Coder. Prison Industries Grant, **Michael J. Hindelang Criminal Justice Research Center**, August, 1986 and January, 1987.

AGENCY/CORPORATE EXPERIENCE:

Vice President of Research and Development, **Assessments.com**. May, 2007-September, 2009. Worked with state and local juvenile justice agencies to implement evidence based practices. Provided project management of contracts in Texas, Florida, and California. Developed and conducted training program for state employees. Negotiated contracts with state agencies for service delivery. Provided content expertise for the development of risk assessment/case management software.

Director of Research and Evaluation, Eckerd Youth Alternatives. November, 2006-May, 2007. Oversaw the production of the annual statistical analyses of Eckerd Programs. Assessed the effectiveness of juvenile delinquency and dependency programs.

Senior Research Analyst, Justice Research Center. August, 2001-November, 2006. The Justice Research Center is a research and evaluation firm with a variety of clients including the Florida Department of Juvenile Justice (DJJ). Responsibilities included data collection, statistical analyses, program evaluation and report writing. Co-authored annual outcome evaluation reports for DJJ. Worked closely with staff at the DJJ Office of Research and Planning to provide technical assistance regarding data interpretation and policy development to DJJ employees, and contract providers. Worked extensively large data sets from the Department of Juvenile Justice (DJJ), FDLE and Department of Corrections. Utilized SPSS, Excel and Access software to conduct analyses and produce reports.

Management Review Specialist, Bureau of Data and Research, Florida Department of Juvenile Justice. July, 1994-August 2001. Relocated to Tampa in August, 1997. Conducted research and wrote reports for the Department. Duties included data collection, statistical analyses, program evaluation and report writing. Worked extensively with the Juvenile Justice Information System (JJIS), as well as FDLE and Department of Corrections data. Conducted process and outcome evaluations of programs including aftercare, Multisystemic Therapy (MST) and boot camps. Utilized SPSS, Excel and Access software to conduct analyses, and produce reports.

Research Associate, D-FY-INCE. Florida State University and the Police Foundation. May, 1991-August, 1993. Conducted surveys and data analyses for the implementation and evaluation of a drug prevention program targeted at adolescents. Funding amount: \$250,000.

Consultant to the Commission on Juvenile Justice. Florida Legislature. March, 1991-January, 1992. Conducted research on the effect of the Juvenile Justice Reform Act on the placement of juveniles in state facilities and detention centers. Funding Amount: \$25,000.
