

The Department of Electrical Engineering held its annual Fall 2017 Capstone Design Poster Competition December 1st in the College of Engineering. Twelve student teams competed against each other for first place. Three teams consisting of electrical engineering undergraduate students stood out to the judges .

First place was awarded to the team TWIRP comprised of electrical engineering undergraduates Kiran Shila, Alejandro Robles, Eric Valentino and Charlie Curtiss.

Second place was awarded to the team Maglev which included electrical engineering undergraduates Diego Serrano Rienel, Vianeybert Toussaint, Fredrick Ngoiya and Mohammed Chehab

Third place was awarded to the team Cubesat with electrical engineering undergraduates Nicola Campana, Travis Gregg and Nathaniel Richards.

Congratulations to all of our graduating Seniors!
