

Lisa A. Hansel, MBA, Au.D., FAA-CCC-A

Lahansel@mac.com

EDUCATION:

Degree	Institution	Year	Major
Au.D.	Nova Southeastern University *Highest Honors	2005	Audiology
M.B.A.	Ashland University	1994	Executive Management
B.A.	University of Findlay (then Findlay College)	1984	Accounting

PROFESSIONAL LICENSE & CERTIFICATION:

Audiology License, State of Florida (2005-2015, 2018-Present)

Audiology License, State of Ohio (2015-2019)

Certificate of Clinical Competence, Audiology, American Speech-Language-Hearing Association (Current)

American Institute of Balance Certification: Vestibular Assessment and Management (Current)

EXPERIENCE:

Assistant Professor of Instruction

May 2021-Present

Visiting Instructor

May 2018-May 2021

University of South Florida

Doctoral Courses Taught:

Vestibular Evaluation and Treatment

Advanced Vestibular Evaluation and Treatment

Clinic Lab II

Profession of Audiology

Student Supervision:

Adult and Pediatric Audiologic Evaluations

Adult Electrophysiologic Evaluations

Adult Auditory Processing Evaluations

Adult Tinnitus Evaluations

Adult Vestibular Evaluations

Adult Hearing Aid Selection, Fitting, Orientation, Follow-up, and Repair

Other Contributions:

Clerkship and Externship Coordinator

Advisor-Student Academy of Audiology

Presenter-Florida Preceptor Events (2018, 2019)

Department Doctoral Admissions Committee (2020, 2021, 2022, 2023)

Guest Lecturer-USF Undergraduate Honors College (2021, 2022)

Department Search Committees

Member-Audiology Provider (2021, 2022)

Chair-Assistant Professor of Instruction (2022)

Clinical Audiologist

Mount Carmel Falls and Balance Clinic

Aug 2016-April 2018

Audiologic Evaluations
Newborn Hearing Screenings
Otoacoustic Emissions Testing
Posturography Assessments
Vestibular Evaluations (VNG and Rotary Chair)

Clinical Supervision of 3rd Year Au.D. Student
Community Balance Screenings and Presentations
Physician Presentations and Marketing

Adjunct Instructor

University of South Florida

Aug 2015-Dec 2015

Dec 2014-May 2015

Doctoral Courses Taught:
Clinic Lab II
Vestibular Evaluation and Treatment
Advanced Vestibular Evaluation and Treatment

Student Supervision:
On-Campus Clinic
Adult Audiologic Evaluations
Adult Vestibular Evaluations
Adult Hearing Aid Selection, Fitting, Orientation, Follow-up, and Repair

Clinical Audiologist

Tampa Bay Hearing and Balance Center

March 2013-Nov 2014

Audiologic Evaluations
Otoacoustic Emissions Testing
Cochlear Implant Candidacy Evaluations
Electrophysiologic Evaluations
Vestibular Evaluations
Canalith Repositioning
Hearing Aid & Implantable Hearing Device Consultation, Fitting, Follow-up, and Repair

Instructor I

Visiting Instructor

University of South Florida

April 2012-July 2013

May 2009-April 2012

Doctoral Courses Taught:
Audiology Practice Management
Professional Audiology
Vestibular Evaluation and Treatment
Advanced Vestibular Evaluation and Treatment

Undergraduate Guest Lecturer:
Introduction to the Clinical Process

Student Supervision:
On- and Off-Campus Clinic Sites
Adult and Pediatric Audiologic & Auditory Processing Evaluations
Adult and Pediatric Electrophysiologic Evaluations

Adult Hearing Aid Selection, Fitting, Orientation, Follow-up, and Repair

Other Contributions:

Clinic Director
Clerkship and Externship Coordinator
Advisor-Student Academy of Audiology
Supervised Doctoral Students at Redlands Christian Migrant Association
Supervised Doctoral Students at Redbird Mission Service Trip (Kentucky)
Supervised Doctoral Students at Bay Life Church Hearing Screenings

Assistant Professor

August 2005-July 2008

Nova Southeastern University

Doctoral Courses Taught:

Amplification Lab I
Auditory Intervention Lab
Business Management and Leadership
Diagnostics I: Audiologic Procedures across the Lifespan
Diagnostics I Lab
Electrophysiology: Vestibular Lab
Electrophysiology: Auditory Lab
Introduction to Electrophysiology Lab

Undergraduate Courses Taught:

Introduction to Neuroanatomy

Student Supervision:

On- and Off-Campus Clinic Sites
Adult and Pediatric Audiologic Evaluations
Adult and Pediatric Electrophysiologic Evaluations
Adult Hearing Aid Selection, Fitting, Orientation, Follow-up, and Repair

Committees:

President's Faculty Research and Development Grant Committee
College of Allied Health and Nursing Internal Review Committee
Department Doctoral Admissions Committee
Department Weiser Scholarship Committee

Other Contributions:

Advisor-National Association for Future Doctors of Audiology
-Chapter of the Year, 2007 and 2008
Supervised Doctoral Students at the REACH Health Fair
Supervised Doctoral Students at the Community Disability Expo
Supervised Doctoral Students at NSU Day for Children
Supervised Doctoral Students at the Community Better Speech and Hearing
Event in conjunction with the League for the Hard of Hearing
