PATIENT AUTHORIZATION REGARDING MODE OF COMMUNICATION & EDUCATIONAL RECORDED SESSIONS

Electronic communication and transmission of service-related information:

Authorization is given to the Speech, Language, and Hearing Center of the Department of Communication Sciences and Disorders, University of South Florida, 4202 E. Fowler Ave., Tampa, FL 33520-8150, to communicate with me via **email, telephone (voice/text) and/or fax**, regarding therapy and/or assessment for the above named client. I acknowledge that the Speech, Language, and Hearing Center of the Department of Communication Sciences and Disorders cannot be responsible for non-secured communication. Initials: _____

Acknowledgement of the recording of sessions (audio and video):

The University of South Florida Department of Communication Sciences and Disorders operates a clinical facility primarily for the training of future professionals in Speech-Language Pathology, Audiology, and Aural (Re)Habilitation. All clients/patients seen in the clinic for diagnostic and therapeutic services must agree to the recording of sessions. Recordings may be reviewed and used by faculty, staff, and students as part of a client/patient's plan of care, as part of a research project, and/or to facilitate instructional objectives for students enrolled in the program. Appropriate safeguards related to privacy and confidentiality will be utilized for the use and storage of such recordings and this specific authorization regarding the recordings is attached below and must be signed by each patient.

"I understand the above and hereby release to the University of South Florida Department of Communication Sciences and Disorders, the right to make audio and video recordings or to photograph said person in any and all phases of the educational or remedial process and to put the audio and video recordings or photographs to any legitimate educational or training uses. All recordings, photographs, and their reproductions shall remain the property of the Department of Communication Sciences and Disorders of the University of South Florida. It is further agreed that in the event the Department of Communication Sciences and Disorders of the University of South Florida or it assigns shall become a party defendant to litigation by said persons as a result of the legitimate use of said audio and video recordings, photographs, and/or descriptive literature or sound tracks, (I/We) shall hold harmless and indemnify it or its assigns from any judgment which may be entered against it or its assigns."

CONDITIONS OF TREATMENT BY UNIVERSITY OF SOUTH FLORIDA (USF) COLLEGE OF MEDICINE

Permission for Treatment: Permission is hereby granted for physicians, residents, employees or agents of the USF College of Medicine ("USF Physicians Group") (collectively, the "Provider") to render the patient named below such medical and surgical treatment as is deemed necessary.

Authorization for Release of Information: The Provider (through its employees or contracted copying services) may disclose the patient's medical record and account to:

- 1. Any person or corporation which is or may be liable for all or any portion of the patient's charges, including but not limited to insurance companies, health care service plans, and worker's compensation carriers to the extent necessary to determine insurance benefits, liability for payment and to obtain reimbursement.
2. Any referring physician to ensure continuity of medical care.
3. Other treatment providers within the USF College of Medicine/USF Physicians Group. (The USF Medical Clinics combine all records pertaining to each individual patient in one file. Therefore, in the event a patient is seeing more than one Provider within the USF College of Medicine/USF Physicians Group, each Provider will have access to the records created by every other Provider for that patient.)

Financial Agreement: (Please initial as applicable)

Assignment of Insurance Benefits: I request my insurance carrier to pay to University Medical Service Association, Inc. all benefits due me related to my pending claim for medical and surgical services. I agree to pay all applicable deductible and coinsurance amounts due and other fees for services rendered for which my insurance plan/HMO is not liable for payment to the Provider, and agree to pay the costs of collection including reasonable attorney's fees in the event of legal action to collect such amounts.

Medicare B Authorization: I authorize any holder of medical or other information about me to release to the Social Security Administration and Health Care Financing Administration or its intermediaries or carriers, or to the billing agent of this physician or supplier, any information needed for this or a related Medical Claim. I permit a copy of this authorization to be used in place of the original and request payment of medical insurance benefits either to myself or to the party who accepts assignment.

Self-Paying Patient. I have been informed that the USF College of Medicine/USF Physicians Group does not have a contract to participate with my insurance plan or HMO, and the requested services have not been authorized by my insurance plan/HMO, as applicable. I am requesting medical services as a fee-for-service, self-paying patient. I agree that I am responsible for all charges incurred as a result of this visit, including but not limited to all medical/surgical professional services, laboratory, radiological, and any other ancillary services. I agree to pay the costs of collection including reasonable attorney's fees in the event of legal action to collect this account.

Tobacco Use and Hearing and Balance Disorders

What do patients need to know?

Recent data from the Centers for Disease Control (CDC) report that 17.8% of American adults (age 18 or older) smoke. This translates into an estimated 42.1 million adults in the US alone. Cigarette smoking is the leading cause of preventable disease, responsible for 480,000 deaths a year (approximately 1/5).

Smoking increases the risk of:

- Coronary heart disease
- Stroke
- Cancer, including but not limited to:
 - Lung
 - Stomach
 - Leukemia
 - Bladder, kidney, cervix, colon
 - Kidney, liver, pancreas
 - Esophagus, trachea, larynx, throat, tongue

**Smoking has been correlated with hearing loss,
especially when combined with noise exposure!**

To quit tobacco use:

It is recommended that all treatment options for smoking and or/ tobacco cessation be discussed with your physician. Some possible treatment recommendations from a physician may include:

- Individual or group counseling
- Behavioral therapies
- Medications for quitting that have been found to be effective include the following:
 - Nicotine replacement products
 - Over-the-counter
 - Prescription
 - Prescription non-nicotine medications

Helpful Resources:

Quitline Services

- Call 1-800-QUIT-NOW (1-800-784-8669) if you want help quitting. This is a free telephone support service that can help people who want to stop smoking or using tobacco.

USF HEARING CLINIC POLICIES

All services are provided under the supervision of licensed and certified audiologists.

Policies relating to patient responsibilities are outlined below:

Attendance: Regular attendance is a critical component in assuring effective treatment. There are many more individuals needing services than our Clinic can accommodate. We ask that you inform the Clinic as soon as possible if you are unable to make your appointment as it may be possible to make-up or reschedule. Cancellations will require at least two hours prior notification. If an appointment is not canceled at least two hours prior to the scheduled time, it will be considered a no-show. If excessive cancellations occur, they will be dealt with on an individual basis and may result in termination of Hearing Clinic services.

Promptness: We try very hard to accommodate all patients and make every effort to be punctual for your appointment. Therefore, appointments cannot be extended in cases of late arrival. If you arrive more than 15 minutes late for your appointment, you may be asked to reschedule. We ask that everyone try to arrive 10 minutes before their scheduled appointment to allow time to obtain parking permits and fill out any necessary paperwork.

Family Involvement: We welcome and encourage family members to attend appointments. We do ask that small children be supervised at all times. We are not able to provide childcare during patient appointments. In accordance with USF policies parents/guardians of minors and caregivers must be on-site while the patient is in our facilities.

Student Observation: The Clinic is part of the clinical education program for students in the Department of Communication Sciences and Disorders at the University of South Florida. Graduate students work directly with patients under the supervision of Clinical Instructors at all times. Students are also required to periodically observe a variety of appointments as part of their learning experience. Students are aware of their ethical responsibilities regarding confidentiality of information.

Video Recording: Sessions are sometimes recorded as a means of assessing progress, evaluating the effectiveness of therapeutic approaches, or as a tool in therapy or teaching. Students periodically review and discuss recordings with their Clinical Instructor. Patient's consent to being recorded and confidentiality is assured. Recordings or other information NEVER leave the facility without your written consent.

Release of Information: A file is established for each patient containing reports and information regarding services. We often work cooperatively with other community professionals in coordinating services. To protect the confidentiality of patient records, we require your written permission before we communicate in any form with others about aspects of your care. Authorization to Send/Receive Information forms are available through the Clinic office and remain valid for one calendar year from date of signature.

The University Clinic Setting: The Clinic calendar coincides with that of the University. You will be notified well in advance of Clinic closures during University breaks and holidays. Also, student clinicians usually alternate from one semester to the next.

Fees for Services: Fees are charged for Clinic services. Our fees are competitive with those charged at other agencies in the community. A fee schedule is available in the Clinic Office. The hearing clinic also reserves the right to charge a nominal fee for patients that fail to cancel their appointments in a timely manner.

Insurance: The Clinic can often bill your insurance company when services provided by the Clinic are included in your health care policy. Please note that not all hearing services are covered by insurance. The Clinic can help determine if your policy provides these benefits.

Payments: Payment must be made at the time of service. Check with the Clinic Services Representative should you have questions. The Clinic accepts cash, checks, and credit cards.

I have read and understand the above information.
