaching methodology to teach component skills, updating charts to make data-based decisions, collecting data throughout the session, and developing rapport with clients.

TEACHING

Course Development, University of South Florida, Department of Child and Family Studies, March 2019 to May 2019

Supervision Course

Lead Faculty: Rachel Scalzo, PhD, BCBA-D

Instructor: Jennifer Cook, M.S., BCBA

Responsibilities included developing study questions and answer keys for students, reading articles related to supervision, and editing study guides.

Graduate Teaching Assistant, University of South Florida, Department of Child and Family Studies, January 2019 to March 2019

Applied Behavior Analysis: Basic Principles

Lead Faculty: Raymond Miltenberger, PhD, BCBA-D

Instructor: Jennifer Cook, M.S., BCBA

Responsibilities included assisting with course components such as grading quizzes and exams, providing corrective feedback on incorrect answers, and facilitating quick return of feedback and grades to students.

Undergraduate Teaching Assistant, University of Florida, Psychology Department, August 2017 to December 2017.

Applied Behavior Analysis

Professor: Brian Iwata, PhD

Graduate Teaching Assistant: Leah Koehler, M.S., BCAB

Responsibilities included assisting with course components such as grading papers, creating tests that evenly address content from every lecture, resolving issues with grading and facilitating quick return of papers to students.

MANUSCRIPTS IN PREPARATION

Quinn, M J., Blair K. C., Deshmukh, S. & Novotny, M. A. Feasibility of using the POINTE program by dance instructors to improve dance performance.

Cook, J. L., Miltenberger, R. G., Livingston, C., Deshmukh, S., & Buttice, J. The peculiarities of runners: A survey of runners' behavior and factors influencing running.

CONFERENCE PRESENTATIONS

Presenter, Association of Behavior Analysis International, to be presented May 2020.

MEMEBRSHIP IN PROFESSIONAL SOCIETIES

Association for Behavior Analysis International

October 2019

Florida Association for Behavior Analysis

March 2019

AWARDS
