International Diversity Focus Courses

The opposite side of this checklist outlines the requirements, both course and non-course, for admission into the College of Education. In addition to those outlined are the following University requirements:

- **State Communication**
  All undergraduates are required to take **four** courses identified as State Communication courses and earn a C- or better in each. ENC 1101, ENC 1102, and all Intellectual and Practical Skills courses in the Enhanced General Education curriculum meet this requirement.

- **State Computation**
  All undergraduates are required to take **two** courses identified as State Computation courses and earn a C- or better in each. All Mathematics and Quantitative Reasoning courses in the Enhanced General Education curriculum meet this requirement.

- **Civic Literacy**
  Students entering an institution in the Florida College System (FCS) or State University System (SUS) beginning fall 2018 must demonstrate competency in civic literacy. This includes:
  - high school students who enrolled in dual enrollment courses but did not earn an AA from an FCS or SUS institution,
  - First-Time-In-College (FTIC) students, and
  - transfer students who did not earn an AA from an FCS or SUS institution.

- **Foreign Language Entrance Requirement (FLENT)**
  Students pursuing a Bachelor of Science degree must demonstrate competency in a foreign language, through either two years of the same foreign language at the high school level or two semesters at the college level. Students pursuing a Bachelor of Arts degree must complete additional foreign language requirements.
