

David C. Anchin Center for the
Advancement of Teaching Presents:

RACIAL JUSTICE IN LITERACY

WEDNESDAY,
AUGUST 18

7:00 – 8:30 p.m. EST

VIRTUAL EVENT

Join us for a webinar as we discuss how the field of literacy has responded to race and racism through an examination of equity and racial justice in literacy research. During the session, we will present an overview of how race has operated as a construct in literacy research, teaching, and assessment.

Through scenarios that draw on practical experiences with literacy in and beyond classrooms, we invite parents, teachers, administrators, and other stakeholders, to identify how racism functions daily in literacy. In turn, we will provide recommendations for advancing racial justice in literacy research.
