

## Upper Division Student Advising Contacts for Permits

The College of Engineering [permit request form](#) is for assistance registering for general courses typically taken in the first two years of the program (those without locks on the flowchart). For help registering for upper division College of Engineering courses (those typically taken in the 3rd or 4th year and/or have locks on the flowchart), please visit your [College of Engineering department website](#) for additional information. View [flowcharts](#) for each major to understand which courses are in the first two years of the program.

General Engineering Classes: *Student Services office should be able to assist with most permits/overrides including: "EGN" Courses EGN 1113, 3311, 3331, 3331L, 3321, 3343, 3353, 3365, 3373, 3443, 3615, and 4450.* (<https://www.usf.edu/engineering/student-services/academic-advising/forms.aspx>)

### DEPARTMENT COURSES

<b>Biomedical</b>	Complete permit form <a href="https://www.usf.edu/engineering/bme/undergraduate/ugforms.aspx">https://www.usf.edu/engineering/bme/undergraduate/ugforms.aspx</a> Questions? Email Cherine Chehab at ENG-BME@usf.edu, Location: ISA 7031 Make an appointment with Cherine: <a href="https://www.usf.edu/engineering/bme/undergraduate/ug-academic-advising.aspx">https://www.usf.edu/engineering/bme/undergraduate/ug-academic-advising.aspx</a>
<b>Chemical</b>	All permits for the first two locked courses have been removed. Contact Faculty Advisor Dr. Piyush Koria, ENC 3400, <a href="mailto:pkoria@usf.edu">pkoria@usf.edu</a> Or Program Specialist Yvette Blanchard, <a href="mailto:yb@usf.edu">yb@usf.edu</a>
<b>Civil</b>	Contact Faculty Advisor Karim Nohra, Location: ENC 3300, <a href="mailto:nohra@usf.edu">nohra@usf.edu</a> Or the Academic Program Specialist Adea Arrison, <a href="mailto:aarrison@usf.edu">aarrison@usf.edu</a>
<b>Com. Sci., Cpr Engr, Cybersecurity, &amp; Info. Tech.</b>	Visit <a href="https://www.usf.edu/engineering/cse/undergraduate/registration-permits.aspx">https://www.usf.edu/engineering/cse/undergraduate/registration-permits.aspx</a> Note: Restriction overrides for non-majors only given during drop/add week if there is space in the class. Advising Info Visit: <a href="https://www.usf.edu/engineering/cse/undergraduate/contacts.aspx">https://www.usf.edu/engineering/cse/undergraduate/contacts.aspx</a>
<b>Electrical</b>	Complete permit form <a href="https://www.usf.edu/engineering/ee/undergraduate/eemaj.aspx">https://www.usf.edu/engineering/ee/undergraduate/eemaj.aspx</a> , Questions? Advising Assistance Email: <a href="mailto:eng-eeadvising@usf.edu">eng-eeadvising@usf.edu</a>
<b>Industrial</b>	Contact Kingsley Reeves by making an appointment (Archivum), Location: ENC 2400, <a href="mailto:reeves@usf.edu">reeves@usf.edu</a>
<b>Mechanical</b>	ME Course permit form: <a href="https://www.usf.edu/engineering/me/undergraduate/admitted-me-undergrads.aspx">https://www.usf.edu/engineering/me/undergraduate/admitted-me-undergrads.aspx</a> Advising contact: <a href="https://www.usf.edu/engineering/me/undergraduate/ug_advising.aspx">https://www.usf.edu/engineering/me/undergraduate/ug_advising.aspx</a>
