Course Catalog | Spring 2018 Semi-edition

Spring Has Sprung!

With over 150 winter-spring course offerings, our catalog can feel a bit overwhelming. So here we offer you a simple document listing our yet-to-start “spring” courses!

They are listed in day of week order, Monday through Friday, grouped by morning and afternoon.

We’ve also developed a simple **grid schedule** (pages 16-18) that lists these courses by day of week in the hopes this makes it easier for you to locate courses that fit your schedule.

If you have already taken a course this term, remember to check into the **SECOND CHOICE OPTION!** Get a great deal on additional courses each term once you pay full price for one of our multi-meeting courses.

Second choice registration is by phone only. OLLI Registrar Charise Dixie looks forward to helping you register AND get a great deal.

A very few classes are full. Those are marked. If interested, please ask Charise to put you on the wait list. You will be notified if a space becomes available; some, like the OLLI Tech Squad, will return in the summer months.

Register by calling 813-974-2403, option 1, Monday – Friday, 8:30 a.m. until 4:30 p.m.

Register online anytime at www.usfseniors.org

View our complete winter catalog for other OLLI-USF offerings on our website!

Learn for the Joy of It

MONDAY MORNING

Emerging Technologies for Aging at Home

Michael Bice

Aging in place, at home, is how most of us would prefer to live out our days. Learn about emerging technologies such as artificial intelligence, robotics, voice-activated devices and telemedicine, which hold great promise to improve the aging experience and to keep you in your home for as long as possible. Learn how to discern quality service and value in this marketplace. Explore the tools and insights you need to make informed choices for you, your caregivers and your loved ones.

Mon • 3/05-3/19 • 10-12pm • 3 mtgs • \$30 • \$15 (*2nd Choice Fee* after 2/19/18) • PAB210 - Port Authority Building • 182XOSCSM0691

Understanding Social Security, Medicare and Medicaid

Michael Steinberg

FDR signed the Social Security Act in 1935. LBJ's Great Society created Medicare and Medicaid. Follow the history of these now-complicated laws and regulations. See how they are administered. Examine eligibility requirements for Supplemental Security Income and review retirement, disability and widows' benefits. Hear the latest information on Medicare, the various Medicare programs, and proposals relative to their expansion.

Mon • 3/05-3/26 • 10-12pm • 4 mtgs • \$40 • \$20 (*2nd Choice Fee* after 2/19/18) • CANT-ASSEM - Canterbury Tower, Assembly Room • 182XOSFSL1601

Gentle, Mindful Yoga: Especially for You

Clara Schönborn-Lowe

You've heard about the benefits of yoga, mindfulness and meditation -- now it's time to do it! The gentle poses you will practice are specifically designed to stretch muscles, strengthen bones, and bring flexibility to the joints. Yoga helps improve body posture, ease of movement and balance. Mindfulness and meditation help relieve stress, relax the body, and quiet the mind. Get ready to improve your health while also having fun.

Mon • 3/05-4/09 • 10-11:30am • 6 mtgs • \$40 • \$20 (*2nd Choice Fee* after 2/19/18) • PCCC - Pebble Creek Community Center • 182XOSFSL1541

Watercolor: Through New Eyes

Sue Tihansky

Learn basic watercolor techniques in this hands-on course. We will discuss tools, brushes and paper as we experience the properties of paint, color and composition to help you create your own work. Beginner through intermediate watercolorists welcome. Initial cost of materials and supplies is approximately \$100; a list of required supplies will be provided upon registration.

Mon • 3/19-4/23 • 10-12pm • 6 mtgs • \$60 • \$30 (*2nd Choice Fee* after 3/5/18) • JCC - Jewish Community Center • 182XOSLHA1942

A History of the US Secret Service from 1865 to the Present

Michael Horn

Who are those brave men and women walking next to politicians and presidential candidates? What else do they do? Join Special Agent Michael Horn for a discussion of the origin, history, and development of the U.S. Secret Service. He will begin with the inception of the Secret Service and continue through the evolution of its protective and investigative missions in the modern era.

Mon • 3/26-4/09 • 10-12pm • 3 mtgs • \$30 • \$15 (*2nd Choice Fee* after 3/12/18) • PAB210 - Port Authority Building • 182XOSHPC3021

The Media and the 2018 Elections

George Hyde

Billions of dollars will be spent in 2018 by national and local political advertisers to grab your attention, your support, and ultimately, your vote. Billions more will be spent to influence the way candidates and their campaign platforms are portrayed in news coverage across the spectrum, from the New York Times to Fox News to local newspapers and radio stations, and even micro-geographic blogs. The combination of congressional and gubernatorial elections makes this a critical year for Florida and national politics, and we'll be analyzing the action as the races begin to heat up!

Mon • 3/26-4/30 • 10-12pm • 6 mtgs • \$60 • \$30 (*2nd Choice Fee* after 3/12/18) • LMUMC301 - Lake Magdalene United Methodist Church • 182XOSHPC2581

Know Your Florida Birds

Gail Parsons

Learn the best tools and resources needed to help identify birds and what field marks to look for when identifying birds. We will spend three classes in the field practicing our newly learned skills and using those tools. Finally, we will spend our last class at one of the top birding spots in Florida--Fort De Soto--looking for seasonal migrants. We also will learn about "citizen science" projects and conservation issues regarding Florida birds. Note: class meetings are at varied locations and may require long walks. Field trips may be an hour's drive: expect class meetings will run into the afternoons.

Mon • 4/02-4/23 • 9-12pm • 4 mtgs • \$40 • \$20 (*2nd Choice Fee* after 3/19/18) • ARC - Audubon Resource Center - Lettuce Lake Park • 182XOSCSM0491

Maintaining Your Quality of Life in Retirement

Eric Longphee, Jeffrey Locker

The uncertain economy makes it challenging for the retired investor to generate needed income. Today's markets present challenges--interest rate and credit risks in particular--that should be considered when evaluating investments. We will discuss the realities of investing for retirement income in a low interest rate world and how the current economic environment can affect investments. This workshop will educate investors, not sell investment products.

Mon • 4/2 • 9:30-12:30pm • 1 mtg • \$20 • CANT-ASEM - Canterbury Tower, Assembly Room • 182XOSFSL1001

Introduction to Global Warming Issues

David Cardina

Learn about accepted, nonpolitical scientific information regarding the relationship of fossil fuel energy utilization to greenhouse gas formation and by association, to global warming. We will examine and challenge the facts, the data and the models, enabling you to arrive at your own conclusions about global warming and climate change. You will also be able to confidently engage in social discussion on the topic. No scientific or technical background is assumed or required.
 Mon • 4/09-4/30 • 10-12pm • 4 mtgs • \$40 • \$20 (2nd Choice Fee after 3/26/18) • CANT-ASSEM - Canterbury Tower, Assembly Room • 182XOSCSM0581

Issues in the Crossfire

Linda Philipps, Charles Kolker, Douglas Dallio

This course will be a friendly gathering of people who enjoy considering newsworthy events together. We invite you to join our talented communicators as we engage in discussions on the pressing topics of our time. Class participation is an integral part of this course: you will be invited to help select several topics and your opinions are welcome. We will identify current issues, consider them in all their complexity, and then move on to consider possible solutions. Topics will range from domestic to foreign affairs as well as Florida-specific and women's issues.

Mon • 3/05-4/23 • 1-3pm • 8 mtgs • \$70 • \$35 (2nd Choice Fee after 2/19/18) • CPCC - Compton Park Community Center • 182XOSHPC1791

Windows 10 Advanced: Maintenance, Recovery and More

Myron Thorner

Develop confidence and solve your Windows 10 computer mysteries! We'll discuss navigating some settings, data backup and recovery, routine Windows 10 Advanced maintenance, networking, and ways of solving common problems. Learn how to update hardware, and use third-party programs to act as your simplified agent to maintain the system, along with gaining insight into the Windows 10 operating system (OS). You should be familiar with Windows 7 or higher.

Humanity and the Cosmos

Harry Ellis

Do humans have a meaningful role in the Universe? And if so, what is that role? To try to answer that question, you'll examine evidence supporting the latest theories of space and time, and cosmological and biological evolution. You'll even ponder the meaning of meaning! Your goal will be to try to fit humanity into the current picture of reality, and consider if humans have a meaningful role.

Mon • 3/19-4/30 • 1-3pm • 7 mtgs • \$60 • \$30 (2nd Choice Fee after 3/5/18) • PAB210 - Port Authority Building • 182XOSLHA3331

Crossing Cultural Gaps: Comparing Rites of Passage in China and America

Jingping Du

A need for better understanding of East-West cultural differences has surfaced along with the increasing pace of globalization. Explore the traditional and modern values of the Chinese people in three significant phases of life: the college entrance exam, marriage customs and aging. The goal: to increase mutual understanding by comparing the lives of ordinary Chinese and Americans in these and other challenging areas.

Charles Delp

People often express the desire to have some control over the conditions of their end stage of life. But laws can make these decisions confusing and difficult. Learn about the pertinent Florida laws and to what degree they permit people to take control of their end of life experience. We will discuss current state of Florida forms, including advance directives, designation of a healthcare surrogate and living wills.

Tue • 3/13-3/20 • 1-3pm • 2 mtgs • \$20 • UNVA - University Village, Auditorium • 182XOSFLS0941

Irish Rebels and Revolutionaries

Matthew Knight

How did Irish republicanism evolve from the ideals of the United Irishmen in the 1790s to the formation of the Irish Free State in 1922? This period saw multiple uprisings and campaigns of violence against British rule by Irish rebels at home and abroad. As the cause of Irish freedom was embraced by Irish-American immigrants at least as intensely as Irishmen and women back home, the role of Irish America will be an essential aspect of the course.

Tue, Thu • 3/13-3/15 • 1-3pm • 2 mtgs • \$20 • \$10 (*2nd Choice Fee* after 2/27/18) • GA - USF Library, Grace Allen Rm • 182XOSHPC3331 [***Scheduled during USF's Spring Break!***]

Economics and Taxes in the Trump Era

Michael Viren

Economists used to have a pretty good idea about the policy implications of a Republican or Democratic administration. The Trump era, however, defies neat categories and requires us to re-think the implications and impact of this administration's policies. Consider, along with a trained economist, the potential economic outcomes of Trump's policies towards: international trade; immigration; environment; tax reform; infrastructure; national debt and health care.

Wed • 4/04-4/25 • 10-12pm • 4 mtgs • \$40 • \$20 (2nd Choice Fee after 3/19/18) • LMUMC306 - Lake Magdalene United Methodist Church • 182XOSHPC3061

Tampa History

James Weiss

Who would have thought Tampa possessed such a rich and fascinating history, reaching back some 14,000 years? Join the Tampa Bay History Center docents, members of the museum's History Krewe, to explore some of the significant events that impacted Tampa and helped shape it into the city we know today. Topics included in our eight meetings: Tampa's first people, the Seminole Indians, Cigar City (Ybor City), the Spanish-American War, the history of Hyde Park, the history of Gasparilla, and more.

Dissidents in Exile, the Notable "Proscrits" of 1852-1870

Carl Schott

During Napoleon III's reign in France and following the European revolutionary activity of 1848, hundreds of exiles, representing the tumultuous worlds of politics and the arts, fled to the English Channel islands of Jersey and Guernsey. These Proscrits' writing and advocacy of causes while in exile is a fascinating tale.

Mark Twain's Humorous Political Justifications

View our complete winter-spring catalog for instructor bios, maps, parking info and other OLLI experiences at www.usfseniors.org

Ann Ottaviano

What seemed a "boys' book" in "Adventures of Huckleberry Finn" was a glimpse into what really took place on Huck and Jim's journey down the Mississippi River. Far from being a "boy's book" or a racist novel, the work is an attack on racial inequality. Explore how Twain used humor in his writing to portray inequality - even on the raft. Required text: Adventures of Huckleberry Finn, Mark Twain, Dover Thrift Edition, 1st edition (\$5.40) available at the USF bookstore (813-974-5026) or online.
