- Windows and Apple computers
- iPhones, iPads and Android Phones and their apps
- Cameras, Photos and Photo Editing
- Privacy, Security and Cloud Storage
- Popular software and apps for computers and mobile devices
- Topics in Technology

Skills-Based Prerequisites for OLLI Technology courses:

 **Skill Level A** – You've little to no experience with the course topic OR you want to make sure you understand the fundamentals. Courses assume no prior knowledge and start at the very beginning.

 **Skill Level B** – You have some experience with the course topic. You know how to use your computer, smartphone or tablet and want to expand basic knowledge or fill in some gaps. Courses assume basic topic knowledge and experience.

 **Skill Level C** – You are familiar with and comfortable navigating this course topic. You have mastered the basics: now you want to go further. Not for beginners! Classes assume a solid background and prior experience with the topic.

OLLI-USF's Shared Interest Groups (SIGs)

OLLI SIGs offer opportunity and informal learning around a shared interest. They are free and open to OLLI-USF members.

China SIG

The China SIG fosters an appreciation for and understanding of the Chinese people and their cultures. Our group meets at least quarterly, either virtually or in person. We celebrate Chinese traditional holidays and enjoy presentations and videos by a variety of speakers and musicians. For more information, contact Kun Shi (kunshi57@gmail.com) or Nancy Stuart (nlsflorida@hotmail.com)

Community of Readers and Writers

Food, Glorious Food!

Are you interested in exploring Tampa's food world and all that it represents? Come with us on a journey to investigate the world of food -- how it grows, where to buy it, how to prepare it, and where to eat it as we learn through speakers, field trips, and presentations on the Zoom online platform. For information contact Sandy Buckley, buckley_sandra@hotmail.com.

African-American Military History: The Lesser Known Contributors

During America's Civil War, the United States government made promises to a people it had recently freed from bondage.
