The United Nations (UN) System is often associated with the work of the UN Secretary General & his team. In reality, the UN System consists of the UN & its 6 bodies, 6 affiliated programmes & funds, 15 specialized agencies, & 11 related entities/organizations.

This workshop will offer an overview of the UN System, including:

How can you get to know UN agencies & entities?
What can they offer to young professionals?
How can you tap into issues the UN agencies work on in your everyday learning?

Space is limited - register today!
