EDUCATION

- M.A. University of South Florida, Applied Behavior Analysis May 2002
Thesis: Positive Behavior Support/Applied Behavior Analysis
Committee: Glen Dunlap, Lise Fox, Joshua Harrower
- B.S. University of South Florida, Psychology May 1986
Minor: Sociology

PROFESSIONAL CERTIFICATION

Board Certified Behavior Analyst (BCBA) Certificate #1-06-2910!

HONORS AND AWARDS

- The 2011 Professional Poster Presentation Award Title of Award 2011
The Annual North Carolina Association for Behavior Analysis Conference.
Charlotte, North Carolina.
- The TASH 2004 Thomas G. Haring Award for Excellence in Research 2004
for the Quality and Significance of the article: "Recapturing Desired
Family Routines: A Parent-Professional Behavioral Collaboration" RSPD, vol 29 (1).
- The TASH 1998 Thomas G. Haring Award for Excellence in Research 1998
for the Quality and Significance of the Article: "Parent Professional
Partnership in Behavioral Support: A Case Study of Community Based Intervention".

PROFESSIONAL EXPERIENCE

2008-present: Faculty Research Associate, Florida Center for Inclusive Communities, College of Behavioral and Community Sciences, University of South Florida. This faculty position involves project management and collaborative responsibilities across multiple programs and grant funded projects within the Florida Center for Inclusive Communities, Department of Child and Family Studies, College of Behavioral and Community Sciences, University of South Florida, Tampa, Florida. As a Faculty Research Associate, I am responsible for directing and/or coordinating a number of applied research endeavors across

multiple projects within The Florida Center for Inclusive Communities. This position involves collaboration and development of empirical research in coordination with various grant funded projects and faculty members within The Department of Child and Family Studies. These research investigations focus on the development and completion of empirical studies reflecting Early Intervention, Applied Behavior Analysis, Universal and Individualized PBS Supports, PTR-Transition to Work, Family Engagement, and Positive Behavior Support, targeting individuals and classrooms with challenging behaviors in home, school and community environments. This position also emphasizes the development of observational data collection systems that reflect an empirical and rigorous foundation in order to document scientific outcomes and measures. The Research Associate role requires creating data collection systems, with a knowledgebase of the current assessments and data collection system that have proven validity and reliability, in the behavioral sciences arena.

CURRENT RESEARCH RESPONSIBILITIES

Program-wide Supports for Pyramid Model Implementation (PWS-PMI)
Florida Center for Inclusive Communities/ University Center for Excellence in
Developmental Disabilities Education: Coach/Researcher

Program-Wide Positive Behavior Supports: Behavior Analyst

ABA Graduate Program: Faculty Member: Practicum Supervisor, Thesis Committee
Member

Intervention Research and Trends Program (IRTP): Primary Investigator

PREVIOUS RESEARCH RESPONSIBILITIES

*MOTIVATED (Development and Pilot Testing of Modular-based Consultation using
Evidence-Based Practices for Teachers of Students with Emotional Disturbance):* Study
Coach Coordinator

USF/CBCS Interdisciplinary Center for Evaluation and Intervention (ICEI):
Behavior Analyst

Prevent-Teach-Reinforce-Transition Aged Youth: Applied Researcher

University of Washington Head Start Collaborative: National Center for Quality Teaching
and Learning (NCQTL): Reciprocal Peer Coaching in Head Start Classroom: A Pilot Study.
Principal Investigator.

Examining the Potential Efficacy of a Classroom Wide Intervention for Promoting Social
Emotional Development and Addressing Challenging Behavior in Preschool Children with
and without Disabilities: Classroom Coach and Research Data Analyst.

Technical Assistance Center on Social Emotional Intervention for Young Children:
Researcher Data Analyst.

Positive Family Intervention Project: Research Consultant, Parent Coach

Division of Applied Research and Educational Support: Behavioral Consultant

INSTRUCTIONAL EXPERIENCE

Master's Thesis Committee Member; Faculty thesis committee member for a number of students pursuing Master's degree within the Applied Behavior Analysis Graduate Program, College of Behavioral and Community Sciences, University of South Florida, Tampa, FL. Topics: Single-Subject Research in Applied Settings, Early Childhood Interventions in Classroom Settings, Social Skills Training for Children with Autism, 2006-present.

Interdisciplinary Trainee Mentorship; Responsibilities include providing graduate and doctoral students in the Applied Behavior Analysis advanced degree program an opportunity to gain both clinical and research experiences through their work within The Florida Center for Inclusive Communities and the Intervention and Trends Intervention Project. Mentoring was provided to students and collaboration with professionals was promoted across contexts and environments, and to assist in the development of new initiatives to help better serve families. Currently, two doctoral students and ABA faculty members are teaming and learning the process for completing trend analyses in intervention research for manuscript development and publications as well as literature reviews for thesis development and dissertation references.

Practicum Supervisor BCBA; Following the guidelines of the Behavior Analysis Certification Board (BACB) for supervision, responsibilities included designing a learning program to fit the level of experience of the student, while incorporating the student's personal and professional goals. Based on best practices, the student learned about theory, and practice in a natural pre-school context, and eventually was able to demonstrate their skills independently.

Invited Guest Lecturer, University of South Florida; Conducted within research seminars at USF across multiple programs (Doctoral and Masters level); Department of Psychology, Department of Special Education, Division of Applied Research and Educational Support Research Seminar, ABA Functional Assessment/Single Subject Design Courses (Masters level; Applied Behavior Analysis Graduate Program), University of South Florida, Tampa, Florida. May 2000-Present.
