Electrical Engineering Professor Jing Wang (PI) and Associate Professor Gokhan Mumcu (Co-PI) have been awarded a Non-profit grant of \$32,711.00 for a Summer 2020 project. In this project, Professor Wang and Professor Mumcu will be performing a set of assessments, using and testing the latest 3M headset technology.

The project will be accomplished by stimulating technology development, and by promoting the outbound and inbound transfer of technology for detection and personal safety.
