

CALL ME MISTER *Signing Day*

The signing ceremony is a formal commitment among the University of South Florida College of Education, Pinellas County Schools, and the Call Me MISTER® (acronym for Mentors Instructing Students Toward Effective Role Models) program. We are excited to welcome our first cohort of Call Me MISTER® future teachers. Upon successful completion of the program requirements, Pinellas County Schools guarantees a full-time teaching position to the USF St. Petersburg campus MISTERS in urban school settings. Additionally, the signing ceremony

symbolizes the MISTERS' commitment to urban school teaching and the Call Me MISTER® program's mission and values. The collaboration with Call Me MISTER® fosters new opportunities for men of color pursuing graduate or undergraduate degrees in education. Furthermore, this will build urban teacher pipelines for Pinellas County elementary and middle schools.

Please join us as we celebrate Call Me MISTER® future teachers, our MISTERS.
