1. Call to Order: meeting held virtually in Teams

New Business:

1. PhD in Behavioral & Community Sciences catalog changes (Allie Montoya for Howard Goldstein); update the major research area listing; update research/statistic foundation courses; committee approved proposal with minor changes to clarify "additional courses".
2. GEY 6616 Geriatric Assessment & Care Planning course change (Brianne Stanback); update course title and description only; committee approved proposal with no changes.
3. Marriage & Family Therapy certificate catalog changes (Ryan Henry); Florida MFT licensure laws have changed and revisions to the certificate format were needed; committee approved proposal with no changes.
4. MHS 3213 Research Methods in Behavioral Healthcare new course proposal (Micah Johnson); This course focuses on research methods through social and behavioral perspectives; committee approved pending changes to syllabus and proposal – recommended changes to course objectives and learning outcomes, update broken

website links, update grading scale to include decimals. To be reviewed by committee chair once changes are made.

5. New minor in Behavioral Healthcare (Nickie Zenn); the minor in Children's Behavioral Healthcare is available to students interested in pursuing a career in the field of children's behavioral health in conjunction with any undergraduate major. It should be particularly beneficial to persons majoring in disciplines such as psychology, social work, sociology, anthropology, pre-med, criminology, nursing, public health, or education; no new courses being added; committee approved proposal with no changes.
6. Update from Bill Haley on Gen Ed Recertification process: the Gen Ed Council is still working on the procedures, including the timeline, for the recertification process. As soon as they approve everything, they will notify department chairs about the process. It's only for Gen Ed courses approved in Spring 2018 (3 year cycle).
