

Clinical Rehabilitation & Mental Health Counseling

50th Anniversary **Speaker Series**

Save the Date

Dr. Vicky Buckles, Associate Professor of Instruction and Director of the Addictions and Substance Abuse Certificate, will host a free professional development opportunity.

Wednesday • November 16 • 12PM EST

Behavioral Health and the Holidays: Strategies for Therapists

As we approach the holidays, Dr. Buckles invites you to consider how therapists can best serve their clients during this particular time of year. The event will be hosted on Teams and is open to students, faculty, alumni and community partners.
