EXPERIENCE

University of South Florida | Tampa, FL

Graduate Research Assistant

August 2022 - Present

Working on various research grant projects and performing administrative tasks for the Louis de la Parte Florida Mental Health Institute.

Thirteenth Judicial Circuit Problem Solving Courts | Tampa, FL

Drug Court Specialist

November 2021 - Present

Contracted to collect recidivism data for the Florida Drug Court Case Management System (FDCCMS) for those previously enrolled in Hillsborough County Problem Solving Courts. Utilizing Odyssey database to capture recidivism data. Helping to determine the effectiveness of problem-solving courts through the qualitative analysis of outcomes of discharged drug court participants.

University of South Florida | Tampa, FL

Research Support Specialist

October 2021 – August 2022

Performed research, data entry and analysis, and administrative tasks for grant projects and process evaluations funded by various organizations including the Substance Abuse and Mental Health Services Administration (SAMHSA). Participated in manuscript writing and

process evaluations. Served as a member of the Louis de la Parte Florida Mental Health Institute advisory board and 2022 Summer Research Institute Team.

Summer Research Institute at Florida Mental Health Institute | Tampa, FL

SRI Scholar

May 2021 – August 2021

Selected as research scholar for the 2021 Summer Research Institute at the Louis de la Parte Florida Mental Health Institute funded by the National Institute of Drug Abuse (NIDA). Conducted a secondary data analysis for a CDC-funded study on substance use and co-occurring disorders. Analyzed psychiatric symptoms, adverse childhood experiences, and history of substance use in clients with opioid use disorder at a local detoxification facility.

University of Tampa Department of Psychology | Tampa, FL

Technology Wellness Innovations Research Lab

Research Assistant

January 2020 – May 2021

Conducted qualitative and video coding tasks for a research study on the online search for mental health information. Assisted in the establishment of procedures, the administration of experiments, and data analysis for research studies on mental health resources and stress-reduction interventions among college students.

University of Tampa Department of Criminology | Tampa, FL

Research Assistant

October 2019 – March 2020

Utilized the FBI's Uniform Crime Report (UCR) to collect data on political representatives and sexual orientation-based hate crimes throughout the United States from 1996 to 2017.
