SOW 6558 (graduate) Field Instruction Sequence IIIA

Professional Social Work Experience:

Case Management

2010 – Present, Independent Contractor, Tampa, FL

Social Worker/Case Manager, Geriatric Care Management

- Provide contractual services to agencies that offer support to clients and their families who are facing challenges in accessing appropriate and affordable community resources associated with aging, Dementia, and other disabilities. Services include providing information and referral to legal, financial, and health professionals and other community providers; coordination and monitoring of referrals to assure quality of care and appropriate follow-up; assistance in place of residence and support in assessing alternative living arrangements; financial management and assistance with health care and other benefits' application processes; and additional personal care management services that promote maximum independence, dignity, and quality of life.

Non-Profit Management

2008 – 2010, Congregation Beth Shalom, Clearwater, FL

Executive Director

- Managed all administrative and programmatic functions of 250-member non-profit religious organization. Developed and implemented fund-raising and revenue generating projects, grants, and membership campaigns. Organized and coordinated effective communication among professional and administrative staff, volunteers, and Board of Trustees to facilitate collaboration on operations and management issues. Developed numerous systems for efficient and well-functioning administrative operations including management of financial information, personnel, publications, and communication. Coordinated and supervised staff including program director, facility manager, preschool director, and office manager. Assured that all accounts receivable, accounts payable, payroll, and health benefits were administered and instituted process for developing and monitoring operating budget. Oversaw successful implementation of federal grant to install comprehensive security system at facility and managed all other facility issues.

Government and Community Relations, Policy Development, and Legislative Advocacy Training

2000 – 2007, Montgomery County Public Schools, Rockville, MD

Legislative Liaison, Office of the Montgomery County Board of Education

- Represented Board of Education of one of the nation's largest public school systems to the state legislature. Developed and maintained ongoing relationships with legislators and committee staff. Worked in partnership with internal and external stakeholders to develop, write, and communicate positions, strategies, and testimony on relevant legislative and budget concerns. Conducted staff training on legislative process and presented legislative updates at televised

Lori S. Rogovin

Board meetings. Analyzed legislation and recommended positions to the school superintendent and Board of Education. Collaborated and acted as Board liaison with county's congressional delegation, county council, and local and statewide education groups, coalitions, and government agencies. Served as associate producer of cable television program featuring discussions on current youth and education issues. Coordinated all activities related to the nomination, selection, and presentation of the Board's annual Awards for Distinguished Service to Education. Initiated and institutionalized an annual process for the development, adoption, and dissemination of a Board of Education legislative platform. Spearheaded successful collaborative efforts between business, government, and non-profit sectors to secure passage of statewide legislation.

1992 – 2000, Maryland Committee for Children, Baltimore, MD
Director of Public Policy

- Directed public policy activities of statewide children's advocacy organization, which included extensive writing, organizing, and communication duties. Staffed volunteer advisory committees responsible for issues including early childhood education, special education and provider compensation. Monitored state and federal policy developments and regulations for dependent care, early childhood education, and children's health. Coordinated statewide grass-roots education and lobbying efforts. Established agency-based student internship program and served as field instructor for graduate social work students. Recruited, supervised, and evaluated staff, interns, and consultants. Contributed to conceptualization, development, and management of grant proposals and organizational budgeting process. Partnered with local university to conduct research project on compensation of child care providers. Directed nationally recognized public outreach campaign on the Earned Income Tax Credit.

1987 – 1992, American Counseling Association, Alexandria, VA (Washington, DC Satellite Office)
Program Coordinator, Government Relations Department (Acting Director, July to December 1990)

- Served as association's health and mental health policy specialist and AIDS/HIV issues coordinator. Directed lobbying, grass roots organizing, and policy development activities for federal health, mental health, AIDS/HIV, aging, disability, civil rights, and family/children's legislation. Prepared policy papers, testimony, legislative and regulatory responses and legislative newsletter. Developed training materials and traveled extensively around the country to deliver presentations, speeches, and legislative advocacy training workshops for state affiliates and members. Established ongoing relationships with congressional offices, federal agencies, and national coalitions. Served as member of core federal lobbying group responsible for leading effort to pass the Americans with Disabilities Act and the Ryan White Comprehensive AIDS Resources Emergency (CARE) Act.

1986 – 1987, District of Columbia Lung Association, Washington, DC
Director and Health Educator, Smoking and Health Programs

- Directed administrative, fund-raising, and program activities for smoking intervention department. Administered, marketed, and facilitated workplace and community-based smoking cessation programs. Represented association to media and community groups and developed public relations materials. Consulted with businesses in the development of nonsmoking policies. Coordinated successful inner city community organizing effort for smoking education program. Initiated organization-wide budget development process.

1983 – 1986, American Association of University Women, Washington, DC
Public Policy Staff Assistant

- Monitored, lobbied, and organized for women's equity and social justice legislation on issues including health, child care, and family leave. Developed position papers, legislative newsletter, elected official voting record, and congressional testimony. Recruited, supervised, and evaluated staff and interns. Assisted director with development and management of department budget and public policy program activities.
