EVALUATION IN ACADEMIC ADVISING

Presented by:
Reyna Olivas

reyna3@mail.usf.edu

It is very common for colleges to utilize satisfaction surveys to evaluate Academic Advising. However, do these satisfaction surveys paint a complete picture of Academic Advising performance? In this workshop we will explore how Academic Advising can be evaluated by considering such dimensions as perceptions, student outcomes, faculty collaboration, and professional development.

For more Information contact
Dr. Liliana Rodríguez
