Message from the Director

It’s finally here: the “ahhh” season. Winter in Florida! Winter is a great time to be an OLLI-USF member: it is our largest term of the year! You’ll be dazzled, as we are, by the vast array of offerings. Notice that we have classes starting January through April in this edition! Bear this in mind when you are planning your participation. We organized the term into “early” and “late” sessions, with a number of courses repeated during the term.

Take a class every month and take advantage of reduced rates by using our “second choice” option!

Ara Rogers

Welcome, Charise Dixie!

Join us in welcoming Charise Dixie to the OLLI staff. Charise is training to become OLLI’s own registrar. A native of Tampa, Charise went to King High School and Hillsborough Community College, and she has been married 21 years. She joins us after a career working for the Clerk of the Circuit Court and Hillsborough County Sheriff’s department. She will be working in the OLLI office in NEC107 Monday through Friday, 8 a.m. to 5 p.m. You can reach Charise by dialing OLLI’s registration number, 813-974-2403, option 1.

**OLLI’s Town Criers: Arrive Early, Meet an Ambassador**

Town criers were once employed to make public announcements in the streets or marketplace. Early arrivals to our fall classes will get to meet an OLLI Ambassador, who are our modern town criers and so much more. Ambassadors will be there at the first class meeting to greet you, acknowledge our wonderful volunteers and make any necessary announcements. Have questions about OLLI? Your Ambassador will be able to advise you. OLLI Ambassadors are OLLI-USF leaders who have volunteered to perform these essential functions on our behalf. But get there early, because once your class starts, they will be gone!

**OLLI-USF Recruiters Needed: You are perfect for the job!**

Your OLLI-USF board has adopted director Ara Rogers’ goal of growing our membership by 15 percent over the next three years.

Various surveys reveal that most of us came to OLLI-USF as a result of word-of-mouth from friends and associates, so we are asking YOU to spread the news about the wonders of OLLI-USF. Please carry a supply of OLLI-USF brochures or Evergreen to pass along or leave in strategic places.

And consider having one of our ambassadors come to your club or organization for a presentation on OLLI-USF at one of your regular meetings. It takes only a few enthusiastic recruiters to help us reach our membership goal. Please help us grow and help others discover the life-expanding OLLI-USF experience.

For more information, contact Sally Ordway at sallyo1912@gmail.com or 813-251-9116.

**Special Event**

**Discover Korea’s Spirit and Culture**

Friday, March 4, 2016, 1:30-3 p.m.
Compton Park Clubhouse, 16101 Compton Dr, Tampa

How much do you know about Korea? South Korea is known for its green hilly countryside dotted with cherry trees and ancient Buddhist temples, its coastal fishing villages, tropical islands and high tech cities. South Korea produces the LG TVs, Hyundai cars and Samsung phones we use every day. Korean pop stars (called K-Pop) have “broken the internet” with YouTube videos which regularly go viral around the world. In this presentation, two short films will be shown: “Fifty Wonders of Korea; the Hidden Treasure of Korean Art” and “Korea Today: Korea’s Industrial Achievements,” focusing on industries where South Korea leads the world, in I.T., electronics, construction and shipping. Korean traditional refreshments will also be offered.

This program is offered free of charge to OLLI-USF by the Korean Spirit & Culture Promotion Project, a not-for-profit organization that promotes Korean history and culture to the wider world.

Participation is limited to 40. Reserve your spot by calling 813-974-8036 or emailing ollivol@gmail.com no later than Tuesday, March 1.

Can I Start a SIG?

Yes, OLLI-USF’s special interest groups (SIGs) foster learning and friendships by linking OLLI-USF members who share a common interest (bridge, hiking, movie or play-going, etc.). SIGs do not take the place of OLLI-USF courses and programs — they complement them! Like everything else at OLLI-USF, all it takes is a member willing to take the lead and find others who share the same interest. Contact the OLLI-USF office to request a set of SIG guidelines and a SIG application. Check the OLLI-USF master calendar for future SIG meeting dates at bit.ly/OLLIcalendar (case sensitive).
All events are free, open to the public and feature refreshments.
