

# FREE VIRTUAL WORKSHOP SERIES

A Collaborative Evaluation for  
Designing Global Competency-Based  
Programs in Higher Education

**Saturday, April 09, 2022 // 8:00–9:00 a.m. ET**

**Presented by:**

**Parandoosh Boger-Sadeghinia, Ph.D.**

*parandooshsa@usf.edu*

Global competency-based programs in higher education may increase students' awareness of global challenges and their role in identifying, analyzing, and providing solutions for these global issues. This presentation will highlight components of the Model for Collaborative Evaluations that guide the evaluation of these programs for administrators, specialists, and faculty in public and private educational sectors.

For access to this virtual workshop, please contact
