AI-Powered Insights:  
Enhancing Program Evaluation

**Saturday, November 11, 2023 // 8:00–9:00 a.m. ET**

**Presented by:**

**KaMi Ojeda Rodríguez, M.A.**

*[kojedarodriguez@usf.edu](mailto:kojedarodriguez@usf.edu)*

Join us as we uncover the potential of AI to reshape the landscape of program evaluation, offering evaluators robust tools to make informed, data-driven decisions and streamline the evaluation process in an ever-evolving world. Participants will have the opportunity to engage in discussions by making questions and comments.
