

# Office Hours for the CSE Programming Resource Center

(Spring 2019 – Last updated: January 7, 2019)

The CSE Programming Resource Center (PRC) is the cubicle in the northwest corner of ENB 216 (C4 Lab). Teaching Assistants (TAs) from Programming Concepts (COP 2510), Program Design (COP 3514), Object Oriented Design (COP 3331), and Data Structures (COP 4530) staff the center to provide programming assistance to all CSE students in all Departmental courses. Note that the TA for your course is always your best resource, but all TAs will work hard to help you.
