

Graduate Students at the American Evaluation Association 2017 Washington DC

Several students who took evaluation courses in the Department of Educational and Psychological Studies had proposals accepted at the American Evaluation Association (AEA) Conference 2017. The Annual AEA Conference held in Washington DC had the participation of 16 students who were previously enrolled in the evaluation courses, taught by Dr. Liliana Rodríguez-Campos. She has motivated her students to go beyond the course objectives in order to represent USF in important evaluation events.

With the encouragement and guidance of Dr. Rodríguez, her doctoral students prepared and submitted evaluation proposals to be presented at the AEA Conference 2017. As a result, the following former evaluation students were invited to represent USF in Washington DC last November: Shetay Ashford, Gulcin Bilgener, Joyce Bronteng, Raymond Cabrera, Richard Chapman, Huiro Chen, Ke Cheng, Davina DeVries, Anna Gonzalez, Tyler Hicks, Jan Mahowski, Michael Mitchell, Eunkyung Na, Michael Voris, Yue Yin, and Connie Walker-Egea.

This is another example of encouragement and collaborative work at USF!
