

## **Environmental Engineering Student Design Team Takes 4<sup>th</sup> Place at WEFTEC National Competition**

The design team Need for Sneed (Pete Zydek, Tyler Brenfleck, Steven Rousseau, Emanuel Delgado, Mike Tavlin) took first prize in the FWEA Student Design Competition in the wastewater division. They went on to represent Florida in the national competition at WEFTEC in Chicago in September where they place 4<sup>th</sup> out of 17 schools participating. The team investigated septic system alternatives for Sneed Island.
