- Online Instructor Certification (USF, Spring 2023, CITL)
- Completed Inclusive and Equitable Pedagogy Course (Fall 2023, USF, CITL)
- Completed Peer Observation Program (Spring 2024, USF, CITL)
 - CITL: Center for Innovative Teaching and Learning, USF

Career Experience

AUGUST 2023 – PRESENT

UNIVERSITY OF SOUTH FLORIDA, DEPT OF CRIMINOLOGY

Visiting Assistant Instructor

- Criminology Club Advisor (May 2024 – present)
- Supervise two graduate student assistants per semester.
- Utilize the Canvas Learning Management System.
- Work closely with students from diverse backgrounds.
- Work closely with colleagues and team to ensure student success.

Fall 2024

- Teaching Drugs and Crime (CCJ 4651 live), Abnormal Behavior and Criminality (CCJ 4604 live), Special Topics: Mental Health and Substance Use (CCJ 4933 live), and Domestic Violence (CCJ 4681 online)
- Honors Thesis Advisor, Judy Genshaft Honors College

Summer 2024

- Taught Drugs and Crime (CCJ 4651 live)
- Taught Special Topics: Mental Health and Substance Use (online)

Spring 2024

- Taught Drugs and Crime, Survey of the Criminal Justice System, and Theories of Criminal Behavior live
- Developed and taught Special Topics class: Mental Health and Substance Use online

Fall 2023

- Taught Drugs and Crime and Research Methods live
- Taught Theories of Criminal Behavior hybrid
- Developed writing intensive senior seminar: Trauma in Relation to the Criminal Justice System and Crime online

JULY 2024

UNIVERSITY OF SOUTH FLORIDA, YOUTH EXPERIENCES

Camp Director, Justice Quest

- Developed a Criminology summer camp for the Youth Experiences, in the Office of University Community Partnerships.
- Leading 2 sessions for 8th – 12th graders with an interest in criminology, criminal justice, forensics.
- Collaborated with multiple community organizations to expose the campers to our Hillsborough County justice system (Hillsborough County court services, Behavioral Health Unit, Sheriff's Office Forensic lab).
- Worked closely with camp leadership, youth counselors, OPS staff, and student volunteers.

JAN 2020 – AUGUST 2023 **REDUCTION**

INT'L CONSORTIUM OF UNIVERSITIES FOR DRUG DEMAND

Deputy Director (ICUDDR)

- ICUDDR supports the rapid improvement in competencies and skills among current and future generations of addiction professionals, to meet the increasing demand for prevention, treatment and public health services.
- Partner with the Executive Director and Board of Directors to determine and implement the overall strategic direction of ICUDDR.
- Steward the implementation of the strategic framework through an inclusive, equitable, accountable, and transparent process.
- Develop, plan, and manage goal and objective-setting across the organization; monitor and report on progress against organizational objectives and milestones; and ensure alignment with organizational impact metrics.
- Plan and facilitate an annual team retreat, as well as ongoing cross-functional team discussions.
- Ensure that strategic organizational priorities and team planning goals align and cascade to individual goal setting and performance management process.
- Align annual budget and grant goals for multiple funding streams.
- Ensure processes and practices are well aligned and communicated to the team and well documented.
- Mentor and supervise team members and potential future leaders.

- Determine organizational capacity for implementation of new projects and directions, and lead on special projects as needed.
- Advise ED on internal communications and ensure transparent decision-making processes and clear direction setting.
- Engage staff/teams as appropriate in decision-making processes.
- Strengthen communication and collaboration platforms for global team interactions and information sharing, working closely with the regional and local partners.
- Strategically represent organization with key partners, funders, and donors, as needed.
- Assist ED in prioritizing issues and agenda setting for leadership and staff discussions.
- Instructional design/course development such as writing learning objectives, determining the scope of educational projects, creating the layout of the instructional material, working with subject matter experts (when I am not the subject matter expert), writing content, assisting in the development of audio, visual, and interactive media aids, planning and creating assessments. One example is the Adult Learning Principles course started in Jan 2022.
- Planned, coordinated, and implemented the 2021 ICUDDR Virtual Conference.
- Sustaining and Adapting Addiction Science to Virtual Realities. Two hundred participants, approx. 20 sessions, and global rep of both presenters and participants. Content available at <https://icudr2021.conferencecontent.net/agenda/2021-07-21>
- Start addiction studies initiatives in underserved areas such as the ICUDDR Uganda walk-through and consultation training (Nov 2020-Feb 2021).
- Serve to facilitate mission of ICUDDR with international teams including “Parents Living with Substance Use Disorders during COVID-19” work group.
- Coordinate first annual virtual conference with presenters from all across the world with panels representing Asian-Pacific, African, and Latin American regions; had 273 unique participants, representing 46 countries; fully bilingual (Spanish-English)/simultaneous translation.
- Coordinate the Annual ICUDDR Conference, including planning, implementation, and participation in the conference.
- Provide training on the UTC or UPC to university partners interested in developing education programs or using the materials in existing programs.
- Provide consultation to University drug demand reduction education programs.
- Plan and implement ICUDDR meetings and presentations at the annual ISSUP/International Addictions conference.
- Participate and provide presentations at meetings and conferences (domestic, international) related to ICUDDR and partner organizations
- Convene meetings with member committees/sub-committees
- Maintain and update membership list and communicate with new members
- Facilitate member learning collaboratives and webinars
- Collaborate with UPC/UTC Coordinating Centers to plan and implement activities to disseminate the UPC and UTC curricula
- Liaison with ISSUP and other partner organizations
- Assist in marketing and media/public relations activities

JUNE 2021 – SEPT 2021

UNIVERSITY OF SOUTH FLORIDA

Master Trainer, Train-the-Trainer, Mentorship (Consultant on Int'l grant)

- Developed the train-the-trainer curriculum for experienced trainers who want to become Mentors for the UTC Mentorship Curriculum. Conducted the sessions as the Master trainer.

SEPT 2019 – AUGUST 2020

UNIVERSITY OF CA – SAN DIEGO

PROGRAM ADMINISTRATOR (CONSULTANT ON INTERNATIONAL GRANT)

- Provide administrative support for the organization and implementation of Universal Treatment Curriculum basic course trainings in three countries - Serbia, Albania and Ukraine including communication with University personnel, trainers for the UTC, participants in the training, and others.

JAN 2017-JAN 2020

INT’L CONSORTIUM OF UNIVERSITIES FOR DRUG DEMAND

REDUCTION

Coordinator (ICUDDR)

- Coordinate global conferences, trainings, and meetings including planning, implementation, and participation (Prague, Europe; San Diego, CA; Cusco, Peru).
- Plan and implement ICUDDR meetings and presentations at the annual ISSUP/International Addictions conferences.
- Participate and provide presentations at meetings and conferences (domestic, international) related to ICUDDR and partner organizations.
- Convene meetings with member committees.
- Facilitate member learning collaboratives and webinars.
- Liaison with ISSUP and other partner organizations.
- Assist in marketing and media/public relations activities including creating and implementing professional newsletters.

JUNE 2017-JAN 2020

UNIVERSITY OF SOUTH FLORIDA (USF)

ASSISTANT DIRECTOR, UTC COORDINATING CENTER OF NORTH AMERICAN UNIVERSITIES

- Goal of this center was to engage partners to effectively train treatment practitioners on evidence-based knowledge and skills in addiction treatment.
- Mentor for pilot mentorship program, Basic Counseling for Addictions Professionals. Provided guidance to international addictions professionals in inaugural run-through of the mentorship program utilizing curricula created on this project.
- Develop materials to evaluate participant outcomes and administer survey forms at various intervals following participation in Universal Treatment Curriculum (UTC) training programs.
- Develop an integrated set of mentorship activities that provide structured follow-up training opportunities for participants who have completed UTC courses. Develop a web-based resource library to augment mentorship activities.
- Coordinate meetings of the Advisory Committee for the UTC Coordinating Center, including establishing a process for convening committee meetings and identifying short and long-term goals and products for the Center.
- Developed, launched, and currently maintain UTC Coordinating Center website.
- Identify North American Universities that may be interested in implementing the UTC and disseminate information about the curriculum.

- Compile a database of participating North American Universities to track how the UTC is being used and maintain contact information.

FEBRUARY 2015-MAY 2017 DRUG ABUSE COMPREHENSIVE COORDINATING OFFICE

Training and Staff Development Coordinator (DACCO)

- Responsible for training programming for 300+ employees.
- Created trainings to assist in onboarding, recruitment, and retention as well as enhance skill base of all staff.
- Created multi-day training for new clinicians and case managers.
- Created training opportunities for licensed practitioners to be able to supervise those seeking licensure.
- Mentored employees to obtain certifications in behavioral health field.

MAY 2002-AUGUST 2012 DRUG ABUSE COMPREHENSIVE COORDINATING OFFICE

DIRECTOR, OUTPATIENT SERVICES

- Supervised all programming for outpatient services including the Drug Court program and Intensive outpatient.
- Monitor and advise clinical staff in client decisions, curriculum, and training.
- Ensure compliance for all licensure, accreditation, and funding sources including DCF, CARF, and DOC.

Director, Residential Services and Prison Diversion Program

- Report directly to Chief Operating Officer on all Residential and Prison Diversion issues including, but not limited to, clinical programming, budgeting, outcomes, policies, training, staffing, facilities.
- Provide trainings on motivational enhancement techniques, coping with resistance, domestic violence, customer service, and other topics as needed.

ASSISTANT DIRECTOR, RESIDENTIAL SERVICES

- Supervise Management team for three Residential sites, Department of Corrections (DOC) outpatient program, and transitional living facility.
- Ensure compliance for all licensure, accreditation, and funding sources including DCF, CARF, and DOC. Maintain budget as it pertains to facilities, staffing, and overall needs.
- Implement best practices, curriculum, evidence-based materials, and train. Conduct fidelity checks and continual training.

Program Coordinator, Women's Residential facility

- Program Coordinator for 6-month residential treatment program for women, utilizing a modified therapeutic community approach; capacity 60 residents.
- Supervise Counselor Supervisor, Support Staff Supervisor, and clinical and technician staff.

- Conduct intake interviews and clinical staffings; facilitate interdisciplinary treatment team meetings; conduct agency trainings for new staff; lead Domestic Violence and other therapeutic and educational groups; oversee hiring process for facility.
- Monitor co-occurring services and progress towards stronger dual diagnosis program including meeting requirements to receive funding for co-occurring services.
- Maintain standards of 65D-30 documentation and requirements of DOC contract.

COUNSELOR, SAMI (SUBSTANCE ABUSING MOTHERS AND THEIR INFANTS) PROGRAM

- Primary Counselor for clients during the first stage of intensive outpatient treatment.
- Conduct therapeutic groups and one-on-one sessions. Create curriculum for and conduct domestic violence classes & substance abuse education groups, conduct evidenced-based trauma groups (Seeking Safety), as well as focus and process groups. Liaison with probation officers, children and family workers, and other referral sources for clients.
- Conduct agency trainings in Domestic Violence issues.

MARCH 2001-MAY 2002

UNIVERSITY OF SOUTH FLORIDA

Program Assistant, Educational Outreach

- Assisted non-traditional students from admission to graduation of distance learning program; facilitated services for adult students; recruited professors and staff for program. Planned and conducted quarterly workshops, created partnerships in community and between students and faculty, and aided students with research.

SEPTEMBER 2000-MARCH 2001

SALVATION ARMY CORRECTIONAL SERVICES

PROBATION OFFICER, DOMESTIC VIOLENCE DIVISION

- Case management for misdemeanor domestic violence offenders (180+). Facilitation of treatment, risk analysis, financial compliance, liaison to treatment providers, court representation, victim support, maintenance of detailed, confidential file documents from initial interview through program completion (up to one year).
