I have read the College of Engineering continuation and graduation requirements and the minimum grade and GPA requirements for my intended major in the Undergraduate Catalog.

If either the conditions below are true, I understand I will no longer be eligible to pursue a major in the College of Engineering and I cannot enroll in College of Engineering restricted courses without an approved appeal. Appeals must be submitted by the deadline for consideration.

- If I am unable to complete a class *successfully* within 2 attempts (USF/Transfer) (incl. W, M, I grades).
