

Computer Science and Engineering

Request for Course Equivalency Evaluation Form

Student: _____ Date: _____
PRINT: Last First Middle initial

Student ID: U _____ Phone: _____

Address: _____
Street City State Zip code

Email: _____ Classification: _____

Read and initial below indicating your understanding:

_____ Per the USF Undergraduate Catalog, the College of Engineering will accept transfer credit from non-Florida Statewide Common Course Numbering System courses when appropriate if the course has been passed with a grade of C or better and it is determined to be equivalent in both content and quality. Courses with non-matching numbers are rarely accepted. In general, engineering and technology courses taken at technical schools, or as part of professional or military training, are not applicable to the degree programs of the College of Engineering.

_____ Lower-level courses (1000-2000) or not accepted in place of upper-level (3000-4000) Computer Science courses.

_____ A request for equivalency evaluation must be accompanied by a detailed course syllabus for the transfer course you wish to have reviewed. Petitions submitted without a syllabus will not be reviewed. Complete a separate form for each course you wish to have evaluated. Submit forms to the CSE office in ENB 342A

Request:

Student signature Date

Departmental Use Only: Approved Disapproved

Notes: _____

Undergraduate Program Director signature Date

This petition is valid only for the current semester
