OLLI, the little program that could, celebrates 25 years in 2018-2019! We’ve planned some wonderful opportunities. This fall, we celebrate creativity in all its forms. Creativity unexpressed is not benign, according to research professor Brene Brown. Come sing, play, dance, paint, bead, weave, move, write! Express your creativity with us. We’re a “no judgement” zone!

What’s New At OLLI This Fall?

Experiment with hands-on creativity with Small is Beautiful: The Art and Practice of Seed Bead Embroidery; or Hand Painting and Stenciling on Textiles. Creativity is practical, too, in Learn Furniture Caning for Beauty and Utility or Mind Mapping: Enhancing Your Brain Power and Creativity.

Dance Your Way to Physical and Mental Fitness is fun, physical and creative; or learn to relax with Exploring Meditation: An Introduction to Guided Meditation, or our Self-Hypnosis classes. Flute Spectacular joins OLLI Singers and the Mountain Dulcimer series, beckoning those who have put off the joys of music-making, while Poets of the Piano, Fiddling with Tradition and The Music of America’s 20th Century Wars join TWO rehearsals with the Florida Orchestra and THREE Straz performance opportunities for those who prefer to watch and listen.

We’ve also continued to expand and enhance our technology training offerings and are particularly pleased to offer a series of one-day workshops on Cutting the Cable followed by In Search of Peak TV. Photographers of all levels will want to sign up for our new Better Photo series, Apple Photos, iMovie, and iPhonography courses! There’s no excuse for transportation woes with Get Me an Uber!

History and Politics have always been member favorites, and this fall two classes on Russia, Putin and Stalin’s Shadow, and Russia’s Regained Global Weight, reflect our interest in that nation, while our classes on the Media and the 2018 Election and the Politics of the 2018 Midterm Elections allow reflective discussion on those events.

We are thrilled to be piloting a more immersive method of learning history straight out of the Harvard Business School in Case Studies in Democracy. It joins The Future of the Korean Peninsula and the War of the Roses this fall, along with Tampa Tales and Nostalgic Tales of Florida History.

We explore particularly satisfying forms of creativity with Craftbrew, Microbrew, You Brew and Cookbooks: The Tasty Genre; they join our popular Cucina Italiana course.

Science aficionados will find plenty to dig in to this fall, with new courses on DNA, Genomics and Viruses joining three Florida Aquarium courses and return of The Universe: A Cosmic Journey.

There’s so much more that’s new this fall. There’s sure to be something for you.

Plan for Your Future and the Future of OLLI

Planned giving donors help ensure OLLI will continue providing opportunities for our community’s lifelong learners for years to come. How will you make a lasting impact? An IRA Rollover and a Charitable Gift Annuity are two practical gift options that provide financial benefits.

Reduce Your Taxes with an IRA Gift

An IRA Rollover is a tax-wise and easy way to use your IRA to support OLLI’s mission. If you are 70 ½ or older and don’t need your required minimum distribution (RMD), you can use it to make a gift of up to $100,000 tax free. Call or email us for more information.

Guarantee an Income Stream with a CGA

With a Charitable Gift Annuity (CGA), you make a gift to OLLI and then receive a fixed income from that gift for the rest of your life. When the annuity ends, OLLI receives the remainder of the gift. Rates are going up on July 1, so now is a great time to consider a CGA. Contact us for your free, personalized illustration.

OLLI Goes Broadway: Chicago

There's never been a better time to experience CHICAGO, Broadway's razzle-dazzle smash. This triumphant hit musical is the recipient of six Tony Awards®, two Olivier Awards, a Grammy®, thousands of standing ovations and now the #1 longest-running American musical in Broadway history. CHICAGO has everything that makes Broadway great: a universal tale of fame, fortune and all that jazz; one show-stopping song after another; and the most astonishing dancing you've ever seen. Lecture 6:30 p.m. What Makes Chicago a Masterpiece: discover the ins and outs of creating a bawdy Broadway masterpiece as we dive into the world of Chicago. Laced together with unforgettable Bob Fosse choreography and taboo themes, the musical paved the way for a racier Broadway stage. Join us as we discuss the what it takes to keep a show hot! Audrey Siegler is the Theater Department Managing Director for the Patel Conservatory at the Straz Center and holds degrees in Theater Arts and Psychology.

Our group seats are in the rear orchestra.

Tue. • 9/18 • 6:30pm-10pm • $70 • STRAZ-David A Straz Jr. Center for the Performing Arts • 191XOSTSE0891

REGISTRATION DEADLINE: SEPTEMBER 6.

Fall Sampler: Theater and Dance

Edgar & Emily

In January 1864, reclusive poet Emily Dickinson receives a surprise guest: Edgar Allan Poe. Although Poe died 15 years prior, he arrives quite alive and just as energized by death as ever before — one could say death kindled for Emily, after all. Though the evening pits the pendulum of both poets' personalities against the other in this comic fantasia, Emily and Edgar find they have a lot in common despite their differences. The pre-show lecture is Fact v. Fiction: we'll discuss the magic of "what if?" in historical fiction shows like Edgar & Emily and Hamilton and how theater continues to inspire people to look back at history. David M. Jenkins is the Producing Artistic Director of Jobsite Theater and the director of Edgar & Emily. He holds a BA and MFA in Acting and a PhD in Communication with a specialization in Performance Studies.

Sun., 10/21 3pm-5:30pm

Diavolo Dance Theater

Diavolo returns to the Straz following its success as one of the top 10 finalists in season 12 of NBC’s America’s Got Talent. The Los Angeles-based dance company continues to push a new edge of performance with Artistic Director Jacques Heim’s inventive choreography and his fearless, athletic daredevils. The program will include Diavolo’s signature work Trajectoire and Voyage, featuring meticulously designed structures that have become the company’s hallmark. With a style that encompasses modern dance, acrobatics and gymnastics, Diavolo uses dance to explore the relationship between the human body and its architectural environment. Pre-show lecture to be announced.

Sat., 11/17, 7-10p.m., • Both performances for $81 • STRAZ-David A Straz Jr. Center for the Performing Arts • 191XOSTSE0901

REGISTRATION DEADLINE: October 5.

**Holiday Sampler: Great American Songbook**

**Holiday Cheer With Jane Lynch**
Emmy® and Golden Globe-winning comedian Jane Lynch (Hollywood Game Night, Glee) delivers a big, shiny sack of Santa cheer in this delightfully kitschy, retro-amazing concert of swing- and big band-style renditions of holiday classics. Performing with her See Jane Sing concert tour compatriots, Kate Flannery (The Office); Tim Davis (Josh Groban, Childish Gambino, Pentatonix and Lady Gaga) and The Tony Guerrero Quintet.

Pre-show, take a Look at Jane Lynch and catch up on the career highlights of Lynch, Flannery, and Davis; dig into the roots of big band music and how retro is “swinging” back into style, especially around the holidays, and why it’s a perfect pairing for the comedic stylings of Jane Lynch and her “croonies.” Sarah Berland is a Theater Education Faculty member at the Patel Conservatory at the Straz Center and specializes in acting, stage combat, makeup, and improvisation.

**Sat., 12/8, 3-6:30 pm**

We are thrilled to announce that the United Way Suncoast (UWS)-Tampa Bay has established a new partnership with OLLI-USF. The UWS’s mission is to provide leadership that improves lives and creates lasting community change by mobilizing the caring people of our communities to give, advocate, and volunteer. United Way fights for the education and financial stability of every person. Their current areas of focus include Early Literacy, Youth Success and Financial Stability.

OLLI’s mission of providing intellectual stimulation, social interaction, service opportunities and outreach seem to form a perfect fit with the UWS mission and with members of UWS’s major affinity group The Alexis de Tocqueville Society.

In the early 19th century, French aristocrat Alexis de Tocqueville toured the United States applauding the spirit of volunteerism and philanthropy throughout American society. Based on these principles, the national United Way Tocqueville Society was established in 1984; the local Tocqueville Society formed in 1986 with area leaders including Hugh Culverhouse, John Jaeb, Tom James and Gus Stavros.

Tocqueville Society members are part of a committed group of civic-minded leaders who help to shape the future of the Tampa Bay community. Members have the opportunity to network with area business leaders, colleagues and friends by attending year-round Tocqueville Society special events.

UWS invites USF-OLLI members to become involved in volunteer activities, attendance at special events, advocacy and public policy, mentoring (students and young executives) and philanthropic roundtables in locations around the world. Watch for upcoming announcements of UWS events!

VOLUNTEERS – AN IMPORTANT PIECE OF OLLI

On April 26, 2018, 135 volunteers gathered at Tampa Palms Golf & Country Club to celebrate their contributions of time and talent to OLLI. The event was coordinated by our Volunteer Management Committee (VMC), headed by Arlene Zimney.

INDUCTED INTO THE FACULTY ROLL OF HONOR (instructors who have taught 10+ classes) were:

- Jack Espinosa – 15 classes

- Jennifer Leavy – 11 classes
- Adele McCollum – 13 classes
- Catherine Mitchell – 12 classes
- Priscilla Murtha - 11 classes

The VMC also solicits nominations for Volunteer Achievement from the OLLI-USF general membership. This year the Awards of Excellence were presented to both Joe Adles and Beryl Byles.

Sally Ordway received the Above and Beyond Award for her contributions. Bob Findorff was given the Lifetime Achievement Award.

Names of the honorees are engraved on permanent plaques in the OLLI-USF Office. Special thanks to Charlie Delp, Frank Weitzman, and George Hyde for their photographic expertise.
OLLI-USF at 25: Celebrate the Past, Embrace the Future

In October 1993 we got our technology training underway with six IBM computers, seven IBM retirees and one “Introduction to Computers” course. Six months later, we launched our liberal arts programming with seven classes ranging from Genealogy to an Applied Ethics course led by retired USF president John Lott Brown! Both programs offered older adults volunteer opportunities and a “seniors teaching seniors” philosophy.

Today 1,600 members and nearly 300 volunteers strong, stretched across 30 or so locations, we celebrate our silver anniversary and our “peer learning” ethos. We chose “Celebrate the Past, Embrace the Future” as our anniversary theme, because that’s what we’ll be doing throughout 2018-2019!

Our efforts will involve finding opportunities to grow and connect our community. We’ve planned special events all year to celebrate, including our anniversary cruise this spring (see p. 38), and a free to members fall lecture from Dr. Susan McManus, long-time friend of OLLI.

Socializing and connecting has always been an OLLI value. OLLI founders Lee Leavengood (center) and David Henry (right) are joined by Ted Corwin in this 1998 photo.

Have We M.E.T.? Get together for lunch, before or after class? We’d love to! The Membership Enhancement Team (M.E.T.) initiative empowers you to help us build stronger social networks within OLLI. It’s easy to join in, and even easier to organize a MET experience! Contact Sally Ordway (sallyo1912@gmail.com) for more information.

OLLI Connects!

In September, we are launching a new OLLI blog at OLLIConnects.org. OLLI members Al Carlson and Diane White are working with Cath Mason to conceptualize and plan the blog contents, which will host member-produced writing, photos, enthusiasms, and more. Watch for the launch of OLLIConnects, and share your comments, suggestions or ideas for future postings to connectsolli25@gmail.com.

Bellwether or Battleground: Florida in the 2018 Midterm Election Cycle

The spotlight once again will be on Florida in the 2018 midterm election cycle. The stakes are high for both parties, with Florida being key to which party controls the US Senate and House. Both the Senate race and the gubernatorial contest are projected to go down to the wire. The next governor will have veto power over the 2022 congressional redistricting plan. Dr. Susan A. MacManus, Distinguished Professor Emerita at USF, is Florida’s most-quoted political scientist.

Wicked Brews Book Group
Explore narratives of the misunderstood or societal outcasts: read all or part of the book and join the group for great discussion. Book group meetings start at 7 p.m. at 7venth Sun Brewery in Seminole Heights: 6809 N. Nebraska Ave. in Tampa. Selections are:

Hunger, Roxane Gay
Thursday, Aug. 30
Gay’s memoir explores what it’s like to navigate the world in a traumatized body in a fat-phobic society. With her typical wit and intelligence, Gay discussed shame, desire, and the many things the body (and soul) hungers for.

Frankenstein in Baghdad, Ahmed Saadawi
Monday, Oct. 29
Set in the rubble-strewn streets of U.S.-occupied Baghdad, Hadi (a scavenger) collects human body parts and stitches them together to create a corpse. Murders begin to sweep the city and reports circulate of a monster that cannot be killed.

The Devil in the White City, Erik Larson
Monday, Dec. 10
As Chicago prepares to host the 1893 World’s Fair, America’s first serial killer, H.H. Holmes constructs a hotel (later dubbed the “Murder Castle”) where he will lure and kill at least 20 fair visitors. Compelling and disturbing nonfiction.

Bad Feminist Roxane Gay: “Roxane with One N”
Thursday, Sept. 27 7:30 p.m.
David A Straz Center for the Performing Arts, Ferguson Hall
An internationally renowned author and cultural critic known for her reflective, no-holds-barred exploration of feminism, Roxane Gay’s work explores the intersection of cultural identifiers including gender, race, and sexuality. Her collection of essays, Bad Feminist, is a New York Times bestseller: her newest book, Hunger: A Memoir of (My) Body explores the shared anxieties over pleasure, consumption, appearance, and health. As an op-ed writer for the New York Times, Gay writes on everything from The Bachelor to mass shootings and the #metoo movement with her trademark honesty, insight, and compassion.

Humanities & Hops
Southern Brewing & Winemaking hosts another semester of Humanities & Hops—our community-friendly faculty presentations. This semester’s topics are inspired by the Frankenstein bicentennial and feature faculty from many different College of Arts & Sciences departments. Talks begin at 7pm but come early, grab a drink and something tasty from the food truck, and enjoy!

Who decides what (or who) is a monster? How are “monsters” represented in art, literature, film, the news, etc.? Faculty presenters include Nicole Discenza (English) and Jon Rottenberg (Psychology).

Nov. 27: “Science Fiction.”
Faculty will explore sci-fi in everything from film and literature to fantastic archaeology. Faculty presenters include Lee Braver (Philosophy), Michael Gibbons (SIGS), and Robert Tykot (Anthropology).
