

Upper Level Degree Progression (ULDP)

(Changing from Lower Level Division status to Upper Level Division status within your major)

Note: You have to meet certain requirements before you can take upper level Department classes. Once you meet those requirements, you will fill out this form so that you can start taking upper level department classes. A notation "ULDP" will appear in your degreeworks under student attribute.

Last Name: _____ First Name: _____

U ID #: _____ Change of Major? Y / N Prior Major: _____

Please select your Major:

<input type="checkbox"/> Chem E	<input type="checkbox"/> *Computer Science	<input type="checkbox"/> Environmental Engr	<input type="checkbox"/> Mechanical E
<input type="checkbox"/> Civil E	<input type="checkbox"/> *CyberSecurity	<input type="checkbox"/> Industrial Engr.	
<input type="checkbox"/> *Computer Engr.	<input type="checkbox"/> Electrical Engineering	<input type="checkbox"/> *Information Technology	

Initial

- I have read the College of Engineering continuation and graduation requirements and the minimum grade and GPA requirements for my major in the Undergraduate Catalog. _____
- I will review the catalog policies for **Degree Progression and Excess Hours**. I will complete a graduation plan in Degreeworks and have it reviewed by an advisor within 2 weeks after submission of this form.
⇒ Total hours left before **excess hours surcharge** may apply _____ or I am not subject to excess hours. _____
- If one of the conditions below are true, I understand I will no longer be eligible to pursue a major in the College of Engineering and I cannot enroll in College of Engineering restricted courses without an approved appeal. Appeals must be submitted by the deadline for consideration. _____
 - If my **Semester GPA falls below 2.00 (two or more times)**, and/or USF/Overall GPA _____
 - If I am unable to complete a class *successfully* within **2 attempts** including withdrawals ("W"), Missing grades ("M"), Incompletes ("I") grades, and U grades (includes Transfer classes and "R" grades) _____

Advisor's Signature

For admitted students: What's next...

Chemical Engineering

You should meet with the department advisor, Dr. Scott Campbell, to plan their path towards graduation. Please schedule an appointment with Dr. Campbell using eScheduler. Once you log in select Chemical Engineering.

Civil Engineering

You will receive a welcome email from your department with information on what you'll need to know.

Computer Engineering

You must bring a copy of this approved department application to the CSE department office, located in ENB 342, and pick up your welcome packet.

Computer Science

You must bring a copy of this approved department application to the CSE department office, located in ENB 342, and pick up your welcome packet.

Cyber Security

You must bring a copy of this approved department application to the CSE department office, located in ENB 342, and pick up your welcome packet.

Electrical Engineering

You will receive a welcome email from your department with information on what you'll need to know.

Industrial Engineering

You will need to bring a copy of this approved department application and a flowchart to the IMSE office located in ENC 2400. Once you visit the office, you'll schedule an initial advising appointment with Dr. Reeves.

Information Technology

You must bring a copy of this approved department application to the CSE department office, located in ENB 342, and pick up your welcome packet.

Mechanical Engineering

You will receive a welcome email from your department with information on what you'll need to know.
