EDUCATION

- Ph.D.**
July 2021 **UNIVERSITY OF SOUTH FLORIDA**
Doctor of Philosophy, Behavioral and Community Sciences
Department of Mental Health Law and Policy
Dissertation: *Informing Indigent Health Care Service Programs within a Local Government Context: Strategies for Population-based Service Planning, Assessment, and Policy Development*
Major Professor: Gregory Teague, PhD
- M.H.S.**
May 2016 **JOHNS HOPKINS UNIVERSITY**
Master of Health Sciences, Bloomberg School of Public Health
Department of Mental Health
Thesis: *Safely managing the transfer of community-based psychiatric treatment services within a restructuring public mental health system*
Thesis Professors: Jeanine Parisi, PhD, MA and Gerard Gallucci, MD, MHS
- M.A.**
May 2009 **HOOD COLLEGE**
Master of Arts in Thanatology
- B.S.**
June 2007 **FLORIDA STATE UNIVERSITY**
Bachelor of Science in Psychology

ADDITIONAL STUDIES

- 2013 **DREXEL UNIVERSITY COLLEGE OF MEDICINE**
Core Competencies for Integrated Practice of Co-Occurring Mental Health and Substance Use Disorders Series, Certificate
- 2011 **PENNSYLVANIA STATE UNIVERSITY**
Graduate School of Public Administration, non-degree seeking

PROFESSIONAL CERTIFICATES

Internationally Certified Co-Occurring Disorders Professional - Diplomate (ICCDP-D)
International Certification & Reciprocity Consortium and Delaware Certification Board
Certificate Number: 1329
08/2012 - 08/2020

Certified Psychiatric Rehabilitation Practitioner (CPRP)
Psychiatric Rehabilitation Association
Certificate Number: 4862330
11/2011 - 09/2019

PROFESSIONAL EXPERIENCE

- 2023 - Present**
Sarasota, FL
Troubadour Health
Chief Executive Officer/Founder
Supporting local governments and community service organizations with population, behavioral, and public health data collection and analysis, program-design and evaluation, and policy including performance monitoring and reporting. Technical and clinical decision-support for behavioral health and substance use, community health, and aging services.
- 2021 - Present**
2021 - 2022
Clearwater, FL
Behavioral Health Data Scientist
Health Care Administrator/CEO of Bayside Health Clinic (FQHC)
Pinellas County Government, Human Services Department

Provide cross-sector leadership to develop a minimum data set (MDS) of publicly funded behavioral health services to improve performance measurement and strategic funding to improve service quality and delivery of care as part of the “Elevate Pinellas Behavioral Health” initiative. Technical assistance, best practices research, and health informatics analyses. Project director of federal and state grants.
- 2022 - Present**
2020 - 2022
Bradenton, FL
Professor
Adjunct Professor
Lake Erie College of Osteopathic Medicine, School of Health Services Administration

Master of Public Health degree program
Master of Health Service Administration degree program
- 2020 - Present**
Tampa, FL
Adjunct Faculty Instructor
University of South Florida, College of Behavioral and Community Sciences

Instructor for the Behavioral Healthcare undergraduate major degree program within the Department of Mental Health Law and Policy and Health Policy for PhD in Behavioral and Community Sciences.
- 2016 - 2021**
Bradenton, FL
Health Care Services Manager
Manatee County Government, Community Services Department

Managed indigent healthcare in community and acute care settings for the provision of primary, dental, behavioral, and homeless healthcare services throughout the county. Provide County with technical assistance and support for correctional health, non-profit human services programs and local Florida Department of Health services. Develop contracts and reimbursement methodologies focused upon value, outcomes, and utilization for broad-spectrum public health prevention, intervention and treatment services with \$22Million annual budget for adult health and human services.

2017 - 2019
Tampa, FL

Graduate Teaching Assistant
University of South Florida, College of Behavioral and Community Sciences

Instructor and faculty research support for curriculum of the undergraduate Behavioral Health Care major. Activities include lecture, revision of lecture content to incorporate high-impact learning objectives, examination preparation, and curriculum mapping for accreditation and improved student learning objectives.

2014 - 2016
Wilmington, DE

Consultant to the Settlement Agreement Court Monitor
United States Department of Justice
Delaware Department of Health and Social Services
Division of Substance Abuse and Mental Health
Mental Health Association of Delaware, on behalf of the Court Monitor Robert Bernstein, PhD Court Monitor and CEO of the Bazelon Center for Mental Health Law, Washington DC

Provide the Delaware Division of Substance Abuse and Mental Health with technical assistance and evaluation of mental health services pertaining to the Settlement Agreement with the US Department of Justice and its appointed Court Monitor regarding: Assertive Community Treatment, Intensive Case Management, Home and Community Based Service waiver services, Quality Assurance/Risk Management, and the development of state regulations of psychiatric and substance use disorder treatment services.

2013 - 2014
New Castle, DE

Client Care Processes and Outcomes Manager, Consultant
Division of Substance Abuse and Mental Health
State of Delaware Department of Health and Social Services

Developed a qualitative, data-informed review system known as Quality Process Review, presenting primary and secondary data analysis of Settlement Agreement targets with the University of Pennsylvania Center for Mental Health Policy and Services Research. Managed data collection and analytics of Delaware's community mental health services, presenting data analysis to inform revision of tools utilized in the review of State licensure and certification.

2013 - 2017
Newark, DE

JTBarnett Public Health Associates
Chief Executive Officer
Behavioral health consulting agency supporting state agencies with program development, qualitative and quantitative data collection and analysis, Medicaid certification for community-based treatment services, program development, and Olmstead Decision-policy development aligned to ADA and Recovery Oriented Systems of Care.

2011 - 2013
Wilmington, DE

Admissions Director / State Hospital Liaison
Horizon House, Inc.

Directed intake processes of long-term institutionalized individuals from state psychiatric hospital into individualized community-based living and treatment. Through partnership with University of Delaware, integrated primary care and preventative care services into out-patient co-occurring mental health and substance use treatment clinic; incorporated healthcare navigation services with the Department of Public Health; improved physical and psychiatric health outcomes by creating stable healthcare linkages for adults with co-morbid and multi-morbid chronic health conditions. Grant writer and responder to federal and state funding proposals. Agency adjunct professional development trainer.

2009 - 2011
Harrisburg, PA

Unit Director & Mental Health Professional
Community Residential Rehabilitation Services, Dauphin County Elwyn, Inc.

Directed operations and clinical management of 24/7 behavioral health residential program for adults with co-occurring substance use and mental health disorders, promoting recovery and resiliency. Incorporated peer support services and developed protocols for medication self administration and community integration services.

2009 - 2009
Harrisburg, PA

Unit Manager & Mental Health Professional
Community Residential Rehabilitation Services, Dauphin County Elwyn, Inc.

Master's-level clinician providing supervisory support to treatment and paraprofessional staff and development of individualized treatment plans for residents of the CRR program. Supervised residential counseling staff and the adherence to PA Office of Mental Health and Substance Abuse Service (OMHSAS) regulations.

2008 - 2009
Harrisburg, PA

Program Specialist II
Community Residential Rehabilitation Services, Dauphin County Elwyn, Inc.

Bachelor's-level care staff providing support with activities of daily living, psychiatric rehabilitation, independent medication support, case management, and community integration to adults with mental health and substance use disorders.

2007 - 2008
Frederick, MD

Graduate Assistant for Commuter Student Life, Director
Hood College

Provide programming, social events, and management of resources for commuter students. Chaired commuter life board.

2001 - 2007

Mental Health Support Staff and Pharmacy Technician
(P/T - Seasonal)

Pembroke Pines, FL South Florida State Hospital
Indiantown, FL Treasure Coast Forensic Treatment Center
Geo Care, Inc.

Supported mental health staff with programming and social activities.
Transported and loaded medications from hospital pharmacy to multiple
nursing stations.

Barnett, J. and Weinberger, A. (May 14, 2020). Peace4Manasatota: Implementation of A Trauma Informed Community and the SRQ Strong Initiative. Speak Up For Kids Conference. Florida Department of Education. Sarasota, FL.

Awards

2019, Champion of Drug Prevention, Drug Prevention Coalition of Manatee County
2018, Individual of Merit Award, Champions of Health Care, Manatee Chamber of
Commerce

Honors

2022, Master of Ceremony, TEDx Bradenton, 09/09/2022, Bradenton, FL

APPROVED GRANTS

Community Health Centers

Funding Agency: Health Resources and Services Administration (H80CS000024-22-00)
Funding Period: 03/01/2023 - 02/29/2024
Funding Amount: \$1,445,233 annual
Project Role: Project Director
Synopsis: Health center operations to provide medical and integrated behavioral Health services to low-income and uninsured adults and to operate under the requirements of a federally qualified health center (FQHC).

Expanding COVID-19 Vaccination (ECV)

Funding Agency: Health Resources and Services Administration (HRSA)
Funding Period: 2022-2023
Funding Amount: \$63,994 annual
Project Role: Project Director
Synopsis: Increase access to, confidence in, and respond to demand for updated COVID-19 vaccines within various service areas of the county.

First Responders Addiction Recovery Act Grants (FR-CARA)

Funding Agency: Substance Abuse and Mental Health Services Administration (TI-21-009)
Funding Period: 2021-2024
Funding Amount: \$1,499,989
Project Role: Project Director

Synopsis: To allow first responders to be trained to carry and administer overdose reversal medication of a known or suspected opioid overdose and establish processes, protocols, and mechanisms for direct referral to appropriate treatment and recovery support services.

Vaccine Ambassador Program (VAP)

Funding Agency: National Health Care for the Homeless Council (NHCHC)

Funding Period: 2021-2022

Funding Amount: \$137,000 annual

Project Role: Project Director

Synopsis: Increase the number of individuals in three specific populations to receive COVID-19 vaccination including unhoused, those with substance use disorders, and individuals engaged in sex work.

Assisted Outpatient Treatment Program for Individuals with Serious Mental Illness (AOT)

Funding Agency: Substance Abuse and Mental Health Services Administration

Funding Period: 2018-2022 (NCE-2023)

Funding Amount: \$4,088,640

Project Role: Project Director (2021-2023)

Synopsis: Implement and evaluate a new AOT program and identify evidence-based practices to reduce incidence and duration of acute psychiatric hospitalization, homelessness, incarceration, and interactions with the criminal justice system while improving health and social outcomes of individuals with serious mental illness (SMI) within least-restrictive settings.

Comprehensive Opioid Abuse Site-based Program (COAP)

Funding Agency: Bureau of Justice Assistance (USDOJ/BJA) #2018-AR-BX-K019

Funding Period: 2018-2023

Funding Amount: \$999,960

Project Role: Subject Matter Expert (2021-Present)

Synopsis: Provide financial and technical assistance to plan, develop, and implement efforts that identify, respond to, treat, and support those impacted by the opioid epidemic with use of public safety, behavioral Health, and public health information-sharing partnerships to develop Interventions based on these data sets.

Comprehensive Opioid, Stimulant, and Substance Use Program (COSSUP)

Funding Agency: Bureau of Justice Assistance (USDOJ/BJA) #2020-AR-BX-0055

Funding Period: 2020-2023 (NCE 2024)

Award Amount: \$1,199,163

Project Role: Project Director (2021-Present)

Synopsis: Oversight of activities that expand access to substance use treatment resources including Quick Response Teams, outreach and engagement using peer service specialists, and implementation of an overdose fatality review (OFR) committee.

Overdose Data to Action (OD2A) with the Florida Department of Health

Funding Agency: Centers for Disease Control and Prevention (CDC)

Funding Period: 2019-2021

Award Amount: \$360,000
Project Role: Category 1 PI & Project 2 Co-PI
Synopsis: Conduct a literature review of harm reduction practices that address opioid use conditions to inform a survey to assess community-based awareness, access, and feasibility of harm reduction practices to increase adoption and promotion of harm reduction interventions.

Opioid-Focused Recovery Peer Coaching in Manatee & Palm Beach Counties

Funding Agency: Florida Legislative Budget Request, 2018
Funding Period: 2018
Award Amount: \$1,000,000
Project Role: Legislative Budget Request Developer and Project Director
Synopsis: Develop and implement an opioid-focused recovery peer coach program to engage self-identified opioid users to seek treatment and recovery resources and provide harm reduction education and facilitate linkages to care for at-risk populations including incarcerated individuals.

Peer Support Specialist Services for Adults HSS-15-033

Funding Agency: Delaware Division of Substance Abuse and Mental Health
Funding Period: 2015 - 2019
Principal Investigator: Rick Van Story Resource Center
Project Role: Proposal Consultant
Synopsis: Part of the 1115 Medicaid Demonstration Waiver to provide Peer Support services as part of a comprehensive behavioral health continuum of care. Independent Peer Support Specialists provided in community settings, statewide.

Client Care and Processes Outcomes Manager HSS-12-047

Funding Agency: Delaware Division of Substance Abuse and Mental Health
Funding Period: 2013 to 2014
Award Amount: \$116,480/annual
Project Role: Consultant
Synopsis: Develop a data-informed system to monitor and assess client treatment outcomes throughout the Delaware continuum of treatment and supportive services.

Primary and Behavioral Health Care Integration

Funding Agency: SAMHSA, PBHCI
Funding Period: 2012 to 2016
Award Amount: Approved, Not Funded
Project Role: Project Director
Synopsis: Integrate primary care clinic into out-patient co-occurring public clinic.

Collaborative Access to Comprehensive Treatment

Funding Agency: Delaware Division of Substance Abuse and Mental Health
Funding Period: 2013
Award Amount: \$49,999
Project Role: Project Director
Synopsis: Delaware's initial integration of primary care health services into a public outpatient co-occurring clinic. Funding provided for structural

retrofit of three examination rooms and equipment.

Community Healthcare Access Program HSS-12-033

Funding Agency: Delaware Health & Social Services / Division of Public Health
Funding Period: 2012 - 2014
Funding Amount: \$204,000
Project Role: Integrate health navigator into co-occurring outpatient clinic to access primary and preventative health services for uninsured adults.

Statewide Peer Support Services HSS-12-044

Funding Agency: DHSS / DSAMH
Funding Period: 2012 - 2016
Funding Amount: Fee for Service Agreement
Project Role: Application consultant
Synopsis: Provide statewide independent peer and hospital bridge services for former inpatients integrating into supported housing and community-based treatment programs.

TEACHING EXPERIENCE

Adjunct Professor - Healthcare Policy - MPH 5100

Lake Erie College of Osteopathic Medicine, School of Health Services Administration
December 2022; December 2023

Adjunct Professor - Research Methodology and Application - HSA 5030

Lake Erie College of Osteopathic Medicine, School of Health Services Administration
November 2022

Guest Lecturer - Policy and Systems Change - MHS 7707 - Federal, State and Local Health Systems and Public Mental Health Systems in Florida

University of South Florida, College of Behavioral and Community Sciences
03/30/2022; 04/20/2022; 12/28/2022

Guest Lecturer - PhD Proseminar - MHS 7720 - Working in Public Sector as PhD

University of South Florida, College of Behavioral and Community Sciences
03/30/2022; 04/05/2023

Guest Lecturer - Strategies for Success: Public Mental Health Career Development and Beyond - MHS

Johns Hopkins University, Bloomberg School of Public Health, Department of Mental Health
May 7, 2021; May 5, 2023

Adjunct Professor - Population Health and Status Assessment - HSA 5010

Lake Erie College of Osteopathic Medicine, School of Health Services Administration
February 2021; July 2021; February 2022; July 2022; February 2023

Adjunct Professor - Health Education and Promotion - MPH 5110

Lake Erie College of Osteopathic Medicine, School of Health Services Administration
February 2021; June 2021; February 2022; June 2023

Adjunct Professor - Environmental Public Health - MPH 5030

Lake Erie College of Osteopathic Medicine, School of Health Services Administration
November 2020; January 2021; November 2021; November 2022; November 2023

Adjunct Faculty Instructor - Mental Illness and Addictive Disorders - MHS 2031
University of South Florida, Behavioral Healthcare Undergraduate Major
Summer B 2020; Summer A 2021

Graduate Instructor of Record - Multidisciplinary Behavioral Healthcare - MHS 3411
University of South Florida, Behavioral Healthcare Undergraduate Major
Spring 2019

Graduate Teaching Assistant - Multidisciplinary Behavioral Healthcare - MHS 3411
University of South Florida, Behavioral Healthcare Undergraduate Major
Fall 2017, Spring 2018, Fall 2018, Spring 2019

A practical multidisciplinary look at service delivery Introduces content about behavioral health policies, programs, client populations, and services, as well as evidence-based interventions and skills for effective practice. Topics include Mental Health First Aid (MHFA), case management services, prevention programs, cultural competence, therapeutic relationships, and drug treatment.

Teaching Assistant - Drug Abuse and Prevention - MHS 4455
University of South Florida, Behavioral Healthcare Undergraduate Major
Fall 2017

Introduces various approaches to drug abuse prevention. Discussion includes the science of prevention, theories/explanations of drug use, prevention programs in schools, a developmental perspective to drug prevention, and work-place drug prevention. Introduction to important issues in the field of drug treatment, including outpatient therapy, residential services, medication assisted treatment, and drug treatment courts. Important debates within the field, including harm reduction, is provided.

Teaching Assistant - Movies, Memoirs and Mental Illness - MHS 4931
University of South Florida, Behavioral Healthcare Undergraduate Major
Spring 2018

Movies and memoirs convey the emotion that is felt by a person with lived experience of those with mental illness. Students learn about stigma, recovery, disorders/diagnosis legal issues, and trauma. Students demonstrate self-awareness with regard to values, beliefs, attitudes, and behavioral and describe how persons with mental illness experience the criminal justice system and what outcomes can be improved.

Substitute Teacher - Intermediate and High School Courses
Frederick County Public School System, Frederick, Maryland
Fall 2008 and Spring 2009
