

Friday, November 18, 2016
12:00-1:00 p.m., EDU 356 (College of Education, 3rd Floor)

FREE WORKSHOP SERIES

Bring your lunch and we will provide dynamic discussions about evaluation.

Worksite Wellness Evaluation

Nicholas Martinez, M.S.

Worksite wellness programs have become increasingly popular among medium to large size companies looking to improve employee health and increase overall productivity. However, many worksite wellness programs do not receive high end, cost-effective evaluations that can determine program effectiveness from a multi-faceted perspective. A quality evaluation that emphasizes effective strategies and also approaches wellness from a holistic perspective is an optimal way to achieve the next level of wellness and productivity for a company and its employees.

For More Information:

Web: <http://www.coedu.usf.edu/gce>

Email: liliana@usf.edu or call Dr. Liliana Rodríguez at 813-974-3220

Call for Workshop Proposals:

We are seeking presenters on a broad array of topics at the national, state, and local levels.

For disability related accommodations, please contact Mr. Todd Williams at 813-974- 8351 or twwillia@usf.edu.

For parking directions, please visit the parking services website (www.usf.edu/parking_services) or stop at the main USF campus entry/information booth (off Fowler Ave).
