ADMINISTRATIVE APPOINTMENTS

1. Research Administration Faculty Fellow 2017-2019

(Only notable achievements are listed)

- Developed and administered the USFSM Faculty Research and Scholarship Needs Survey. Completed data collection and analysis, and developed a report that we shared with the College Deans and Administration. Made college-specific, evidenced-based recommendations for strengthening research and scholarship at USFSM.
- Analyzed survey data to identify areas for potential interdisciplinary collaborations among faculty.
- Compiled survey data to create the faculty research expertise database.
- Created a centralized research news reporting system to catalog and recognize faculty achievements.
- Collected faculty publication and citation data and updated counts for marketing and external communications.
- Drafted the internal awards program to support faculty and student research.

- Contributed to the development of the first USFSM Research magazine—developed call for contributions, attended meetings, solicited contributions, worked with editorial board to select feature stories and develop additional content, served as the liaison between faculty and storywriters. Developed statewide distribution lists. Initiated work for the second annual issue.
- Organized a “greenlight” session with admissions to discuss ways to incorporate faculty and student research into recruiting efforts.
- Coordinated IRB/COI training on our campus.
- Provided monthly reports to the USFSM Faculty Senate and the USF System Associate Deans for Research Meetings (in Tampa), distributed research-related information to the USFSM faculty.
- Held meetings with the Deans and leaders of other research initiatives at USFSM.
- Created the first Student Research Society student club at USFSM and serve as faculty advisors.
- Began collaboration with the USF Tampa Undergraduate Research Society student leaders and the Director of Undergraduate Research to inform student-related initiatives on the USFSM campus.
- Led research working group discussions and completed updates to the research component of the USFSM Strategic Plan. Developed key strategies, tactics, responsibility assignments, and outcomes for spring 2018 and fall 2018. Initiated the assessment of outcomes.
- Worked with Communications and Marketing at USFSM and USF Tampa to launch the Faculty Research Expertise Database on the USFSM website. Provided feedback on the internal launch, reviewed content for accuracy, and coordinated faculty review.
- Maintained database on recent faculty research and scholarship achievements and regularly informed Communications and Marketing to promote faculty accomplishments.
- Completed regular updates to faculty publication and citation data and updated counts for marketing.
- Organized the first Faculty Research Pecha Kucha event to encourage interdisciplinary collaborations among USFSM faculty and Cross College Alliance colleagues.
- Researched discipline-specific publication quality metrics (in manner similar to COB) to be used as a resource for faculty as well as annual review and tenure and promotion evaluation committee members.
- Coordinated faculty (and student) workshops on predatory publishing and publication metrics together with Diane Fulkerson.
- Created and revised content for the Research USFSM website.
- Reviewed research manuscripts and grant applications upon invitation from faculty.
- Met with individual faculty about research-related issues.
- Represented USFSM at research-related events on the Tampa campus.

2. Criminology Program Coordinator

2018-2019

(Only notable achievements are listed)

- Created and implemented the first (4+1) accelerated master's degree in Criminal Justice in the USF system
- Created and implemented the first 100% online master's degree in criminal justice in the USF system

- Tripled the number of enrolments for the master’s in criminal justice degree
- Convening monthly meetings with the fulltime faculty in the criminology program.
- Reviewing, signing, and submitting to the DSS Chair all Academic Program Committee proposals for curricular changes.
- Coordinating with the Staff Scheduler of CLASS, projecting course offerings in each discipline for as many semesters in advance as are feasible
- Organizing and/or conducting assessment activities in the appropriate courses and compiling a report on an annual basis for submission to the Dean of CLASS.

3. Criminology Internship Coordinator 2018-Current

- Established connections with Law Enforcement Agencies to form an internship program for USFSM Criminology students
- Facilitated student placement in internship positions

4. Advisor for APS National Criminal Justice Honor Society 2017- Current

- Established a USFSM Chapter of Alpha Phi Sigma
- Faculty advisor to the Alpha Phi Sigma, recruited members, reviewed applications, corresponded with the society's executive committee. Recruited 18 members so far.

5. Co-Advisor for USFSM Student Research Society 2017-Current

- This interdisciplinary student club was formed to encourage and support student participation in research activities across the university. A benefit of the formal club is that it is eligible for SGA funding to support student research activities. Thus far, the Student Research Society has developed marketing materials and planned research travel to national conferences. The society has also established connections to the USF Tampa Undergraduate Research Society.

6. USF Institutional Review Board Campus Approver for USFSM 2018-Current

- Responsible for reviewing and approving all applications for human subjects research from the USFSM campus
- Provided training in responsible conduct of human subjects research as well as the e-IRB Arc system for proposal submission
- Worked with both faculty and student principal investigators to prepare human subjects research proposals that are consistent with Institutional Review Board expectations.
- Consulted with principal investigators on study design, research procedures, and data management to ensure security, privacy and confidentiality.
