

Environmental Engineering Student Design Team Takes 4th Place at WEFTEC National Competition

The design team Need for Sneed (Pete Zydek, Tyler Brenfleck, Steven Rousseau, Emanuel Delgado, Mike Tavlin) took first prize in the FWEA Student Design Competition in the wastewater division. They went on to represent Florida in the national competition at WEFTEC in Chicago in September where they place 4th out of 17 schools participating. The team investigated septic system alternatives for Sneed Island.
