2a. What is OLLI?

Senior programs at the University of South Florida began in 1993 as separate liberal arts and computer training organizations for adult learners. In 2005 we became part of the Osher Lifelong Learning Institute (or OLLI), a nationwide network of 119 adult learning institutes. Funded in part by the Bernard Osher Foundation and dedicated to providing excellent education for adult learners, Osher Lifelong Learning Institutes seek to extend the demographic served by traditional universities. In 2008 the computer and liberal arts groups were merged into the present OLLI structure.

The OLLI at USF is designed for, but not limited to, adults 50 years of age and older and offers a wide variety of courses in literature, art, music, history, natural sciences, current events, computers, and lifestyle issues. Day trips, social events and free lectures are also offered.

Courses are noncredit, have no tests, involve minimal homework and require no specific educational background. Most courses are conducted by OLLI members who have demonstrated a particular skill or knowledge. In some courses we acquire new skills. In others we learn from each other as we listen to opposing views. We draw upon the expertise of the instructor and the wisdom of our classmates as we synthesize them with our own views and opinions. All courses help us to grow and expand our horizons as individuals.

*OLLI’s mission is:* To provide intellectual stimulation, social interaction, service opportunities, and outreach to the university and the greater community.

2b. How OLLI Operates

OLLI-USF is a part of Innovative Education at USF. We have a Director and her staff who are part of USF’s Innovative Education unit. The Director oversees the day-to-day operation and budget of the organization.

The OLLI program at USF is member-run under the guidance of a Board of Advisors and within the guidelines and structure of the University.

The Board consists of seven members, elected annually by the membership for staggered three-year terms, and the chairs of the seven standing committees (Curriculum, Development, Finance, Membership, Social Events, Strategic and Organizational Planning, and Volunteer). This working board determines policy which is implemented by the standing committees. Board members also serve on OLLI’s standing committees. Elected Board members may be asked to lead a Board-initiated project.

OLLI-USF is supported from membership and course fees, donations, grants and endowments.
3. Board Member Duties and Responsibilities

The Board’s mission is: To ensure the effectiveness and continuity of OLLI-USF by guiding decision making, enabling program excellence, responding to the membership, and promoting member participation. Sharing leadership with the OLLI staff, the board is future oriented, continually striving to improve while addressing present challenges and opportunities.

Each member of the board is responsible for —
1) establishing, safeguarding and advancing OLLI-USF’s values, vision, and mission;
2) understanding the organization’s financial position;
3) advancing the organization’s goals;
4) advising and supporting the Director.

The duties and responsibilities outlined below will assist each board member in the execution of these four primary responsibilities.

Duties and Responsibilities:
1. Prepare for each board meeting by reading material distributed prior to the meeting.
2. Attend and participate in the proceedings of all regular and special board meetings.

5. Retain and renew your personal paid membership in the organization.
6. Participate, as teacher or learner in at least one OLLI learning opportunity each year.
7. Support by attending and encouraging others to attend OLLI’s social events and open houses.
8. Promote OLLI’s annual fundraising efforts and solicit the support of others, including employers and friends; promote OLLI membership.

5. Election Date and Procedures

OLLI-USF Annual Meeting and Election
The annual membership meeting is held in the second quarter of the calendar year for the purpose of electing new board members and conducting any other OLLI-USF business. The Director of OLLI-USF will present an OLLI update. The annual report will be available.

Only members in good standing are eligible to vote. If any member is unable to attend the Annual Meeting, they may vote an absentee ballot, which can be downloaded from the OLLI website: www.usfseniors.org

Date: May, To Be Announced
Place: To Be Announced

6. Absentee Ballot and Procedures

If you know that you will be unable to attend the May election, please call the OLLI office and make arrangements for an absentee ballot. Absentee ballots will be available in April 2017 and must be requested no later than 10 business days prior to the election. Completed ballots must be signed and returned to the OLLI office at least two business days before the annual meeting. If you submit an absentee ballot but attend the annual meeting, you must abstain from voting a second time.
7. What To Plan For If You Are Elected

Your term of office will begin immediately after the election (May 2017).

- A Board planning retreat will be set for a day in the summer.
- Your first regular Board meeting will occur within about six weeks after the election.
