Education

Master of Arts; International Developmental with People with Disabilities;
Gallaudet University, Washington DC, 2012

- Related to advocate, design, implement, monitor and evaluate social changes activities in collaboration with Deaf, DeafBlind, and Hard-of-Hearing people, and people with disabilities, at local, national, and international levels.
- Coursework includes practical experience examining legal and social policy frameworks, political and economic conditions, sociocultural and language-centered values and rights, and other features of contemporary life that impede social participation and social justice.

Bachelor of Arts; Elementary Education,
Gallaudet University, Washington D.C., 2009

- Coursework in psychology, human development, teaching methods, curriculum, and a supervised field practicum experience (student teaching) in school settings.
-
