

FREE VIRTUAL WORKSHOP SERIES

Promoting Belonging in Collaborative
Evaluation within Education

Saturday, October 14, 2023 // 8:00–9:00 a.m. ET

Presented by:

Jessica D. Young, B.A.

jdyoung1@usf.edu

A core part of collaborative evaluation is creating a sense of belonging amongst evaluators, clients, and stakeholders to promote inclusive and meaningful collective action. In addition to a presentation on this topic, the speaker gives participants the option to discuss how belonging experiences help inform the Model for Collaborative Evaluation.
