David C. Anchin Center for
the Advancement of Teaching

EXPAND YOUR SKILLS AS A MICROSOFT CERTIFIED EDUCATOR

Become a Microsoft Innovative Educator –
INTRODUCTORY TRAINING

Friday, March 4, 2022 // 9:00 a.m. to 3:00 p.m.
USF Tampa campus, TECO Hall // Free to attend // Lunch provided

USF students, faculty and staff who attend the session will have a chance to win a **FREE Microsoft Surface Laptop provided by Connection!**

Join us for a specialized introductory training event to learn about the many tools Microsoft has to offer pre-service and practicing teachers. Throughout the day, you will participate in a series of immersive learning activities that will help you increase efficiency, enhance communication and collaboration, and improve instruction to meet the needs of your students, all while modeling the innovating and effective use of educational technology.

This is an introductory course intended to expose preservice teachers to Microsoft offerings for education. This is not a deep-dive instruction into any one tool. Additional trainings and resources will also be available throughout the day for educators who would like to learn more about the topics presented in that day's training.

Please bring the working device(s) you are most comfortable with to the workshop.
