ADDRESS

University of South Florida
Dept. of Mental Health Law and Policy
MHC 2733
11301 N. Bruce B. Downs Blvd
Tampa, Fla. 33612-380

FLORIDA LICENSE: #PY 0004092 (Psychologist)

EDUCATION

1986 Florida State University
Ph.D., Clinical Psychology (APA Approved); concentration in Behavioral Medicine and Community and Forensic Psychology

1986 University of North Carolina School of Medicine (Chapel Hill), Department of Psychiatry; Clinical Psychology Internship (APA approved)

1984 Florida State University
M.S., Clinical Psychology

1979 Haverford College (Haverford, Pa.)
B.A. Psychology

ACADEMIC APPOINTMENTS AND PROFESSIONAL EXPERIENCE

1987- Professor (tenured in 1994, promoted to Professor in 2000, served as Associate Department Chair from 2002-2004, served as Department Chair from 2004-2011), University of South Florida (USF), Louis de la Parte Florida Mental Health Institute (FMHI), Department of Mental Health Law and Policy, Tampa, Florida. Dr. Peters holds a joint appointment in USF's College of Public Health, Department of Community and Family Health. He was appointed to the Fulbright Specialist Program in 2012, and was awarded a Fulbright Specialist grant award in 2015 for a collaborative project in Ghana, West Africa. He received a second Fulbright Specialist award in 2017 for a project to be implemented in Asuncion, Paraguay. Dr. Peters currently serves as Director of the Universal Treatment Curriculum (UTC) Coordinating Center for North American Universities, funded by the Colombo Plan-DAP and the U.S. Department of State/INL. In 2016 he was

appointed to the ICCE Commission (International Centre for Certification and Education of Addiction Professionals) to represent U.S. Universities.

Dr. Peters served as Principal Investigator and Project Director for the NIDA P30 Research Core Center–USF's Center on Co-Occurring Disorders, Justice, and Multidisciplinary Research. He also served as Principal Investigator and Project Director for development of Phase I and II of the Tampa Practice Improvement Collaborative (PIC)/Suncoast Practice and Research Collaborative (SPARC) in the Tampa Bay area, funded by SAMHSA to bridge the gap between research and practice communities in work with substance-involved offenders. From 1995-2004 he served as Lead Consultant to the National GAINS Center, a collaborative federal partnership to improve services for individuals with co-occurring disorders in the justice system.

Dr. Peters served as Coordinator of NIDA-funded Public-Academic Post-Doctoral Fellowship Program in Substance Abuse Services Research. He was also Project Director for development of co-occurring disorders treatment services within the Florida Department of Corrections, and Project Director for evaluation of drug courts, development of a drug court guidelines manual, and design of drug court programs and a DUI project evaluation through grants from the Florida Office of the State Courts Administrator. He has provided evaluation of substance abuse screening, assessment, and referral procedures for the Florida Department of Corrections.

Dr. Peters also served as Director for evaluation of Bureau of Justice Assistance national model demonstration in-jail drug treatment programs through a grant from the American Jail Association. Other appointments include Project Director for development of the Hillsborough County Sheriff's Office Substance Abuse Treatment Program through a grant provided by the Bureau of Justice Assistance. He also served as Project Director for design of the Serious Targeted Offender Program for the Florida Legislature, a program of community-based drug treatment services for probationers, and as Project Director for design of assessment strategies for drug abusing adolescents through a grant from the Florida Department of Health and Rehabilitation Services. Dr. Peters has provided technical assistance and training provided to a range of federal, state, and local agencies in developing substance abuse treatment programs and evaluation approaches within the criminal justice system. His clinical activities have included forensic assessment, sex offender treatment, dual diagnosis treatment, and supervision of postdoctoral fellows, FMHI predoctoral interns and graduate students.

1986-1987 Visiting Assistant Professor, University of South Florida, Florida Mental Health Institute, Department of Crime and Delinquency, Tampa, Florida. Authored curriculum and presented training in stress management and interviewing skills for the Florida Juvenile Justice Training Academy/Children, Youth and Families Professional Development Center. Supervised evaluation of Juvenile Justice Academy/Children, Youth and Families Professional Development Center training. Consultant to the Pinellas County Jail in evaluating diversion of mentally ill misdemeanants to community-based programs. Assisted in the design and

implementation of statewide mental health needs assessment survey. Joint appointment to Department of Community Mental Health to design training curriculum for staff providing services to the chronically mentally ill homeless.

1985-1986 Psychology Intern, University of North Carolina School of Medicine, Department of Psychiatry, Chapel Hill, North Carolina. Supervised rotations at the University of North Carolina Medical Center included year-long work at the Outpatient Psychiatry Clinic, and at the MedWell Health and Stress Management Clinic. Trained half-time at the Mental Health Division of the Federal Correctional Institution in Butner, North Carolina. Conducted forensic evaluations and provided individual and group psychotherapy, crisis intervention services and staffing of weekly behavior medicine clinic.

1984-1985 Psychological Technician, Apalachee Community Mental Health Services, Tallahassee, FL. (20 hours/week).

1983-1984 Psychological Consultant, Easter Seal Rehabilitation Center, Tallahassee, FL. (20 hours/week).

Program Analyst, Office of the State Court's Administrator, Tallahassee, FL. (10 hours/week).

1982-1983- Behavior Specialist, Florida Department of Health and Rehabilitative Services, District II-B Developmental Services, Tallahassee, FL. (20 hours/week).

Program Analyst, Office of the State Court's Administrator, Tallahassee, FL. (20 hours/week).

Therapist, Florida State University Psychology Clinic. (15 hours/week).

1982 Psychological Consultant, Florida State Hospital, Chattahoochee, FL. (20 hours/week).

1980-1981 Resident Advisor/Counselor, Devereux Career House Treatment Center, Devon, Pennsylvania. (40 hrs/week)

1979-1980 Therapeutic Recreation Counselor, Devereux Hall Treatment Center, Berwyn, Pennsylvania. (40 hrs/week)

GRANTS AND CONTRACTS

2017-2018 Awarded a contract from the Colombo Plan to implement the Universal Treatment Curriculum (UTC) Coordinating Center for North American Universities. The UTC Coordinating Center, located at the University of South Florida will disseminate the UTC curriculum to universities in the U.S. and Canada for use in developing undergraduate and graduate programs in addiction studies, create a network of universities interested in addiction studies programs, and will support the newly created International Consortium of Universities for Drug Demand Reduction ($94,000, one-year renewable contract). Principal Investigator.

2015-2018 Intimate Partner Violence entitled IPV and Fatherhood Intervention for Residential Substance Abuse Treatment. This NIDA R34 grant is designed as a developmental and Stage 1 study of a novel fatherhood focused intervention in residential substance abuse treatment to reduce IPV and child maltreatment ($672,750 total award). Role: Co-Investigator; Carla Stover, Principal Investigator.

2015 Awarded a Fulbright Specialist grant to provide consultation and research, in collaboration with colleagues from the University of Cape Coast in Ghana. The grant supports a month of on-site work in Ghana during May-June, 2015, and several follow-up activities. Major activities include conducting a needs assessment survey within the three psychiatric hospitals, developing mental health and substance abuse screening processes within the high security prison, and design of academic curricula related to behavioral health issues.

2009-2014 Criminal Justice and Drug Abuse Treatment Studies – 2 (CJDATS-2): Pennsylvania Research Center. This grant is funded by NIDA to provide multi-site studies of substance abuse treatment interventions in the criminal justice system, with a particular focus on implementation processes and strategies ($251,899 subcontract, of $2.5 million total award). Role: Co-Investigator, Principal Investigator – subcontract; Steve Belenko, Principal Investigator - overall project.

2009-2012 USF Center on Co-occurring Disorders, Justice, and Multidisciplinary Research (CJM Center). This grant is funded by NIDA to expand an existing center of excellence through recruitment, mentoring, and development of new faculty investigators. The CJM Center will support research in the area of co-occurring disorders in the justice system, with a particular focus on implementation science, trauma, and veterans issues ($1.46 million - total award). Principal Investigator.

2006-2009 Hillsborough Targeted Capacity Expansion (TCE) Jail Diversion Program. This grant is funded by SAMHSA's Center for Mental Health Services to provide forensic intensive case management (FICM) services for arrestees in jail who have co-occurring disorders. The grant provides both a process and outcome evaluation ($150,806 subcontract, of $1.2 million total award). Principal Investigator.

2005-2010 Awarded a contract from the Florida Department of Children and Families develop curricula and to provide statewide training on civil commitment procedures for health care practitioners in Florida ($1,125,781 total award). Principal Investigator.

2006-2009 Hillsborough County Jail Discharge Planning Project. This Bureau of Justice Assistance grant provides for coordinated discharge planning in the jail and during community reentry for offenders with co-occurring mental and substance use disorders. The grant provides an outcome evaluation of the project ($31,500 subcontract, of $240,000 total award). Principal Investigator.

2007 Awarded a contract from Pinellas County to evaluate the Pinellas County Adult Drug Court program ($30,000). Principal Investigator.

2005-2007 Awarded a contract from Sarasota County to evaluate the VIP jail diversion program in Sarasota County, Florida ($99,064). Principal Investigator.

2000-2005 Awarded a grant from the Substance Abuse and Mental Health Administration, Center for Substance Abuse Treatment to develop Phase II of the Suncoast Practice and Research Collaborative, supporting implementation of knowledge application studies, technology transfer, and network development ($513,205 – first year, $1,171,065 total federal award). Principal Investigator.

2001-2002 Awarded a Conference Grant from the Substance Abuse and Mental Health Administration, Center for Substance Abuse Treatment to provide a two-day regional conference on "Bridging the Gap: Practice, Research, and Policy Collaboratives for Knowledge Adoption". ($50,000). Principal Investigator.

2001-2002 Awarded a grant from the Administrative Office of the Courts, Florida Thirteenth Judicial Circuit to evaluate the Felony Drug Division ($20,000). Principal Investigator.

2000-2001 Awarded a contract from the Florida Department of Corrections to provide post-release tracking and follow-up for the Residential Substance Abuse Treatment (RSAT) Co-Occurring Disorders Program. ($43,320). Co-Principal Investigator. (Holly A. Hills, Ph.D., Principal Investigator).

1999-2000 Awarded a grant from the Substance Abuse and Mental Health Administration, Center for Substance Abuse Treatment to develop Phase I of the Suncoast Practice and Research Collaborative (SPARC) in the Tampa Bay area to enhance coordination of clinical practice and research activities related to substance-involved offenders. ($248,000). Principal Investigator.

1999-2000 Awarded a grant from the Substance Abuse and Mental Health Services Administration, Center for Substance Abuse Treatment to evaluate a family court project in Hillsborough County, Florida. ($49,139). Principal Investigator.

1997-2000 Awarded contracts from the Florida Department of Corrections to assist in development, implementation, and evaluation of prison-based dual diagnosis treatment programs, through Residential Substance Abuse Treatment grants provided by the U.S. Department of Justice. ($690,250). Principal Investigator.

1995-2000 Awarded a contract from the National GAINS Center, a collaborative project funded by CMHS, CSAT, and NIC, to provide research and consultation in developing strategies to improve services for dually diagnosed offenders. ($358,911). Principal Investigator.

1996-1999 Awarded contracts from the Florida Fourth Judicial Circuit, in Jacksonville, Florida to evaluate adult and juvenile drug court programs, through Drug Court Enhancement and Continuation Grants provided by the U.S. Department of Justice, Office of Justice Programs, Drug Court Program Office. ($140,418). Principal Investigator.

1995-1999 Awarded a grant from the Florida Supreme Court, Office of the State Courts Administrator to evaluate two drug court programs within the 1st Judicial Circuit. ($42,000). Principal Investigator.

1996 Awarded a contract from the Substance Abuse and Mental Health Services Administration, Center for Substance Abuse Treatment, and the Texas Department of Criminal Justice to evaluate the effectiveness of substance abuse screening instruments with state prisoners. ($22,000). Principal Investigator.

1995-1996- Awarded a contract from the City of Jacksonville to evaluate the Criminal Justice Substance Abuse Treatment Program (CJSATP) in the Jacksonville jail. ($27,000). Principal Investigator.

1995 Awarded a contract from the Florida Department of Corrections to design a treatment program for dually diagnosed inmates, and program evaluation strategies. ($20,000). Principal Investigator.

1994-1995 Awarded a contract from the Florida Supreme Court, Office of the State Courts Administrator to provide technical assistance in implementing a juvenile drug court program in the 1st Judicial Circuit. ($11,700). Principal Investigator.

1992-1994 Awarded a contract from the Florida Supreme Court, Office of the State Courts Administrator to provide technical assistance in implementing a model demonstration drug court program in the 1st Judicial Circuit, to develop strategies to evaluate the drug court program, and to develop a guidelines manual for the State Justice Institute to assist in drug court program implementation. ($51,000). Principal Investigator.

1993 Awarded a contract from the Florida Department of Corrections to develop an evaluation of acute care and transitional care mental health facilities within three state correctional institutions. ($103,000). Co-Principal Investigator.

Awarded a contract from the Florida Supreme Court, Office of the State Courts Administrator to develop an evaluation of Florida's DUI programs. ($25,500). Principal Investigator.

1992-1993- Awarded a contract from the City of Jacksonville to provide consultation in developing evaluation strategies for the Criminal Justice Substance Abuse Treatment

Program (CJSATP) in the Jacksonville jail. ($8,400). Principal Investigator.

Awarded a contract from the King County Department of Public Health, Division of Alcoholism and Substance Abuse Services to conduct an evaluation of substance abuse treatment programs within the King County Jail, Seattle, Washington ($14,800). Principal Investigator.

Awarded a contract from the Florida Department of Corrections to design evaluation procedures for a demonstration mental health unit within the Charlotte Correctional Institution. ($10,930). Co-Principal Investigator.

Awarded a contract from the Florida Department of Corrections to evaluate substance abuse screening and assessment strategies within the FDOC Tier Programs. ($18,662). Principal Investigator.

1991 Received a Research and Creative Scholarship Grant from the University of South Florida, entitled "Alcohol expectancies among incarcerated offenders referred to a substance abuse treatment program: Predicting relapse, recidivism, and drinking styles." ($3,445). Co-Principal Investigator.

Awarded a contract from the American Jail Association, Hagerstown, Maryland, to evaluate the effectiveness of national demonstration in-jail drug treatment programs. ($13,808). Principal Investigator.

Received a grant from the Florida Department of Health and Rehabilitative Services to develop a model assessment and evaluation strategy to be employed in public adolescent drug treatment facilities. The grant also provided funding for research evaluating the reliability of current assessment instruments in identifying drug use among adolescents. ($60,000). Co-Principal Investigator.

Awarded a contract from the Vera Institute of Justice, New York, New York, to conduct a pre-service training workshop for drug treatment staff, to provide in-service training for clinical supervisors, and to develop a pre-service training curriculum manual. ($10,818). Principal Investigator.

1990 Awarded a contract from the Hillsborough County Sheriff's Office, Tampa, Florida, to provide follow-up evaluation, data analysis, clinical consultation, and training in support of the Sheriff's Office In-Jail Substance Abuse Program. ($15,000). Principal Investigator.

Awarded a contract from the American Jail Association, Hagerstown, Maryland, to assist in developing a monograph chapter for the National Institute on Corrections (NIC) "Task Force on Correctional Substance Abuse Strategies". ($2,000). Principal Investigator.

Awarded a contract from the American Jail Association, Hagerstown, Maryland, to evaluate results from a nationwide survey of in-jail drug treatment programs. ($4,000). Principal Investigator.

1989 Received a Research and Creative Scholarship Grant from the Department of Law and Mental Health to evaluate the utility of addiction assessment instruments in a jail setting. ($4,324). Principal Investigator.

1988 Awarded a contract from the Hillsborough County Sheriff's Office, Tampa, Florida, to develop an in-jail drug treatment program design, to assist in staff hiring, to provide pre-service staff training, and to develop and implement an evaluation of program effectiveness. ($60,000). Co-Principal Investigator.

1987 Received a President's Council Faculty Award grant from the University of South Florida to evaluate the potential diversion of misdemeanant mentally ill inmates from jails. ($4,585). Principal Investigator.

Awarded a contract from the Florida Department of Health and Rehabilitative Services, District V, St. Petersburg, Florida, to conduct a series of three two-day training workshops in stress management, communications skills, and management of difficult client populations. ($5,000). Principal Investigator.

PROFESSIONAL PRESENTATIONS (** Past 7 Years)

2017 Peters, R.H. Interventions for offenders with co-occurring mental and substance use disorders. Invited presentation at the 35th International Congress on Law and Mental Health. Prague, Czech Republic (July).

Peters, R.H. Conference overview, Vision for the ICUDDR and roles of the

Coordinating Centers, and Realizing the ICUDDR vision: Opportunities, obstacles, process, and next steps. Invited presentations at the Second Annual ICUDDR Conference. Prague, Czech Republic (June).

Peters, R.H. Utilizing risk assessment and evidence-based interventions to inform service delivery. Invited presentation at the Circuit 13 Criminal Justice, Mental Health Summit. Tampa, Florida (January).

2016 Peters, R.H. Evidence-based sentencing for drug offenders: Addressing individuals with co-occurring disorders. Invited presentation at the Justice Leaders Systems Change Initiative Alumni Symposium, sponsored by the National Judicial College and the Center for Health and Justice at TASC. Reno, Nevada (December).

Peters, R.H. International Consortium of Universities for Drug Demand Reduction. Invited presentation at the Congresso Internacional Freemind 2016, sponsored by the International Society of Substance Use Prevention and Treatment Professionals. Campinas, Brazil (December).

Peters, R.H. Evidence-based sentencing for drug offenders: Targeting, disposition of risks and needs. Invited presentation at the Justice Leaders Systems Change Initiative symposium, sponsored by the National Judicial College and the Center for Health and Justice at TASC. Orlando, Florida (November).

Peters, R.H. Effectiveness of Mental Health Courts in Diversion from the Criminal Justice System. Invited presentation at the United Nations Office on Drugs and Crime - World Health Organization meeting on "Treatment and Care of People with Drug Use Disorders in Contact with the Criminal Justice System: Alternatives to Conviction or Punishment". Vienna, Austria (September).

Peters, R.H. Evidence-based practices in drug court treatment; and Peters, R., Co-occurring disorders. Invited presentations at the STOP Court and Train conference, sponsored by Florida's 11th Judicial Circuit and the Miami-Dade Drug Court. Miami, Florida (September).

Peters, R.H. Ensuring quality treatment services in specialty courts; and Peters, R., Co-occurring disorders and specialty courts: An overview. Invited presentations at the 2016 Specialty Court Symposium, sponsored by the Oregon Judicial Department and the National Drug Court Institute. Salem, Oregon (September).

Peters, R.H. Evidence-based sentencing for drug offenders: Targeting, disposition of risks and needs; and Peters, R., & Knight, K. Ask the researchers - expert panel. Invited presentations at the Justice Leaders Systems Change Initiative symposium, sponsored by the National Judicial College and the Center for Health and Justice at TASC. Lansing, Michigan (September).

Peters, R.H. Evidence-based sentencing and dispositions for substance-involved offenders. Invited presentation at the Florida Alcohol and Drug Abuse Association/Florida Council for Community Mental Health Annual Conference.

Orlando, Florida (August).

Peters, R.H., Brown, L., Alpass, F.M., & Lang-Peralta, L. Fulbright opportunities for psychologists. Symposium presentation at the 2016 Annual Convention of the American Psychological Association. Denver, Colorado (August).

Peters, R.H. Screening and assessment of co-occurring substance use and mental disorders in the justice system. Invited webinar presentation on behalf of SAMHSA's GAINS Center for Behavioral Health and Justice Transformation (May).

Peters, R.H. Identifying defendants with mental illness and accessing services. Invited presentation for the Hillsborough County Bar Association's Law Day Event (CLE workshop) on "Ending the Criminalization of Mental Illness". Tampa, Florida (May).

Peters, R.H. Assessing risk for persons with behavioral health needs involved in the criminal justice system. Invited presentation for the Hillsborough County Strategic Planning Department and Court Administration for the 13th Judicial Circuit, and the Criminal Justice, Mental Health, and Substance Abuse Reinvestment Grant Program. Tampa, Florida (May).

Peters, R.H. Evidence-based sentencing: Addressing co-occurring mental disorders, Peters, R., Evidence-based sentencing for drug offenders: Targeting, disposition of risks and needs; and Peters, R., Condon, T., & Knight, K. Ask the researchers - expert panel. Invited presentations at the Justice Leaders Systems Change Initiative symposium, sponsored by the National Judicial College and the Center for Health and Justice at TASC. Sacramento, California (May).

Peters, R.H., Rodriguez, P., Wexler, H., Kerr, D., & Booker, C. Decarceration and justice reform: Crime, public safety, and choices ahead, and Peters, R.H. Evidence-based sentencing options for substance-involved offenders. Invited presentations at the 22nd Annual National TASC Conference on Drugs, Crime, and Re-Entry. Chicago, Illinois (April).

Peters, R.H. Experiences in substance use treatment and prevention education in the U.S. and possibilities for the Universal Treatment Curriculum and the Universal Prevention Curriculum. Invited presentation at the Meeting for University Education Providers, sponsored by the Colombo Plan, the International Centre for Certification and Education of Addiction Professionals (ICCE), and the U.S. Department of State. Honolulu, Hawaii. (March).

Cooper, C.S., Peters, R.H., Fuchs, D., Hueston, J., & Schwartz, J. Strategies for systematically screening all drug court arrestees and probation violators for drug court eligibility. Invited webinar presentation on behalf of the American University, School of Public Affairs, Justice Programs Office (March).

Peters, R.H. Screening and assessment of co-occurring substance use and mental

disorders in the criminal justice system. Invited webinar presentation on behalf of the Council of State Governments (March).

2015 Peters, R.H. Evidence-based sentencing for drug offenders: Targeting, disposition of risks and needs; and Ask the researchers - expert panel. Invited presentations at the Justice Leaders Systems Change Initiative symposium, sponsored by the National Judicial College and the Center for Health and Justice at TASC. San Diego, California (December).

Kremling, J., Peters, R.H., & Hunt, E. Connections between age of onset of alcohol and drug use, substance dependence, arrest history, offense type, and severity. Presentation at the American Society of Criminology 71st Annual Meeting. Washington, D.C. (November).

Peters, R.H. Evidence-based sentencing for drug offenders: Targeting, disposition of risks and needs; and Ask the researchers - expert panel. Invited presentations at the Justice Leaders Systems Change Initiative symposium, sponsored by the National Judicial College and the Center for Health and Justice at TASC. Lafayette, Louisiana (September).

Peters, R.H. Identifying substance abuse treatment needs on the Gold Coast: A 2015 Fulbright Specialist project in Ghana. Invited keynote presentation at the Fulbright Welcome Reception, sponsored by the Mid-Florida Chapter of the Fulbright Association and USF World. Tampa, Florida (September).

Peters, R.H., and Neri, R.L. Back to the future: Designing treatment programs for criminal justice populations. Invited presentation at the Florida Alcohol and Drug Abuse Association/Florida Council for Community Mental Health Annual Conference. Orlando, Florida (August).

Peters, R.H. Predictors of treatment history among justice-involved individuals. Invited presentation at the 34th International Congress on Law and Mental Health, International Academy of Law and Mental Health. Vienna, Austria (July).

Peters, R.H. Providing effective services for patients who have co-occurring mental and substance use disorders. Invited presentation at the University of Cape Coast, sponsored by the College of Health and Allied Sciences. Cape Coast, Ghana (June).

Peters, R.H. Providing effective services for patients who have co-occurring mental and substance use disorders. Invited presentation at the National Museum of Ghana, sponsored by the University of Cape Coast, College of Health and Allied Sciences. Accra, Ghana (June).

Peters, R.H. New advances in treating substance abuse problems. Invited presentation at the University of Cape Coast, sponsored by the College of Health and Allied Sciences. Cape Coast, Ghana (June).

Peters, R.H. Effective approaches for screening and assessment of co-occurring

disorders among offenders. Invited presentation at the 21st Annual National TASC Conference on Drugs, Crime, and Re-Entry. St. Petersburg, Florida (May).

Peters, R.H. Evidence-based screening instruments for co-occurring disorders in the justice system. Invited presentation at the Criminal Justice, Mental Health, and Substance Abuse Technical Assistance Center quarterly meeting. Tampa, Florida (March).

Peters, R.H., & Steadman, J.H. Moving from risk assessment to risk supervision: Responsivity and evidence-based criminogenic interventions. Invited webinar presented at SAMHSA's Behavioral Health Treatment Court Collaborative Cross-Site Conference (February).

Peters, R.H. Evidence-based clinical interventions to address co-occurring disorders. Invited webinar presented at SAMHSA's Behavioral Health Treatment Court Collaborative Cross-Site Conference (February).

2014 Peters, R.H., & Schwartz, R.P. Evidence-based decision-making in the courtroom. Invited webinar presented on behalf of the Justice Leaders Systems Change Initiative (JLSCI), Center for Health and Justice at TASC (December).

Peters, R.H. Research on co-occurring disorders in the justice system. Invited webinar presented on behalf of SAMHSA's National GAINS Center for Behavioral Health and Justice Transformation at the GAINS Center Expert Panel meeting (November).

Peters, R.H. Evidence-based decision-making for drug offenders: Targeting disposition of risks and needs; and Ask the researchers – expert panel. Invited presentations at the Justice Leaders Systems Change Initiative symposium, sponsored by the National Judicial College and the Center for Health and Justice at TASC. Concord, New Hampshire (November).

Peters, R.H., Effective intervention strategies for offenders with co-occurring mental and substance use disorders; and Peters, R.H., Evidence-based screening and assessment for co-occurring disorders in the justice system. Invited presentations at the Utah Fall Substance Abuse Conference. St. George, Utah (September).

Peters, R.H., Hunt, E., and Kremling, J. Accuracy of self-reported substance use among offenders; and Peters, R.H. & Rojas, E. Effective approaches for screening and assessment of offenders who have co-occurring disorders. Presentations at the American Psychological Association Annual Convention. Washington, D.C. (August).

Peters, R.H. What does the research tell us about treating offenders with substance use and co-occurring mental disorders? Invited presentation at the Florida Alcohol and Drug Abuse Association/Florida Council for Community Mental Health Annual Conference. Orlando, Florida (August).

Peters, R.H. What's new in screening and assessment instruments for co-occurring disorders in the justice system? Invited presentation at the Florida Partners in Crisis, Annual Conference and Justice Institute. Orlando, Florida (July).

Peters, R.H., Kushner, J., Mee-Lee, D., Cohen, J., & Cooper, C.S. What drug court judges should know about drug court treatment services. Invited presentation at the National Association of Drug Court Professionals 20th Annual Training Conference. Anaheim, California (May).

Peters, R.H. Targeting risks and needs with responsivity. Invited presentation at the Justice Leaders Systems Change Initiative (JLSCI), Utah Department of Corrections Evidence-Based Practices Conference. Draper, Utah (May).

Peters, R.H. Risk, needs, and responsivity and evidence-based decision-making. Invited presentation at the Montana Judges' Association Annual Conference. Helena, Montana (May).

Peters, R.H. Screening and assessment: Identifying behavioral health needs in adults and Implementing integrated treatment programs. Invited presentations at the Second Chance Act Grantee Conference, sponsored by the U.S. Department of Justice. Washington, D.C. (May).

Peters, R.H. Evidence-based decision-making for drug offenders: Targeting disposition of risks and needs; and Ask the researchers – expert panel. Invited presentations at the Justice Leaders Systems Change Initiative Symposium, sponsored by the National Judicial College and the Center for Health and Justice at TASC. Reno, Nevada (March).

2013 Shafer, M.S., Prendergast, M., Duffee, D., Peters, R.H., & Tracy, S. The role of facilitation in organizational change in correctional settings: A mixed methods analysis. Presentation at the Society of Criminology Annual Conference. Atlanta, Georgia (November).

Kremling, J., Peters, R.H., & Hunt, E. Accuracy of self-reported drug use among offenders. Presentation at the Society of Criminology Annual Conference. Atlanta, Georgia (November).

Shafer, M.S., Prendergast, M., Duffee, D., Peters, R.H., & Tracy. Studying implementation in criminal justice: The Criminal Justice Drug Abuse Treatment Studies research collaborative. Presentation at the Society of Criminology Annual Conference. Atlanta, Georgia (November).

Shafer, M.S., Prendergast, M., Rivera, R., Abdel-Salam, S., Janich, N., Kilmer, A., & Peters, R.H. Effectiveness of an organizational process improvement intervention (OPII) for improving the assessment, case planning and referral processes for offenders. Presentation at the Addiction Health Services Research conference. Portland, Oregon (October).

Peters, R.H. Recidivism reduction, substance use, and co-occurring disorders; and Screening, assessment, and treatment of co-occurring disorders. Invited presentations at the Illinois Association of Problem-Solving Courts Annual Conference. Springfield, Illinois (September).

Peters, R.H. Six steps to improve your drug court outcomes for adults with co-occurring disorders. Invited webinar presentation on behalf of SAMHSA's National GAINS Center for Behavioral Health and Justice Transformation (September).

Peters, R.H. & Kusiak, A.M. Risk assessment and clinical assessment: Their best integration in the criminal justice system. Webcast presented on behalf of the National Judicial College, the Justice Leaders Systems Change Initiative, and the Center for Health and Justice at TASC (August).

Peters, R.H., & Neri, R. Effective court-based interventions for substance-involved offenders. Invited presentation for the Florida Supreme Court Task Force on Substance Abuse and Mental Health Issues in the Court. Tampa, Florida (July).
Peters, R.H. Know who they are and what they need: Screening and assessment of co-occurring disorders. Webinar presented on behalf of the National Drug Court Institute and SAMHSA's GAIN Center (May).

Peters, R.H., Schwartz, R.P., & Chaple, M. Clinical skills for evidence-based substance abuse treatment practices with offenders. Invited presentation at the National TASC Conference. Columbus, Ohio (May).

Peters, R.H. Evidence-based practices in co-occurring disorders, Screening and assessment of substance use and co-occurring disorders, and Dialogue with the experts. Invited presentations at the SAMHSA Offender Reentry Program Grantee Conference. Columbus, Ohio (May).

Peters, R.H. Treating offenders with co-occurring mental and substance use disorders: Are there effective intervention strategies? Invited presentation for the University of Arkansas, Department of Psychology colloquium series. Fayetteville, Arkansas (May).

Peters, R.H. Screening and assessment of co-occurring disorders. Invited presentation at the SAMHSA Adult Treatment Court Collaborative (ATCC) Annual Grantee Meeting. Bethesda, Maryland (March).

Peters, R.H. Know who they are and what they need: Screening and assessment for co-occurring disorders. Invited presentation at the National Drug Court Institute training conference on "Improving Your Drug Court Outcomes for Individuals with Co-Occurring Disorders". Peachtree City, Georgia (March).

2012 Peters, R.H. Importance of risk assessment with drug court participants, and Working with drug court participants who have co-occurring disorders. Invited presentations for the Sarasota County Enhanced Drug Court Program training conference. Sarasota, Florida (December).

Peters, R.H. Co-occurring disorders. Invited presentation at the National Drug Court Institute "Adult Drug Court Planning Initiative Training Conference". Atlanta, Georgia (November).

Welsh, W., Peters, R., Monico, L., Stein, L., & Stahler, G. Criminal Justice Drug Abuse Treatment Studies (CJDATS): Improving assessment and case planning in corrections; and Welsh, W., Peters, R., Monico, L., Stein, L., & Stahler, G., Offender assessment, case planning, and referral to community-based treatment: Effects of a structured process improvement initiative. Invited presentations at the 2012 Annual Conference of the American Society of Criminology. Chicago, Illinois (November).

Peters, R.H. Effective intervention strategies for offenders who have co-occurring disorders. SAMHSA/Center for Substance Abuse Treatment Criminal Justice Expert Panel on Co-Occurring Disorders. Bethesda, Maryland (September).

Peters, R.H. Addressing co-occurring disorders in adult court-based programs. Webinar presented on behalf of the Council of State Government's Criminal Justice/Mental Health Consensus Project and the U.S. Department of Justice, Bureau of Justice Assistance (August).

Peters, R.H., Espinosa, J., & Barrett, B. Innovations in drug courts and family dependency treatment courts. Presentation at the Florida Alcohol and Drug Abuse Association/Florida Council for Community Mental Health joint annual conference. Orlando, Florida (August).

Peters, R.H. Identifying programmatic adaptations for offenders with mental health disorders and co-occurring disorders in custody, court, and community settings. Invited presentation at the American Psychological Association Annual Conference. Orlando, Florida (August).

Peters, R.H. Co-occurring disorders. Invited presentation at the National Drug Court Institute "Adult Drug Court Planning Initiative Training Conference". San Diego, California (July).

Peters, R.H. Evidence-based drug court treatment: Applying research to practice, and Peters, R.H., & Osher, F.C., and Court-based interventions and co-occurring disorders. Invited presentations at the Florida Partners in Crisis 2012 Annual Conference and Justice Institute. Orlando, Florida (July).

Peters, R.H. Ask the expert – mental health and evidence-based treatment, Co-occurring disorders forum, and Evidence-based treatment for mentally ill offenders. Invited presentations at the National Association of Drug Court Professionals 18th Annual Training Conference. Nashville, Tennessee (May).

Peters, R.H. Best practices in integrated treatment for justice-involved individuals with co-occurring mental health and substance abuse disorders and Behavioral

health evidence-based practices implementation in criminal justice. Invited presentations at the Second Chance Act Grantee Conference, sponsored by the U.S. Department of Justice. Washington, D.C. (May).

Peters, R.H. Expert panel on drug courts, Identification, screening, and assessment for adult and co-occurring drug courts, Evidence-based treatment practices for drug courts with co-occurring clients, and Evidence-based treatment for drug court participants. Invited presentations at the Montana Drug Court Conference. Billings, Montana (April).

Peters, R.H. (moderator). Working with justice-involved persons who have co-occurring mental and substance disorders: Current state of science and practice, and Co-occurring disorders and the justice system: Directions for future research and practice. Conference on "Co-occurring disorders and the justice system: Innovations in research and practice", hosted by the NIDA CJM Center. Tampa, Florida (April).

Peters, R.H. Co-occurring disorders. Invited presentation at the National Drug Court Institute "Adult Drug Court Planning Initiative Training Conference". Minneapolis, Minnesota (March).

2011 Peters, R.H., Manley, S.V., & Cooper, C. Drug court treatment services: Applying research findings to practice. Webinar presented on behalf of American University, the National Center for State Courts, and the U.S. Department of Justice (November).

Peters, R.H., & Osher, F.C. Recidivism reduction, substance use and co-occurring disorders: What does evidence and practice tell us? Webinar presented on behalf of the Council of State Government's National Reentry Resource Center and the U.S. Department of Justice, Bureau of Justice Assistance (September).

Peters, R.H., & Desmarais, S.L. What's new in screening and assessment tools? Invited presentation at the Florida Partners in Crisis Annual Conference and Justice Institute. Orlando, Florida (July).

Peters, R.H. Co-occurring disorders 101, and Co-occurring disorders 102. Invited presentations at the 17th National TASC Conference on Drugs and Crime. Denver, Colorado (May).

Peters, R.H. Co-occurring disorders. Invited presentation at the National Drug Court Institute "Adult Drug Court Planning Initiative Training Conference". Minneapolis, Minnesota (May).

Peters, R.H. Co-occurring disorders 101, and Co-occurring disorders 102. Invited presentations at the SAMHSA AJCT/ORP Grantee Conference. Denver, Colorado (May).

Peters, R.H. Co-Occurring Disorders among Offenders, and Incorporating the

Principles of Risk, Need, and Responsivity into Reentry Program Designs. Invited presentations at the Second Chance Act Grantee Conference, sponsored by the U.S. Department of Justice. Washington, D.C. (February).

Peters, R.H. Ensuring treatment programs for co-occurring disorders adhere to best practices. Invited presentation at the Office of Justice Programs National Reentry Resource Center Technical Assistance Planning Meeting for Second Chance Act Grantees. Washington, D.C. (January).

2010 Peters, R.H. USF's Center on Co-Occurring Disorders, Justice, and Multidisciplinary Research. Presentation at the NIDA P30 Research Core Center grant meeting. Rockville, Maryland (December).

Peters, R.H., Boothroyd, R.A., & Armstrong, M.I. Use of the Simple Screening Instrument for Substance Abuse (SSI-SA) in services research: Analysis of psychometric properties. Presentation at the 2010 Addictions Health Services Research conference. Lexington, Kentucky (October).

Peters, R.H. Co-occurring disorders 101, and Screening and assessment for co-occurring disorders. Invited presentations at the SAMHSA AJCT/ORP grantee conference. Albuquerque, New Mexico (September).

Peters, R.H. Assessing dependence, comorbidity, and trauma. Invited presentation at the Office of Justice Programs Offender Drug Abuse Monitoring Program BJS-NIJ Expert Topic Meeting. Washington, D.C. (May).

Peters, R.H. Co-occurring disorders, and Using evidence-based practice for treatment. Invited presentations at the Florida Supreme Court's 2010 Florida College of Advanced Judicial Studies. Fort Myers, Florida (May).

Peters, R.H. Co-occurring disorders. Invited presentation at the National Drug Court Institute "Adult Drug Court Planning Initiative Training Conference". Pittsburgh, Pennsylvania (May).

Peters, R.H. Effectiveness of co-occurring disorders screening instruments with offenders, and Hills, H.A. and Peters, R.H., Examination of Medicaid recipients in opioid addiction care: Mental health and criminal justice status. Invited presentations at the 2010 National GAINS Center conference. Orlando, Florida (March).

Peters, R.H. Co-occurring disorders. Invited presentation at the National Drug Court Institute "Adult Drug Court Planning Initiative Training Conference". Nashville, Tennessee (March).

TEACHING

MHS 4452 - Co-Occurring Mental and Substance Use Disorders. University of South Florida,

College of Behavioral and Community Sciences (Summer 2016, 2017).

MHS 4425 - Field Experience in Behavioral Healthcare. University of South Florida, College of Behavioral and Community Sciences (Summer 2016, Spring 2017, Summer 2017).

PHC 6934/MHS 6900 - Substance Abuse, Crime, and the Justice System. University of South Florida, College of Public Health and College of Behavioral and Community Sciences (course cross-listed; Fall 2012; 2013; 2014, 2015).

Independent study course - MHS 4906-908 Summer Research Internship (CRN# 54547). Served as research mentor for a USF undergraduate student as part of the FMHI Summer Research Institute program (Summer, 2008)

Independent study course - MHS 4906-908 Summer Research Internship CRN# 54547). Served as research mentor for a USF undergraduate student as part of the FMHI Summer Research Institute program (Summer, 2005)

RCS 6459 - Substance Abuse II, University of South Florida, Department of Rehabilitation Counseling (Spring, 1999; Spring 2000; Spring 2001)

Assisted in the development of a Certificate Program in Addictions and Substance Abuse Counseling for the University of South Florida, Department of Rehabilitation Counseling.

Guest lectures: CLP 4433, RCS 6740, PSY 7931

ADVISORY COMMITTEES AND BOARDS

2016-2017	ICUDDR Conference Program Committee, Co-Chair of Second Annual ICUDDR Conference in Prague, Czech Republic
2016-17	ICCE Commission (International Centre for Credentialing and Education of Addiction Professionals)
2016-17	Treatment Expert Advisory Group, Colombo Plan-ICCE
2016-17	Scientific Review Committee (Co-Chair), International Society of Substance Use Prevention and Treatment Professionals
2014-2017	Florida Supreme Court Task Force for Mental Health and Substance Abuse Issues in the Courts
2016	Invited Participant in “Meeting of Experts on Treatment and Care of People with Drug Use Disorders in Contact with the Criminal Justice System: Alternatives to Conviction or Punishment", organized by the United Nations Office of Drugs and Crime (UNODC) and the World Health Organization (WHO).
2014-	Data Safety and Monitoring Board, NIDA R34 grant project: “Treating Co-

2017	Occurring Substance Use and Mental Disorders Among Jail Inmates"
2012-2017	National Advisory Board, NIDA Institute for Translational Research in Adolescent Behavioral Health
2012-2016	Homeless Programs Evaluation Technical Assistance Panel, Research Triangle Institute
2011-2014	National Association of Drug Court Professionals, Mental Health Committee
2012	SAMHSA/Center for Substance Abuse Treatment Criminal Justice Expert Panel on Co-Occurring Disorders (Bethesda, Maryland).
	National Drug Court Institute and National GAINS Center panel on identification, screening, assessment, and triage of offenders with co-occurring disorders in specialty courts (Co-Facilitator, Alexandria, Virginia).
2009-2012	Council of State Governments Justice Center, National Reentry Resource Center; Health, Mental Health, and Substance abuse Committee (Co-Chair)
2001-2011	Regional Advisory Council, Southern Coast Addiction Technology Transfer Center (SCATTC)
2009-2010	Center for Substance Abuse Treatment, Grants to Benefit Homeless Individuals (GBHI) Cross-Site Evaluation Expert Panel
2006-2008	Treatment Advisory Committee, California Department of Corrections and Rehabilitation, Office of Substance Abuse Programs
2000-2008	Florida Supreme Court, Task Force on Treatment-Based Drug Courts. Chair, Evaluation Workgroup.
2006-2007	Advisory Group – Planning for Collaboration among Corrections, Substance Abuse and Mental Health Partners: A Joint BJA/SAMHSA/NIDA Initiative
2005-2007	National Advisory Board, Center for Evidence-Based Interventions for Crime and Addiction, University of Pennsylvania, Treatment Research Institute.

1992	Member, Department of Law and Mental Health Chairperson Search Committee, Florida Mental Health Institute
	Member, Department of Law and Mental Health Research Director Search Committee, Florida Mental Health Institute

1991-93	Academic Affairs representative, USF Substance Abuse Prevention Coalition/Substance Abuse Coalition
	Member, USF Substance Abuse Interest Group
1991	Member, Department of Law and Mental Health Assistant Professor Search Committee, Florida Mental Health Institute
	Member, Department of Law and Mental Health Adolescent Receiving Facility Project Director Search Committee, Florida Mental Health Institute
	Member, FMHI Employee of Quarter Selection Committee
1990-99	Member, FMHI Research Interest Group
1990-91	Chairperson, FMHI Research Interest Group
	Member, FMHI Internship Committee
1987-88	Member, FMHI Technical Publications Committee

DISSERTATION AND THESIS COMMITTEES

- Outside Chair, Elizabeth Rojas dissertation defense (Psychology) - June 2017
- Outside Chair, Elizabeth Hunt dissertation defense (Psychology - July 2016
- Outside Chair, Brandy Henderson dissertation defense (Criminology) - March 2015
- Dissertation Committee, Blake Barrett (Community and Family Health, COPH)
- Outside Chair, Heather Blunt dissertation defense (Community and Family Health, COPH) - June 2012
- Outside Chair, Tara Richards dissertation defense (Criminology) - November 2011
- Outside Chair, Michael Caudy dissertation defense (Criminology) - July 2011
- Research Mentor for Chelsea Heinz as part of FMHI's Summer Research Institute program - Summer 2008

RESEARCH INTERESTS

- Co-occurring mental and substance use disorders in the justice system
- Screening, assessment, and treatment of substance use disorders in the justice system
- Relapse prevention approaches and cognitive-behavioral approaches with offenders
- Evaluation of addiction and co-occurring disorders treatment efficacy in drug courts, jails, prisons, community corrections, and other criminal justice settings
- Alternative judicial case processing approaches, including drug courts, mental health courts, and specialized dockets for co-occurring disorders
- Implementation of evidence-based practices within community-based substance abuse treatment settings and within the justice system
