

Directions to USF Auditory Rehabilitation & Clinical Trials (ARCT) Lab Communication Sciences and Disorders (PCD) Building

Fowler Entrance

Turn into the campus at main entrance on Fowler Avenue (Leroy Collins Blvd.)

Turn left on USF Alumni Drive (1st stop light)

Follow USF Alumni Drive to Magnolia Drive

Turn right on Magnolia Drive

Follow Magnolia Drive to USF Laurel Drive

Turn right on USF Laurel Drive

Make your second right into parking lot #**9A**.

Parking is marked in spaces labeled “CSD/PSY Client Parking Only” in green color.

Please park and come to Communication Sciences and Disorders 1017 on the first floor. Tell the front desk you are a research participant and you will be given a parking pass at this time if you do not already have one. Display your parking pass in your windshield.

Fletcher Entrance

Turn into the campus on Magnolia Drive.

Turn left on USF Holly Drive (1st stop light).

Turn right on USF Laurel Drive (1st stop light).

Go around the round-about and take the second exit from it (this will keep you going straight down USF Laurel Drive).

Make your first left into parking lot #**9A**.

Parking is marked in spaces labeled “CSD/PSY Client Parking Only” in green color.

Please park and come to Communication Sciences and Disorders 1017 on the first floor. Tell the front desk you are a research participant and you will be given a parking pass at this time if you do not already have one. Display your parking pass in your windshield.
