

## **Alison A. Salloum, PhD, LCSW**

---

University of South Florida, College of Behavioral and Community Sciences  
School of Social Work  
13301 Bruce B. Downs Blvd., MHC1400 Tampa, FL 33612-3870  
(813) 974-1535 email: asalloum@usf.edu

### **EDUCATIONAL BACKGROUND**

- 2005 PhD Tulane University, New Orleans, LA  
School of Social Work  
Dissertation - *Child Survivors of Homicide Victims: Effectiveness of a Group Therapy Model for Reducing Traumatic Stress*
- 1994 MSW Tulane University, New Orleans, LA  
Master of Social Work  
Concentration in Mental Health
- 1988 BA Spring Hill College, Mobile, AL  
Bachelor of Arts in Communications/Business

### **ACADEMIC APPOINTMENTS**

#### **University of South Florida, Tampa**

##### **College of Behavioral and Community Sciences**

School of Social Work

- Professor (2018- present)
- Associate Professor (2013-2018), Interim Director (2015-2017)
- Assistant Professor (2007-2013)
- Visiting Assistant Professor (2006-2007)

Department of Pediatrics

- Joint appointment (2009-2018)

#### **Southern University at New Orleans**

School of Social Work

- Adjunct Instructor (2006-2008), Post-Masters Certificate Program: Treating Childhood Traumatic Stress

#### **Tulane University (New Orleans, LA)**

Department of Psychiatry and Neurology, Child and Adolescent Section

- Clinical Assistant Professor (Part-time; 2005-2006)

School of Social Work

- Adjunct Faculty (2004-2005)
- Adjunct Field Instructor (1996-2004)

### **LICENSES**

- Licensed Clinical Social Worker, License SW 8788, Florida
- Licensed Clinical Social Worker, License SW 4085, Louisiana

## FUNDED RESEARCH

- 2015-2020  
(Aug-Apr) National Institute of Mental Health [1R01MH107522-01]  
Stepped Care for Children after Trauma: Optimizing Treatment  
The purpose of the study is to examine how to optimize the efficiency (e.g., via matching children to appropriate treatment dosage at baseline, utilizing second-stage tailoring variables, and identifying mechanisms of change) and cost-effectiveness of Stepped Care TF-CBT. Role: Principal Investigator
- 2017  
(Jan-Jun) FSU Florida Institute for Child Welfare  
Trauma Informed Behavioral Parenting: Early Intervention for Child Welfare  
The Trauma Informed Behavioral Parenting (TIBP) project proposes to expand evidence-based child welfare practices by creating a model for early interventionists providing Part C services to infants and toddlers.  
PI: Heather Agazzi  
Role: Co-Investigator
- 2015-2016  
(Jun-Jul) FSU Florida Institute for Child Welfare  
Trauma Informed Behavioral Parenting: Early Intervention for Child Welfare  
The Trauma Informed Behavioral Parenting (TIBP) project proposed to expand evidence-based child welfare practices by creating a model for early interventionists providing Part C services to infants and toddlers.  
PI: Heather Agazzi  
Role: Co-Investigator
- 2014  
(Jan-Jul) Eckerd Community Alternatives, Inc. Hillsborough  
Eckerd Case Managers' and Supervisors' Level of Burnout, Secondary Traumatic Stress and Knowledge and Practices of Trauma Informed Care: Recommendations for Improving the Organizational Environment for Case Managers and Supervisors  
The purpose of this study was to examine Eckerd child welfare case managers' and supervisors' level of burnout, secondary traumatic stress, knowledge and practices of trauma-informed care, and factors related to retention and turnover.  
Role: Principal Investigator
- 2011-2015  
(Oct-Mar) Agency for Health Care Research and Quality. [1R18HS018665-01A1]  
Utilizing Health Information Technology to Improve Health Care Quality: Implementation of a Computerized Cognitive Behavior Therapy Protocol for Childhood Anxiety  
The project consisted of a two-phase trial that evaluated the feasibility of implementing a patient-centered intervention in community mental health centers, followed by an efficacy trial.  
PI: Eric Storch  
Role: Co-Investigator

- 2011-2014  
(Jul-Nov) National Institute of Mental Health. [1R34MH092373-01A1]  
Stepped Care for Young Children After Trauma  
The purpose this R34 study was to develop and test the feasibility of a Stepped Care intervention for young children with PTSD.  
Role: Principal Investigator
- 2010-2013  
(Sep-Aug) Crisis Center of Tampa Bay, Inc.  
Stepped Care for Children (Ages 8-12) After Trauma  
The purpose of this study was to develop and test a child trauma treatment for children ages 8 to 12 within a service delivery system designed to be more efficient and accessible than standard care.  
Role: Principal Investigator
- 2008-2010  
(July-March) Fahs Beck Fund for Research and Experimentation  
The Effectiveness of a Grief and Trauma Group Intervention  
The purpose of this study was to test the effectiveness of a grief and trauma group therapy intervention.  
Role: Principal Investigator.
- 2008-2009  
(July-April) University of South Florida  
USF New Researcher Grant  
The purpose of this study was to test the effectiveness of a grief and trauma group therapy intervention. Role: Principal Investigator.
- 2008-2009 NIMH Child Intervention & Prevention Services Fellow  
Summer Research Institute and training/mentee award. Role: Fellow
- 2009-2010 U.S. Department of Education Office of Special Education and Rehabilitative Services  
Personnel Development to Improve Services and Results for Children with Disabilities (CFDA 84.325) [awarded to PI at Tulane University]  
PI: S. Overstreet  
Role: Consultant
- 2008-2010  
(July-Feb) Institute of Mental Hygiene (New Orleans, LA) & Children's Bureau of New Orleans, Inc.  
The purpose of this study was to test the effectiveness of a grief and trauma group therapy intervention. [Award granted to non-profit]  
Role: Principal Investigator
- 2006  
(Jan-Dec) Institute of Mental Hygiene (New Orleans, LA) & Children's Bureau of New Orleans, Inc.  
The purpose of this study was to develop and evaluate the effectiveness of a grief and trauma group therapy model. [Award granted to non-profit]  
Role: Principal Investigator
- 2004-2005 Tulane University Dissertation Year Fellowship  
Funded dissertation: *Child survivors of homicide victims: Effectiveness of a group therapy model for reducing traumatic stress.*  
Role: Principal Investigator

## FUNDED TRAINING GRANTS

- 2018-2019  
(July-June) Greater Houston Community Foundation  
Project Reach Round 4 Houston/Harris County Hurricane Harvey BCM Mental Health Recovery Effort.  
The purpose of this training/consultation contract is to assist with the development of a first line treatment, utilize the lesson learned about treatment development and implementation in community settings, and provide any consultation for successful implementation of project activities.
- 2018-2020  
(May-June) The Norwegian Centre for Violence and Traumatic Stress Studies  
The Stepped Care Project- Examining Treatment Trajectories and Progress Among Child Victims of Violence and their Caregivers Through Trial of an Early Intervention Model in Municipalities.
- 2015-2017  
2014-2015 Training contracts with the Early Childhood Council of Hillsborough County  
The goal of these two training grants was to provide training to case managers, child advocates, and community therapists on trauma-informed care and evidence-based practices for young children after trauma. Role: Principal Investigator
- 2015-2017  
(May-Apr) Florida State University  
Florida Institute for Child Welfare  
The purpose of this award is to establish a mutually beneficial relationship to build the child welfare scientific knowledge base in Florida. Role: Principal Investigator
- 2015-2016  
(Jul-Dec) University of Central Florida  
Title IV-E Child Welfare Stipend Program  
The goal of this award was to encourage the development of social work graduates trained to work as child welfare services staff. (training grant; no effort provided; assigned as Interim Director)  
Role: Principal Investigator

## **TEACHING EXPERIENCE**

### **University of South Florida, School of Social Work**

#### **Courses Taught:**

- Quantitative Methods in Social Work Research (doctoral course)
- Foundations of Social Work Research and Statistics (graduate)
- Evaluation of Clinical Practice in Diverse Settings (graduate)
- Foundations of Social Work Practice (graduate)
- Individual, Family and Group Treatment I (graduate)
- Individual, Family and Group Treatment III (graduate)
- Trauma and Intervention (graduate)
- Research and Statistics for Social Work (undergraduate)

### **Tulane University, School of Social Work**

#### **Courses Taught:**

- Measuring Social Phenomena (doctoral course)
- Data Management, Analysis, Interpretation & Presentation (graduate)
- Supervised MSW interns for field placement (8 years)

### ***Dissertation Committees***

#### ***Chair and Committee Member, University of South Florida, School of Social Work***

Chair, Katrina Brewsaugh, USF, School of Social Work (June 2013 to May 2014 committee member, May 2014 to March 2017, Chair, completed) *An Exploration of the Relationship between Child Welfare Workers' Ambivalent Sexism and Beliefs about Father Involvement*

Chair, Kristin Smyth, USF, School of Social Work (June, 2013 to June 2017, completed). *Understanding the Experience of Early-Onset Bipolar Disorder: The Unheard Voices of Adolescents and Their Families*

Chair, Catherine Randall, USF, School of Social (Oct. 2009 to June 2013, committee member. June 2013-April, 2015, Chair, completed) *Development of the Professional School Social Work Survey: A Valid and Reliable Tool for Assessment and Planning*

Chair, Erica Serrine, USF, School of Social Work (Dec. 2009 to October, 2013, completed). *Continuing Attachment Bonds to the Deceased: A Study of Bereaved Youth and Their Caregivers*

Committee Member, Jodi Erickson, USF, School of Social Work (July 2009 to February, 2013, completed). *The Efficacy of Aggression Replacement Training with Female Juvenile Offenders in a Residential Commitment Program*

Committee Member, Pamela Criss, USF, School of Social Work (Dec. 2008-May 2009, completed). *Prevalence of Client Violence against Social Work students and its Effects on Fear of Future Violence, Occupational Commitment and Career Withdrawal Intention.*

#### ***Committee Member, University of South Florida, Applied Behavioral Analysis***

Committee Member, Rocky D. Haynes, Jr., USF, Applied Behavioral Analysis, November 2015 to June 29, 2017, completed. *Agency-Wide Positive Behavioral Intervention and Supports for Residential Care.*

#### ***Committee Member, University of South Florida, Psychology Department***

Committee Member, Brittany Kugler, USF, Clinical Psychology Department (June 2012 to August, 2013, completed). *The role of anxiety sensitivity in the relationship between posttraumatic stress symptoms and negative outcomes in trauma-exposed adults*

Committee Member, Jennifer Park, USF, Clinical Psychology Department (June 2012 to June, 2013, completed). *An Examination of the Impact of Hoarding on Parent- Adult Child Relationships and Family Functioning*

Committee Member, Morgan Woerner, USF, Department of Psychology, March 2013-December 2014 (completed). Thesis. *Hoarding in College Students: Clinical Profile and Relationship to Other Psychopathology*

***Committee Member, Tulane University, Psychology Department***

Dissertation Committee Member, Alexandra Sims, Tulane University, Department of Psychology (June, 2013 to March 2015, completed). *Examining the Relationship between Posttraumatic Stress Disorder Symptoms and Attention Deficits in Children*

***Thesis Chair, Honor Theses***

Committee Member, Zoe Blair-Andrews, Parental Descriptions of Childhood Avoidance Symptoms after Trauma (Fall, 2018 completed). This research was presented at the 2019 CBCS We Love Research symposium where Zoe was one of the winners.

**UNIVERSITY COMMITTEES AND COMMUNITY SERVICE**
