

Microsoft Innovative Educator Teacher Academy

Join us for a specialized two-day event to learn about the many tools Microsoft has to offer professors and pre-service teachers. Throughout each day, you'll participate in a series of immersive learning activities that will help you increase efficiency, enhance communication and collaboration, and improve instruction to meet the needs of your students — while modeling the innovative use of educational technology.

This is an introductory course intended to expose faculty and staff to Microsoft offerings for education. This is not a deep-dive instruction into any one tool. Information about additional trainings and resources will be available throughout the day for educators who would like to learn more about the topics presented in this training.

Dates: Friday, September 17, 2021 **and** Friday, October 8, 2021

Time: 9:00 a.m. – 12:00 p.m.

Presenters: Nicole Caldwell, M. Ed. and Cindy Daniels, MSA

Location: TECO Hall

Device Requirement: Please bring the working device(s) you are most comfortable with to both sessions.

Brought to you by the David C. Anchin Center and Connection.

You can register for this two-day training opportunity by scanning the QR code with your smartphone camera or by visiting the following webpage: <https://bit.ly/3BpFolj>
